Item 8.01 Other Events.

On March 1, 2007, Maxim Integrated Products, Inc. (the "Company") was informed by the Nasdaq Listing and Hearing Review Council (the "Listing Council") that it had determined to call the Nasdaq Listing Qualifications Panel's (the "Panel") January 19, 2007 decision (the "Panel Decision") for review, as contemplated by Nasdaq Marketplace Rule 4807(b), and had also stayed any future action by the Panel to suspend the Company's securities from trading on Nasdaq pending further review by the Listing Council. The Listing Council's action was in response to the Company's request for it to review the Panel Decision. The Company may submit additional information for the Listing Council's consideration by May 4, 2007.

The Company is diligently working on the restatement of certain historical financial statements following receipt of the results of a review of certain past stock option grants and practices by a Special Committee of the Board of Directors. At this time, the Company is unable to predict the amount of such restatement or when such restatement will be completed. In addition, the Company expects that it will be unable to file its quarterly report on Form 10-Q for the period ended March 24, 2007 by the deadline for this report since certain information included in such financial statements is dependent upon finalizing the restated financial statements.
