Item 1. Change in Control of Registrant

On April 13, 2001, Barbara Conrad, Prehn, L.P. and Wachtell, L.P. (collectively, "the Shareholders") acquired 7,800,000 shares of common stock of the Registrant, constituting approximately 69% of the issued and outstanding shares of common stock of the Registrant. In addition, the Registrant anticipates issuing an additional 2,200,000 shares of its common stock to the Shareholders. See "Item 2. Acquisition or Disposition of Assets," below.

Item 2. Acquisition or Disposition of Assets

On April 13, 2001, the Registrant completed its previously announced acquisition of all of the outstanding securities of HomeAccess MicroWeb, Inc.

## Edgar Filing: GROUP LONG DISTANCE INC - Form 8-K

("HomeAccess"), a subsidiary of Quentra Networks, Inc. A Form 8-K with regard to this acquisition had previously been filed with the Securities and Exchange Commission on February 1, 2001.

In connection with the acquisition, the Registrant delivered cash in the amount of \$100,000 and 200,000 shares of a new Series A Preferred Stock. The Series A Preferred Stock has a liquidation preference of \$20 per share, does not pay any dividends or have any voting rights, and can be converted into shares of the Registrant's common stock on the basis of one share of Series A Preferred Stock for ten shares of common stock.

Separately, on April 13, 2001, the Registrant acquired from the Shareholders 80% of the outstanding shares of common stock of HA Technology, Inc. in exchange for 7,800,000 shares of common stock of the Registrant. HA Technology holds a license to market and distribute HomeAccess (TM) technology in certain geographic areas.

Simultaneously with the acquisition, the Registrant entered into an agreement pursuant to which it agreed to acquire the remaining 20% of the outstanding shares of common stock of HA Technology, Inc. in exchange for 2,200,000 shares of common stock of the Registrant. The acquisition by the Registrant of the remaining 20% of the outstanding shares of common stock of HA Technology, Inc. is subject to certain conditions, including an increase in the number of authorized shares of common stock of the Registrant.

As a result of the acquisition, the Shareholders now hold a majority of the outstanding shares of Common Stock of the Registrant, and a "change in control" of the Registrant has occurred. Jerry Conrad, the husband of Barbara Conrad, has been named the Chairman of the Board and Chief Executive Officer of the Registrant, Glenn Koach remains as the President and Chief Operating Officer of the Registrant and Peter Wachtell has been named as a member of the Board of Directors of the Registrant.

### Item 7. Financial Statements, Pro Forma Financial Information and Exhibits
