Mr. Fischer also serves as a member of the Board of Directors of BioSig Technologies, Inc. and Agile Therapeutics, Inc., and is an advisor to MedHab, LLC. He has served in positions of increasing responsibility with Johnson & Johnson from 1983 until his retirement in 2012. His operating responsibilities encompassed the commercialization of products in multiple therapeutic categories including Topamax® for epilepsy and migraines and products in the neurologic, analgesic, anti-infective, cardiovascular, psychiatric and women's health areas, including ORTHO EVRA®, one of the most successful contraceptive launches in the U.S and the first ever contraceptive patch. He earned a bachelor's degree in general studies from Ohio University and served as a captain in the U.S. Air Force.

Mr. Fischer will receive the standard compensation amounts payable to non-employee directors of the Company, which includes an annual cash retainer of \$40,000.
