The director appointed by JD Global is entitled to serve on the compensation committee and the nominating and corporate governance committee of the board of the Issuer, unless a majority of the board determines in good faith that such service on the committee would violate any applicable law or result in the Issuer not be in full compliance with the applicable stock exchange requirements without seeking exemptions. *Piggyback registration rights.* If the Issuer proposes to file a registration statement for a public offering of its securities other than a registration statement relating to any employee benefit plan or a corporate reorganization, the Issuer must offer holders of its registrable securities an opportunity to include in the registration all or any part of their registrable securities. However, the Issuer is not obligated to effect any such registration, if the proceeds from the sale of registrable securities (net of underwriters' discounts or commissions) will be less than US\$1.0 million or the Issuer has already effected a registration within the six-month period preceding the request.

*Expenses of obligations.* The Issuer will bear all registration expenses incurred in connection with any demand, piggyback or F-3 registration, including reasonable expenses of one legal counsel for the holders, but excluding underwriting discounts and selling commissions and ADS issuance fees charged by the depositary bank of the Issuer. Holders of registrable securities will bear such holder's proportionate share (based on the total number of shares sold in such registration other than for the Issuer's account) of all underwriting discounts and selling commissions or other amounts payable to underwriters or brokers.
