Report of Independent Auditors

To the Partners

New England Realty Association Limited Partnership

We have audited the accompanying statement of revenue and certain expenses of Captain Parker Arms, (the Property), for the year ended December 31, 2014, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the statement of revenue and certain expenses in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of revenue and certain expenses that are free of material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the statement of revenue and certain expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenue and certain expenses is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of revenue and certain expenses. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement of revenue and certain expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Property's preparation and fair presentation of the statement of revenue and certain expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of revenue and certain expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of revenue and certain expenses referred to above present fairly, in all material respects, the revenue and certain expenses as described in Note 2, for the year ended December 31, 2014, in conformity with U.S. generally accepted accounting principles.

Basis of Accounting

As described in Note 2, the accompanying statement of revenue and certain expenses has been prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in the Form 8-K/A of New England Realty Association Limited Partnership and are not intended to be a complete presentation of the Property's revenue and expenses. 1. Organization

On August 27, 2015, the Residences at Captain Parker, LLC (Captain Parker), a Massachusetts limited liability company whose manager is New Real, Inc. (New Real), the general partner of New England Realty Associates Limited Partnership (the Partnership) entered into a purchase and sale agreement (the Purchase Agreement) with Avalon II Massachusetts Value I, L.P., a Delaware limited partnership (the Seller) to acquire Captain Parker Arms, a 94 unit apartment complex located at 7 Captain Parker Arms, Lexington, Massachusetts (the Property), for a purchase price of \$31.6 million. Captain Parker s sole member is New England Realty Associates Limited Partnership.

On September 18, 2015, the Partnership closed on the Purchase and Sale contract and acquired the property. The Partnership borrowed \$25,000,000 from its outstanding line of credit with KeyBank, N.A. and the balance from the Partnership s cash reserves to purchase the property.

2. Basis of Presentation and Significant Accounting Policies

The accompanying statement of revenue and certain expenses of Captain Parker Arms (the statement) has been prepared in accordance with the rules of Regulation S-X of the Securities and Exchange Commission for inclusion in the Partnership s Current Report on Form 8-K/A. Accordingly, the statement of revenue and certain expenses excludes certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest expense, depreciation, amortization, corporate expenses, and other costs not directly related to future property operations.

Use of Estimates

The preparation of the statement of revenue and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statement of revenue and certain expenses and accompanying notes. Actual results could differ from those estimates.

Revenue Recognition

Rental revenue is recognized monthly over the terms of the lease. Leases are generally for a one-year term. No single tenant accounted for more than 5% of the Property's revenue in the year ended December 31, 2014, or the period January 1, 2015 through September 18, 2015.

Laundry and other income is recognized when the related services are utilized by the tenants.

Unaudited Interim Information

The statement of revenue and certain expenses for the period January 1, 2015 through September 18, 2015 (the date of acquisition) is unaudited. In the opinion of management, the statement reflects all adjustments necessary for a fair presentation of the results of the interim period. All such adjustments are of a normal recurring nature. The results of operations for the period are not necessarily indicative of the Property's future results of operations.

3. Income Taxes

Captain Parker Arms is organized as a limited liability company and is not directly subject to income taxes.

4. Subsequent Events

Captain Parker evaluated subsequent events through November 30, 2015, the date the statement was available to be issued.

UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

The unaudited pro forma consolidated balance sheet as of September 30, 2015 is not required to be presented as the acquisition occurred on September 18, 2015, and, accordingly, is included in the consolidated balance sheet of the Partnership's Form 10-Q for September 30, 2015, filed on November 6, 2015. The unaudited pro forma consolidated income statements for the nine months ended September 30, 2015, and for the year ended December 31, 2014, which reflects amounts prior to the acquisition date that are based on the historical operations under the previous Property's ownership, and are presented as if the acquisition and financings were effective January 1, 2014.

The pro forma information is based on the historical financial statements of NERA and Captain Parker Arms and gives effect to the transactions, assumptions and adjustments described in the accompanying notes to the unaudited pro forma consolidated financial statements. In addition, these unaudited pro forma financial statements do not purport to project the future financial position or operating results of the entities.

The pro forma statements are not necessarily indicative of the results that actually would have been achieved if the acquisition and financing had occurred as assumed. They should be read in conjunction with the historical financial statements of NERA, included in its Form 10-K for the year ended December 31, 2014, its Form 10-Q for the three, six and nine months ended March 31, June 30, and September 30, 2015, and the historical operating summary of Captain Parker Arms elsewhere herein.

As previously mentioned, on August 27, 2015, the Residences at Captain Parker, LLC (Captain Parker), a Massachusetts limited liability company whose manager is New Real, Inc. (New Real), the general partner of New England Realty Associates Limited Partnership (the Partnership) entered into a purchase and sale agreement (the Purchase Agreement) with Avalon II Massachusetts Value I, L.P., a Delaware limited partnership (the Seller) to acquire Captain Parker Arms, a 94 unit apartment complex located at 7 Captain Parker Arms, Lexington, Massachusetts (the Property), for a purchase price of \$31.6 million. Captain Parker's sole member is New England Realty Associates Limited Partnership.

On September 18, 2015, the Partnership closed on the Purchase and Sale contract and acquired the property. The Partnership borrowed \$25,000,000 from its outstanding line of credit with KeyBank, N.A. and the balance from the Partnership's cash reserves to purchase the property.

The partnership's management considered many factors in assessing the acquisition of the Captain Parker property. These factors included the level of rental income of the property, the availability of rental units and Captain Parker's competitors in the Lexington market place and its occupancy level. Management also considered potential changes in expenses due to economies of scale expected to be obtained via Captain Parker's proximity to another property of the Partnership; expense reductions expected from planned changes in the heating and electrical systems; potential increase in real estate taxes as well as other matters.

The Partnership does not have a material relationship or significant business activities with the seller of the property and the acquisition is not an affiliated transaction.

Pro forma information is intended to provide investors with information about the impact of transactions by showing how specific transactions might have affected historical financial statements, illustrating the scope of the change in the historical financial position and results of operations. The adjustments made to historical information give effect to events that are directly attributable to the acquisition of the property and are factually supportable. The unaudited Pro Forma Consolidated Financial Statements are prepared in accordance with Regulation S-X.

The unaudited Pro Forma Consolidated Financial Statements set forth below are not facts and there can be no assurance that the Partnership's results would not have differed significantly from those set forth below if the acquisition had actually occurred on January 1, 2014. Accordingly, the unaudited Pro Forma Consolidated Financial Statements are presented for illustrative purposes only and do not purport to represent, and are not necessarily indicative of what our actual financial position and results of operations would have been had the acquisition of the property occurred on the dates indicated, nor are they indicative of our future financial position or results of operations. Readers are cautioned not to place undue reliance on such information and the Partnership makes no representations regarding the information set forth below or its ultimate performance compare to it. The unaudited Pro Forma Consolidated Financial Statements exclude any non-recurring charges or credits directly attributable to the acquisition.
