EXPLANATORY NOTE

AmeriResource Technologies, Inc., a Delaware corporation (which may hereafter be referred to as "we", "us", or "our(s)"), previously registered Five Hundred Twenty Five Million (525,000,000) shares of its common stock for issuance under the 2001 Stock Option Plan of AmeriResource Technologies, Inc. and amendments thereto.

On September 9, 2004, our board of directors adopted an amended 2001 Stock Option Plan of AmeriResource Technologies, Inc. ("Amended Plan") and authorized for issuance thereunder an additional One Hundred Fifty Million (150,000,000) shares of our common stock which we are now registering.

PART 1

In accordance with the rules and Regulations of the Securities and Exchange Commission (the "Commission") and the instructions to Form S-8, certain documents are not being filed with the Commission either in part of this Registration Statement or as Prospectuses or Supplements pursuant to Rule 424 under the Securities Act.

PART II INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The contents of our registration statements on Form S-8 as filed with the Commission on May 17, 2001, November 26, 2001, June 4, 2002, May 1, 2003, August 29, 2003, December 10, 2003, April 20, 2004, and July 9, 2004 are hereby incorporated by reference.

Additionally, the following documents filed by us with the Commission are hereby incorporated herein by reference:

1. Our Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003.
2. All reports filed by us with the Commission pursuant to Section 13(a) or 15(d) of the Exchange Act of 1934, as amended (the "Exchange Act"), since the end of the fiscal year ended December 31, 2003.
3. The description and specimen certificate of our common stock, par value \$0.0001 ("Common Stock"), contained in our registration statement under the Exchange Act, including any amendment or report filed for the purpose of updating such description.

Prior to the filing, if any, of a post-effective amendment that indicates that all securities covered by this Form S-8 have been sold or that de-registers all such securities then remaining unsold, all reports and other documents subsequently filed by us pursuant to Sections 13(a), 13(c), 14, or 15(d) of the 1934 Act shall be deemed to be incorporated by reference herein and to be a part hereof from the date of the filing of such reports and documents.

Item 4. Description of Securities.

The Common Stock being registered pursuant to this registration statement is part of a class of securities registered under Section 12 of the Exchange Act. A description of such securities is contained in the Company's registration statement under the Exchange Act, and is incorporated herein by reference.

Item 5. Interests of Named Experts and Counsel.

No expert is named as preparing or certifying all or part of the registration statement to which this prospectus pertains, and no counsel for the Company who is named in this prospectus as having given an opinion on the validity of the securities being offered hereby was hired on a contingent basis or has or is to receive, in connection with this offering, a substantial interest, direct or indirect, in us.

Item 6. Indemnification of Directors and Officers.

Our articles of incorporation and bylaws limit the liability of our directors to the fullest extent permitted by the Delaware General Corporation Law, section 145, or any other applicable provision. Generally, Delaware General Corporation Law permits the indemnification of officers, directors, employees and agents from any threatened, pending or completed action, suit or proceeding, whether civil or criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation and from judgments, expenses, fines, and settlements so long as such person was acting in good faith and in a manner the person reasonably believed to be in or not opposed to the best interest of the corporation, or had no reasonable cause to believe that such conduct was unlawful. In addition, our articles of incorporation provide that we will indemnify our directors and officers to the fullest extent permitted by such law. We believe that these provisions are necessary to attract and retain qualified directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and control persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the United States Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or control person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or control person, we will, unless in the opinion of counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act of 1933, as amended, and we will be governed by the final adjudication of such issue.

Item 7. Exemption From Registration Claimed.

Not Applicable.

Item 8. Exhibits.

Reference is hereby made to the Exhibit Index, below.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and each filing of the Plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
