INTRODUCTION

This proxy statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of stockholders of Capital Gold Corporation (“Capital Gold,” the “Company,” “We” or “Us”) to be held on Wednesday, February 21, 2007, and at any adjournments. The accompanying proxy is solicited by our Board of Directors and is revocable by the stockholder by notifying our Corporate Secretary at any time before it is voted, or by voting in person at the Annual Meeting. This proxy statement and accompanying proxy will be distributed to stockholders beginning on or about January 22, 2007. Our principal executive offices are located at 76 Beaver Street, 26th Floor, New York, NY 10005, telephone (212) 344-2785.

OUTSTANDING SHARES AND VOTING RIGHTS

RECORD DATE; OUTSTANDING SHARES

Only stockholders of record at the close of business on December 29, 2006, the record date, are entitled to receive notice of, and vote at the Annual Meeting. As of the record date, the number and class of stock outstanding and entitled to vote at the meeting was 134,085,854 shares of common stock, par value \$.0001 per share. Each share of common stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The eight nominees receiving the highest number of votes cast by the holders of common stock represented and voting at the meeting will be elected as our directors and constitute our entire Board of directors. The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting at which a quorum is present is necessary for approval of Proposals 2, 5 and 6. The affirmative vote of at least a majority of the outstanding shares entitled to vote at the Annual Meeting at which a quorum is present is necessary for approval of Proposals 3 and 4.

REVOCABILITY OF PROXIES

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with our the corporate secretary of Capital Gold at its principal offices, 76 Beaver Street, 26th Floor, New York, NY 10005, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

VOTING AND SOLICITATION

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize Gifford A. Dieterle and Jeffrey W. Pritchard and each of them to represent you and vote your shares at the meeting in accordance with your instructions. Messrs. Dieterle and Pritchard and each of them may also vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournment or postponement of the meeting.

Capital Gold has borne the cost of preparing, assembling and mailing this proxy solicitation material. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to beneficial owners. Proxies may be solicited by certain of our directors, officers and employees, without additional compensation, personally, by telephone or by facsimile.

ADJOURNED MEETING

The chair of the meeting may adjourn the meeting from time to time to reconvene at the same or some other time, date and place. Notice need not be given of any such adjournment meeting if the time, date and place thereof are announced at the meeting at which the adjournment is taken. If the time, date and place of the adjournment meeting are not announced at the meeting which the adjournment is taken, then our Secretary shall give written notice of the time, date and place of the adjournment meeting not less than ten (10) days prior to the date of the adjournment meeting. Notice of the adjournment meeting also shall be given if the meeting is adjourned in a single adjournment to a date more than 30 days after the original date fixed for the meeting or if a new record date for the adjourned meeting is fixed.

TABULATION OF VOTES

The votes will be tabulated and certified by our transfer agent.

VOTING BY STREET NAME HOLDERS

If you are the beneficial owner of shares held in “street name” by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to “discretionary” items but will not be permitted to vote the shares with respect to “non-discretionary” items (in which case, the shares will be treated as “broker non-votes”).

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of common stock entitled to vote at the Annual Meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the Annual Meeting with respect to such matter.

Proxies marked “abstain” will be counted as shares present for the purpose of determining the presence of a quorum. For purposes of determining the outcome of a proposal, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Broker “non-votes” occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received voting instructions from the beneficial owner. Broker “non-votes” will be counted as shares present for purposes of determining the presence of a quorum. However, broker “non-votes” will not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Where a proposal, such as approval of the amendments to our Certificate of Incorporation, requires the vote of a majority of the shares entitled to vote rather than a majority of the votes present and voting at a meeting, the general effect of a broker “non-vote” is a vote against the proposal.

MEETINGS AND COMMITTEES OF THE BOARD

The Board of Directors is responsible for the management and direction of our company and for establishing broad corporate policies. A primary responsibility of the Board is to provide effective governance over our affairs for the benefit of our stockholders. In all actions taken by the Board, the Directors are expected to exercise their business judgment in what they reasonably believe to be the best interests of our company. In discharging that obligation, Directors may rely on the honesty and integrity of our senior executives and our outside advisors and auditors.

The Board of Directors and the Audit Committee of the Board meet periodically throughout the year to receive and discuss operating and financial reports presented by our executive officers as reports by experts and other advisors. The Board held three meetings during the fiscal year ended July 31, 2006 in person and telephonically, and acted by unanimous written consent on 16 occasions. All directors other than Robert Roningen attended all of these meetings. Mr. Roningen attended one of these meetings. Directors are expected to attend the Annual Meeting absent unusual circumstances, although we have no formal policy on the matter.

In fiscal 2006, the non-employee members of the Board of Directors did not meet in executive session, i.e. with no employee Directors or management personnel present.

Our Board of Directors has no standing nominating or compensation committees because these functions are handled by the Board of Directors. Nominees to the Board of Directors are selected by the Board of Directors based on current business and industry knowledge as well as general business knowledge.

Audit Committee and Audit Committee Expert.

The Audit Committee of our Board of Directors consists of Ian A. Shaw, Committee Chairman, John Postle and Mark T. Nesbitt. The Board of Directors has determined that all three members are independent directors as (i) defined in Rule 10A-3(b)(1)(ii) under the Securities Exchange Act of 1934 (the "Exchange Act") and (ii) under Section 121B(2)(a) of the AMEX Company Guide (although our securities are not listed on the American Stock Exchange or any other national exchange).

Mr. Shaw serves as the financial expert as defined in Securities and Exchange Commission rules on the committee. We believe Messrs. Shaw, Postle and Nesbitt to be independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of this committee. The principal functions of the Audit Committee are to (i) assist the Board in fulfilling its oversight responsibility relating to the annual independent audit of our consolidated financial statements, the engagement of the independent registered public accounting firm and the evaluation of the independent registered public accounting firm's qualifications, independence and performance (ii) prepare the reports or statements as may be required by the securities laws, (iii) assist the Board in fulfilling its oversight responsibility relating to the integrity of our financial statements and financial reporting process and our system of internal accounting and financial controls, (iv) discuss the financial statements and reports with management, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management, and (vi) review disclosures by independent accountants concerning relationships with us and the performance of our independent accountants.

The Audit Committee Charter is attached to this proxy statement as Annex A.

Audit Committee Report.

The primary responsibility of the Audit Committee (the “Committee”) is to assist the Board of Directors in discharging its oversight responsibilities with respect to financial matters and compliance with laws and regulations. The primary methods used by the Committee to fulfill its responsibility with respect to financial matters are:

- To appoint, evaluate, and, as the Committee may deem appropriate, terminate and replace Capital Gold’s independent registered public accountants;
- To monitor the independence of Capital Gold’s independent registered public accountants;
- To determine the compensation of Capital Gold’s independent registered public accountants;
- To pre-approve any audit services, and any non-audit services permitted under applicable law, to be performed by Capital Gold’s independent registered public accountants;
- To review Capital Gold’s risk exposures, the adequacy of related controls and policies with respect to risk assessment and risk management;
- To monitor the integrity of Capital Gold’s financial reporting processes and systems of control regarding finance, accounting, legal compliance and information systems;
- To facilitate and maintain an open avenue of communication among the Board of Directors, management and Capital Gold’s independent registered public accountants.

The Audit Committee is composed of three Directors, and the Board has determined that each of those Directors is independent as that term is (i) defined in Rule 10A-3(b)(1)(ii) under the Securities Exchange Act of 1934 (the “Exchange Act”) and (ii) under Section 121B(2)(a) of the AMEX Company Guide (although our securities are not listed on the American Stock Exchange or any other national exchange).

The Committee met one time telephonically in fiscal 2006. All committee members were present at the meeting.

In discharging its responsibilities relating to internal controls, accounting and financial reporting policies and auditing practices, the Committee discussed with Capital Gold’s independent registered public accountants, Wolinetz, Lafazan & Company, P.C., the overall scope and process for its audit. The Committee has met with Wolinetz, Lafazan & Company, P.C., with and without management present, to discuss the results of its examinations and the overall quality of Capital Gold’s financial reporting.

The Committee has discussed with Wolinetz, Lafazan & Company, P.C. its judgments about the quality, in addition to the acceptability, of the Capital Gold’s accounting principles as applied in Capital Gold’s financial reporting, as required by Statement on Auditing Standards No. 90 “Communications with Audit Committees.”

The Committee also has received a letter from Wolinetz, Lafazan & Company, P.C. that is required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed with Wolinetz, Lafazan & Company, P.C. their independence.

The Committee has met and held discussions with management. The Committee has reviewed and discussed with management Capital Gold's audited consolidated financial statements as of and for the fiscal years ended July 31, 2006 and 2005.

Based on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements referred to above be included in Capital Gold's Annual Report for the year ended July 31, 2006.

This report is respectfully submitted by the members of the Audit Committee of the Board of Directors.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Wolinetz, Lafazan & Company, P.C. ("WL") as our independent registered public accountants for the fiscal year ending July 31, 2007 subject to ratification by the stockholders.

WL audited our financial statements for the years ended July 31, 2006 and 2005. All audit and professional services provided by WL, will be approved in advance by the Audit Committee to assure such services do not impair the auditor's independence from us. The total aggregate fees billed by WL were \$135,000 and \$62,000 for the fiscal years ended July 31, 2006 and 2005, respectively. The following table shows the detailed fees billed to us by WL for professional services rendered during these fiscal years.

Description of Fees	Amount (\$)	
	2006	2005
Audit Fees	\$ 128,000	\$ 55,000
Audit-Related Fees	-	-
Tax Fees	7,000	7,000
All Other Fees	-	-
Total	\$ 135,000	\$ 62,000

Audit Fees

Represents fees for professional services provided for the audit of our annual financial statements, services that are performed to comply with generally accepted auditing standards, and review of our financial statements included in our quarterly reports and services in connection with statutory and regulatory filings.

Audit-Related Fees

Represents the fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements.

The Audit Committee will pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwriting) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor; provided, however, the pre-approval requirement is waived with respect to the provisions of non-audit services for us if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision. The Audit Committee may review and approve the scope and staffing of the independent auditors' annual audit plan.

Tax Fees

This represents professional services rendered for tax compliance, tax advice and tax planning.

All Other Fees

WL was paid no other fees for professional services during the fiscal years ended July 31, 2006 and 2005.

The Board of Directors considers WL to be well qualified to serve as our independent public accountants.

Representatives of WL will be available telephonically at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Required Vote and Recommendation

The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting is necessary for approval of Proposal 2.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 2 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION INCREASING THE AUTHORIZED COMMON STOCK FROM 200,000,000 SHARES TO 250,000,000 SHARES

Our Board of Directors, subject to approval of our stockholders, authorized an amendment to our Certificate of Incorporation to increase the number of our authorized shares of common stock from 200,000,000 to 250,000,000. If this proposal is approved by our stockholders, we will file an amendment to our Certificate of Incorporation with the Delaware Secretary of State. A copy of that amendment is attached hereto as Annex B. The Board believes such action to be in our best interests for the reasons set forth below.

As of December 29, 2006, we had approximately 134,085,854 shares of common stock outstanding and approximately 43,880,727 shares reserved for future issuance under outstanding options, warrants and our 2006 Equity Incentive Plan, leaving only approximately 22,033,419 shares of common stock available for future issuances.

Our Board of Directors believes that the proposed increase in authorized common shares will benefit the Company by providing flexibility to issue common stock for a variety of business and financial objectives in the future without the necessity of delaying such activities for further stockholder approval, except as may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or national securities association trading system on which our securities may be listed or quoted.

Should stockholders approve the 2006 Equity Incentive Plan, we anticipate that we will reserve up to approximately 9,000,000 of these shares for issuance under that Plan. Aside from the foregoing, we have no arrangements, understandings, agreements or commitments at this time with respect to the issuance of the new shares that would be authorized if this proposal is approved.

This amendment and the creation of additional shares of authorized common stock will not alter the current number of issued shares or change the relative rights and limitations of the shares of common stock. The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, any issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of common stock. In addition, our Board of Directors could issue large blocks of common stock to fend off unwanted tender offers or hostile takeovers without further stockholder approval.

Required Vote and Recommendation

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date eligible to vote is necessary for approval of Proposal 3.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 3 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE “FOR” APPROVAL THEREOF.

PROPOSAL 4

APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO AUTHORIZE 1,000,000 SHARES OF PREFERRED STOCK

Our Board of Directors, subject to approval of our stockholders, authorized an amendment to our Certificate of Incorporation to authorize 1,000,000 shares of preferred stock, \$.0001 par value. If this proposal is approved by our stockholders, we will file an amendment to our Certificate of Incorporation with the Delaware Secretary of State. A copy of that amendment is attached hereto as Annex B. The Board believes such action to be in our best interests for the reasons set forth below.

The preferred stock to be authorized is commonly referred to as “blank check” preferred stock (“Blank Check Preferred”) because the preferred stock would have such voting rights, designations, preferences, and relative, participating, option and conversion or other special rights, and such qualifications, limitations or restrictions, as the Board of Directors may designate for each series issued from time to time. As such, the Blank Check Preferred would be available for issuance without further action by our stockholders, except as may be required by applicable law or pursuant to the requirements of the Toronto Stock Exchange (“TSX”) or any exchange upon which our securities are then trading.

The Board of Directors believes that the creation of the Blank Check Preferred is advisable and in the best interests of us and our stockholders because it would permit the Board of Directors to issue such stock without stockholder approval and, thereby, provide us with maximum flexibility in structuring acquisitions, joint ventures, strategic alliances, capital-raising transactions and for other corporate purposes. The Blank Check Preferred would enable us to respond promptly to and take advantage of market conditions and other favorable opportunities without incurring the delay and expense associated with calling a special stockholders’ meeting to approve a contemplated stock issuance.

We do not view this Amendment to our Certificate of Incorporation as part of any “anti-takeover” strategy and we are not advancing it as the result of any known effort by any party to accumulate additional shares of our common stock or to obtain voting control of us. However, the issuance of shares of Blank Check Preferred could, under certain circumstances, have an anti-takeover effect. For example, in the event of a hostile takeover attempt, it may be possible for management and the Board to endeavor to impede the attempt by issuing shares of Blank Check Preferred, thereby diluting or impairing the voting power of the other outstanding shares of common stock or Blank Check Preferred and increasing the potential costs to acquire control of us. We may issue Blank Check Preferred without first offering them to holders of our common stock, as the holders of common stock have no preemptive rights.

The actual effect of the issuance of any shares of Blank Check Preferred upon the rights of holders of the common stock cannot be stated until the Board determines the specific rights of the holders of such Blank Check Preferred. However, the effects might include, among other things,

- restricting dividends on the common stock,
- diluting the voting power of the common stock,
- reducing the market price of the common stock, or
- impairing the liquidation rights of the common stock, without further action by the stockholders.

We currently have no arrangements, understandings, agreements or commitments with respect to the issuance of the Blank Check Preferred, and we may never issue any Blank Check Preferred.

Required Vote and Recommendation

The affirmative vote of at least a majority of the issued and outstanding shares as of the record date eligible to vote is necessary for approval of Proposal 4.

THE BOARD OF DIRECTORS DEEMS PROPOSAL 4 TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE “FOR” APPROVAL THEREOF.

PROPOSAL 5

APPROVAL OF THE 2006 EQUITY INCENTIVE PLAN

We are submitting the Capital Gold Corporation 2006 Equity Incentive Plan (the "Equity Incentive Plan") to the stockholders for approval at the Annual Meeting.

The Equity Incentive Plan is intended to attract and retain individuals of experience and ability, to provide incentive to our employees, consultants, and non-employee directors, to encourage employee and director proprietary interests in us, and to encourage employees to remain in our employ. The Equity Incentive Plan is conditioned upon approval by our stockholders. The purposes of obtaining stockholder approval include qualifying the Equity Incentive Plan under the Internal Revenue Code (the "Code") for the granting of incentive stock options; meeting the requirements for tax-deductibility of certain compensation items under Section 162(m) of the Code; and meeting the requirements of the TSX applicable to the Equity Incentive Plan.

The following general description of certain features of the Equity Incentive Plan is qualified in its entirety by reference to the Equity Incentive Plan, which is attached as Annex C. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Equity Incentive Plan.

The Equity Incentive Plan authorizes the grant of non-qualified and incentive stock options, stock appreciation rights and restricted stock awards (each, an "Award"). A maximum of 10,000,000 shares of common stock will be reserved for potential issuance pursuant to Awards under the Equity Incentive Plan, representing approximately 7.5% of the number of outstanding shares of our common stock as of the Record Date. Unless sooner terminated, the Equity Incentive Plan will continue in effect for a period of 10 years from its effective date.

1 We have only reserved 1,000,000 shares for issuance under the Plan at this time. We will increase the number of shares reserved for issuance under the Plan as more shares become available from, among other things, expired warrants or approval of an increase in our authorized shares of common stock at the Annual Meeting as set forth in Proposal 3 above.

The Equity Incentive Plan is administered by our Board of Directors or a committee thereof. The Equity Incentive Plan provides for Awards to be made to such of our employees, directors and consultants and our affiliates as the Board may select. As of the date hereof, 450,000 options have been granted under the Equity Incentive Plan to two of our officers and our Canadian counsel, representing approximately 0.3% of the number of outstanding shares of our common stock as of the Record Date. These options cannot be exercised unless and until they are approved by the TSX and our stockholders.

Stock options awarded under the Equity Incentive Plan may vest and be exercisable at such times (not later than 10 years after the date of grant) and at such exercise prices (not less than Fair Market Value at the date of grant) as the Board may determine. Unless otherwise determined by the Board, stock options shall not be transferable except by will or by the laws of descent and distribution. The Board may provide for options to become immediately exercisable upon a "change in control," which is defined in the Equity Incentive Plan to occur in the event one or more persons acting individually or as a group:

- (i) acquires sufficient additional stock to constitute more than 50% of (A) the total Fair Market Value of all common stock issued and outstanding or (B) the total voting power of all shares of capital stock authorized to vote for the election of directors;
- (ii) acquires, in a 12-month period, 35% or more of the voting power of all shares of capital stock authorized to vote for the election of directors, or alternatively a majority of the members of the board is replaced during any 12-month period by directors whose appointment was not endorsed by a majority of the members of the board; or
- (iii) acquires, during a 12-month period, more than 40% of the total gross Fair Market Value of all of our assets.

The exercise price of an option must be paid in cash. No options may be granted under the Equity Incentive Plan after the tenth anniversary of its effective date. Unless the Board determines otherwise:

- (i) the options shall provide that, in the event a Participant's continuous service to us terminates, the options will terminate either immediately or within a specified period after continuous service terminates, depending upon the cause of such termination; and
- (ii) the options will be transferable only by will or the laws of descent and distribution.

The following limits apply to grants of Awards under this Equity Incentive Plan: (i) the maximum number of shares of common stock which may be reserved for issuance to all directors, officers and ten percent stockholders, in the aggregate, under the Equity Incentive Plan, together with any other security-based compensation arrangement, shall not, at any time, exceed 10% of the outstanding shares of common stock on a non-diluted basis; and (ii) the maximum number of shares of common stock which may be issued to all directors, officers and ten percent stockholders, in the aggregate, under the Equity Incentive Plan, together with any other security-based compensation arrangement, within any one year period, shall not exceed ten percent (10%) of the outstanding shares of common stock on a non-diluted basis.

Unless otherwise provided in an option agreement, in the event an optionholder's continuous service terminates (other than upon the optionholder's death, disability, retirement or as a result of a Change of Control), all options held by the optionholder shall immediately terminate; provided, however, that an option agreement may provide that if an optionholder's continuous service is terminated for reasons other than for cause, all vested options held by such person shall continue to be exercisable until the earlier of the expiration date of such option or 180 days after the date of such termination. All such vested options not exercised within the period described in the preceding sentence shall terminate.

Stock appreciation rights (“SARS”) awarded under the Equity Incentive Plan may be granted:

- (i) in connection and simultaneously with the grant of another Award;
- (ii) with respect to a previously granted Award; or

(iii) independent of another Award. SARS to receive in shares of common stock the excess of the Fair Market Value of common stock on the date the rights are surrendered over the Fair Market Value of common stock on the date of grant may be granted to any Employee, Director or Consultant selected by the Board.

The Board may, in its discretion and on such terms as it deems appropriate, require as a condition of the grant of a SAR that the Participant surrender for cancellation some or all of the Awards previously granted to such person under the Equity Incentive Plan or otherwise. A SAR, the grant of which is conditioned upon such surrender, may have an exercise price lower (or higher) than the exercise price of the surrendered Award, may contain such other terms as the Board deems appropriate, and shall be exercisable in accordance with its terms, without regard to the number of shares, price, exercise period or any other term or condition of such surrendered Award upon sale of the common stock.

Restricted stock awarded under the Equity Incentive Plan may be granted on such terms and conditions as the Board may determine. The terms and conditions of restricted stock Award Agreements may change from time to time, and the terms and conditions of separate restricted stock Award Agreements need not be identical. Each restricted stock Award Agreement:

- (i) may be awarded in consideration for past services actually rendered, or for future services to be rendered, to us or an Affiliate for its benefit;
- (ii) may be subject to a vesting schedule to be determined by the Board, or be fully vested at the time of grant;
- (iii) shall provide that, unless otherwise provided in the restricted stock Award Agreement, in the event a Participant’s continuous service to us terminates for cause prior to a vesting date set forth in the restricted stock Award Agreement, any unvested restricted stock Award shall be forfeited; and
- (iv) unless otherwise provided for therein, shall not be transferable.

The following is a brief summary of certain of the U.S. federal income tax consequences of certain transactions under the Equity Incentive Plan based on federal income tax laws in effect as of the date of this proxy. This summary applies to the Equity Incentive Plan as normally operated and is not intended to provide or supplement tax advice to eligible employees. The summary contains general statements based on current U.S. federal income tax statutes, regulations and currently available interpretations thereof. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences or the effect, if any, of gift, estate and inheritance taxes.

Under current federal laws, in general, recipients of grants of nonqualified stock options and restricted stock awards under the Equity Incentive Plan are taxed upon their actual or constructive receipt of common stock with respect to such awards or grants (i.e., upon exercise of nonqualified stock options and upon vesting of the restricted stock). Subject to Section 162(m) of the Code and certain reporting requirements, we would receive an income tax deduction with respect to the amount of ordinary income recognized by the participant. Under Sections 421 and 422 of the Code, recipients of incentive stock options are generally not taxed on their receipt of common stock upon the exercise of incentive stock options, if they hold the common stock for specified minimum holding periods; therefore, we would not receive an income tax deduction unless a participant failed to satisfy the minimum holding periods. Assuming the required holding periods are met, an incentive stock option recipient would recognize a capital gain.

The Equity Incentive Plan is also structured to comply with the requirements imposed by Section 162(m) of the Code and related regulations in order to preserve, to the extent practicable, our tax deduction for awards made under our Equity Incentive Plan to covered employees. Section 162(m) of the Code generally denies an employer a deduction for compensation in excess of \$1,000,000 paid to covered employees of a publicly held corporation (generally the named executive officers), unless the compensation is exempt from the \$1,000,000 limitation because it is performance-based compensation.

Participants may elect, under Section 83(b) of the Code, within 30 days of a grant of restricted stock, to recognize taxable ordinary income on the date of grant, rather than on the date of vesting. If a participant makes an election under Section 83(b), the holding period will commence on the date of grant, the participant's tax basis will equal the fair market value of the shares on the grant date (determined without regard to restrictions), and we will be entitled to a deduction equal to the amount that is taxable as ordinary income to the participant.

The Board has the general power to amend the Equity Incentive Plan in any respect. However, except for certain adjustments upon changes in common stock, no amendment shall be effective unless approved by our stockholders to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code, Rule 16b-3 of the Exchange Act or any applicable TSX and/or other applicable securities exchange listing requirements. The Board may, in its sole discretion, submit any other amendment to the Equity Incentive Plan for stockholder approval, including, but not limited to, amendments to the Equity Incentive Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers. The Board may amend the Equity Incentive Plan in any respect it deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Equity Incentive Plan and/or Incentive Stock Options granted under it into compliance therewith. Rights under any Award granted before amendment of the Equity Incentive Plan cannot be impaired by any amendment of the Equity Incentive Plan unless the Participant consents in writing. The Board is empowered to amend the terms of any one or more Awards; provided, however, that the rights under any Award shall not be impaired by any such amendment unless the applicable Participant consents in writing and further provided that the Board cannot amend the exercise price of an option, the Fair Market Value of an Award or extend the term of an Option or Award without obtaining the approval of the stockholders if required by the rules of the TSX or any stock exchange upon which the common stock is listed.

New Benefits to Named Executive Officers and Others

As of the date of this proxy statement, the following awards have been granted under the Equity Incentive Plan: 250,000 Options to John Brownlie, our Vice President of Operations; 100,000 Options to Christopher Chipman, our Chief Financial Officer; and 100,000 Options to a legal consultant. All of these options are exercisable for a period of two years at a price of \$0.36 per share. We do not contemplate granting any other Awards at this time. The Board will have sole discretion regarding Awards to be made under the Equity Incentive Plan. Therefore, we cannot determine at this time the benefits or amounts that will be received by any individual or group pursuant to the Equity Incentive Plan in the future, or the benefits or amounts that would have been received by any individuals or groups for the last completed fiscal year if the Equity Incentive Plan had been in effect.

Employment and Change of Control Agreements

Effective July 31, 2006, we entered into employment agreements with the following executive officers: Gifford A. Dieterle, our President and Treasurer, Roger A. Newell, our Vice President of Development, Jack V. Everett, our Vice President of Exploration, and Jeffrey W. Pritchard, our Vice President of Investor Relations. On December 5, 2005, effective January 1, 2007, we entered into an employment agreement with J. Scott Hazlitt, our Vice President of Mine Development.

The agreements run for a period of three years and automatically renew for successive one-year periods unless we or the executive provides the other party with written notice of our or his intent not to renew at least 30 days prior to the expiration of the then current employment period.

Mr. Dieterle is entitled to a base annual salary of at least \$180,000, Mr. Hazlitt is entitled to a base annual salary of at least \$105,000 and each of the other executives is entitled to a base annual salary of at least \$120,000. Each executive is entitled to a bonus or salary increase in the sole discretion of our board of directors. In addition, Messrs. Dieterle, Newell, Everett and Pritchard each received two year options to purchase an aggregate of 250,000 shares of our common stock at an exercise price of \$0.32 per share (the closing price on July 31, 2006).

We have the right to terminate any executive's employment for cause or on 30 days' prior written notice without cause or in the event of the executive's disability (as defined in the agreements). The agreements automatically terminate upon an executive's death. "Cause" is defined in the agreements as (1) a failure or refusal to perform the services required under the agreement; (2) a material breach by executive of any of the terms of the agreement; or (3) executive's conviction of a crime that either results in imprisonment or involves embezzlement, dishonesty, or activities injurious to us or our reputation. In the event that we terminate an executive's employment without cause or due to the disability of the executive, the executive will be entitled to a lump sum severance payment equal to one month's salary, in the case of termination for disability, and up to 12 month's salary (depending upon years of service), in the case of termination without cause.

Each executive has the right to terminate his employment agreement on 60 days' prior written notice or, in the event of a material breach by us of any of the terms of the agreement, upon 30 days' prior written notice. In the event of a claim of material breach by us of the agreement, the executive must specify the breach and our failure to either (i) cure or diligently commence to cure the breach within the 30 day notice period, or (ii) dispute in good faith the existence of the material breach. In the event that an agreement terminates due to our breach, the executive is entitled to severance payments in equal monthly installments beginning in the month following the executive's termination equal to three month' salary plus one additional month's salary for each year of service to us. Severance payments cannot exceed 12 month's salary.

In conjunction with the employment agreements, our board of directors deeming it essential to the best interests of our stockholders to foster the continuous engagement of key management personnel and recognizing that, as is the case with many publicly held corporations, a change of control might occur and that such possibility, and the uncertainty and questions which it might raise among management, might result in the departure or distraction of management personnel to the detriment of our company and our stockholders, determined to reinforce and encourage the continued attention and dedication of members of our management to their engagement without distraction in the face of potentially disturbing circumstances arising from the possibility of a change in control of our company, we entered into identical agreements regarding change in control with the executives. Each of the agreements regarding change in control continues through December 31, 2009 (December 31, 2010 for Mr. Hazlitt) and extends automatically to the third anniversary thereof unless we give notice to the executive prior to the date of such extension that the agreement term will not be extended. Notwithstanding the foregoing, if a change in control occurs during the term of the agreements, the term of the agreements will continue through the second anniversary of the date on which the change in control occurred. Each of the agreements entitles the executive to change of control benefits, as defined in the agreements and summarized below, upon his termination of employment with us during a potential change in control, as defined in the agreements, or after a change in control, as defined in the agreements, when his termination is caused (1) by us for any reason other than permanent disability or cause, as defined in the agreement (2) by the executive for good reason as defined in the agreements or, (3) by the executive for any reason during the 30 day period commencing on the first date which is six months after the date of the change in control. Each executive would receive a lump sum cash payment of three times his base salary and outplacement benefits. Each agreement also provides that the executive is entitled to a payment to make him whole for any federal excise tax imposed on change of control or severance payments received by him.

In May 2006, we entered into an employment agreement with John Brownlie, pursuant to which Mr. Brownlie serves as Vice President Operations. Mr. Brownlie receives a base annual salary of \$150,000 and is entitled to annual bonuses. Upon his employment, he received options to purchase an aggregate of 200,000 shares of our common stock at an exercise price of \$.32 per share. 50,000 options vested immediately and the balance vest upon our achieving "Economic Completion" as that term will be defined in the loan agreement with Standard Bank plc (when we have commenced mining operations and have been operating at anticipated capacity for 60 to 90 days). The term of the options is two years from the date of vesting. The agreement runs for an initial two year period and automatically renews thereafter for additional one year periods unless terminated by either party within 30 days of a renewal date. We can terminate the agreement for cause or upon 30 days notice without cause. Mr. Brownlie can terminate the agreement upon 60 days notice without cause or, if there is a breach of the agreement by us that is not timely cured, upon 30 days notice. In the event that we terminate him without cause or he terminates due to our breach, he will be entitled to certain severance payments.

Pursuant to a September 1, 2006 amended consulting agreement, Christopher Chipman is engaged as our Chief Financial Officer. Pursuant to the agreement, Mr. Chipman devotes approximately 50% of his time to our business. He receives a monthly fee of \$10,000. The agreement runs for an initial one year period, and is renewable thereafter for an additional year. Mr. Chipman can terminate the Agreement on 60 days notice. In conjunction with the amended consulting agreement, we entered into a change of control agreement similar to the agreements entered into with other executive officers; except that Mr. Chipman's agreement renews annually and his benefits are based upon one times his base annual fee.

In connection with the original engagement agreement with Mr. Chipman, in March 2006, Mr. Chipman received a two year option to purchase an aggregate of 50,000 shares of our common stock at an exercise price of \$.34 per share. The option vests at the rate of 10,000 shares per month. Notwithstanding the foregoing, the options are not exercisable unless and until the issuance of the options is approved by our stockholders.

No holder of Shares of Common Stock of the Corporation shall be entitled, as such, to any pre-emptive or preferential rights to subscribe to any unissued stock or any other securities which the Corporation may now or thereafter be authorized to issue. The Board of Directors of the Corporation may, however, at its discretion, by resolution determine that any unissued Shares of Common Stock of the Corporation shall be offered for subscription solely to the holders of Common Stock of the Corporation or solely to the holders of any class or classes of such stock, in such proportions based on stock ownership as said Board at its discretion may determine.

Each share of Common Stock shall be entitled to one vote at Stockholders meetings, either in person or by proxy. Cumulative voting in elections of directors and all other matters brought before stockholders meetings, whether they be annual or special, shall not be permitted.

The Board of Directors is hereby expressly granted authority to determine the classes and series of any Common Stock issued by the Corporation, each such series or class being distinctly designated, and to fix, by resolutions duly adopted prior to the issuance of any shares of a particular series or class of Common Stock, the relative rights and preferences pertaining thereto.

(C) Preferred Stock Generally.

Preferred Stock may be issued from time to time for such consideration as determined by the Board of Directors and in one or more series, each of such series to have such terms as stated or expressed in the resolution or resolutions providing for the issue of such series adopted by the Board of Directors of the Corporation as hereinafter provided. Any shares of Preferred Stock which may be redeemed, purchased or acquired by the Corporation may be reissued except as otherwise provided by law. Different series of Preferred Stock shall not be construed to constitute different classes of shares for the purposes of voting by classes unless expressly provided. All shares of any one series of the Preferred Stock shall be alike in every particular event except that there may be different dates from which dividends thereon, if any, shall be cumulative, if made cumulative. The powers, preferences and relative, participating, optional

and other rights of each series, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.

1

Authority is hereby expressly granted to the Board of Directors from time to time to issue the Preferred Stock in one or more series, and in connection with the creation of any such series, by resolution or resolutions providing for the issue of the shares thereof; to determine and fix such voting powers, full or limited, or no voting powers, and such designations, preferences and relative participating, optional or other special rights, and qualifications, limitations or restrictions thereof, if any, of such series, including without limitation thereof, dividend rights, conversion rights, redemption privileges and liquidation preferences, as shall be stated and expressed in such resolutions, all to the full extent now or hereafter permitted by the Delaware General Corporation Law. Without limiting the generality of the foregoing, the resolutions providing for issuance of any series of Preferred Stock may provide that such series shall be superior or rank equally or be junior to the Preferred Stock of any other series to the extent permitted by law. Except as otherwise provided in the Certificate of Incorporation, as amended hereby, no vote of the holders of the Preferred Stock or Common Stock shall be a prerequisite to the designation or issuance of any shares of any series of the Preferred Stock authorized by and complying with the conditions of the Certificate of Incorporation, as amended hereby, the right to have such vote being expressly waived by all present and future holders of the capital stock of the Corporation; provided, however, that the Board of Directors may provide in such resolution or resolutions adopted with respect to any series of Preferred Stock that the consent of the holders of a majority (or such greater proportion as shall be therein fixed) of the outstanding shares of such series voting thereon shall be required for the issuance of any or all other shares of Preferred Stock.”

SECOND: That thereafter, pursuant to resolution of its Board of Directors, an annual meeting of the stockholders of said Corporation was duly called and held upon notice in accordance with Section 222 of the Delaware General Corporation Law at which meeting the necessary number of shares as required by statute were voted in favor of the amendments.

THIRD: That said amendments were duly adopted in accordance with the provisions of Section 242 of Delaware General Corporation Law.

ADMINISTRATION.

Administration by Board. The Board shall administer the Plan unless and until the Board delegates administration to a Committee, as provided in subsection 3(c). The Board may, at any time and for any reason in its sole discretion, rescind some or all of such delegation.

Powers of Board. The Board shall have the power, subject to, and within the limitations of, the express provisions of the Plan:

To determine from time to time which of the persons eligible under the Plan shall be granted Awards; when and how each Award shall be granted; what type or combination of types of Award shall be granted; the provisions of each Award granted (which need not be identical), including the time or times when a person shall be permitted to receive Common Stock pursuant to an Award; and the number of shares of Common Stock with respect to which an Award shall be granted to each such person.

To construe and interpret the Plan, Awards granted under it, Option Agreements and Award Agreements, and to establish, amend and revoke rules and regulations for their administration. The Board, in the exercise of this power, may correct any defect, omission or inconsistency in the Plan or in any Option Agreement or Award Agreement, in a manner and to the extent it shall deem necessary or expedient to make the Plan fully effective.

To amend the Plan, an Award, an Award Agreement or an Option Agreement as provided in Section 12, *provided that* the Board shall not amend the exercise price of an option, the Fair Market Value of an Award or extend the term of an Option or Award without obtaining the approval of the stockholders if required by the rules of any stock exchange upon which the Common Stock is listed.

Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company which are not in conflict with the provisions of the Plan.

Delegation to Committee.

General. The Board may delegate administration of the Plan and its powers and duties thereunder to a Committee or Committees, and the term “**Committee**” shall apply to any person or persons to whom such authority has been delegated. Upon such delegation, the Committee shall have the powers theretofore possessed by the Board, including the power to delegate to a subcommittee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be deemed to include the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under this Plan, except respecting matters under Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, or any rules or regulations issued thereunder, which are required to be determined in

the sole discretion of the Committee.

4

Committee Composition. A Committee shall consist solely of two or more Independent Directors. Within the scope of its authority, the Board or the Committee may (1) delegate to a committee of one or more members of the Board who are not Independent Directors the authority to grant Awards to eligible persons who are either (a) not then Covered Employees and are not expected to be Covered Employees at the time of recognition of income resulting from such Award or (b) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code, and/or (2) delegate to a committee of one or more members of the Board who are not Independent Directors or to the Company's Chief Executive Officer the authority to grant Awards to eligible persons who are not then subject to Section 16 of the Exchange Act.

Effect of Board's Decision; No Liability. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons. No member of the Board or the Committee or any person to whom duties hereunder have been delegated shall be liable for any action, interpretation or determination made in good faith, and such persons shall be entitled to full indemnification and reimbursement consistent with applicable law and in the manner provided in the Company's Articles of Incorporation and Bylaws, as the same may be amended from time to time, or as otherwise provided in any agreement between any such member and the Company.

STOCK SUBJECT TO THE PLAN.

Stock Reserve. Subject to the provisions of Section 11 relating to adjustments upon changes in Common Stock, the shares of Common Stock that may be issued pursuant to Awards shall not exceed in the aggregate 10,000,000 shares of Common Stock.

Reversion of Stock to the Stock Reserve. If any Award shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, the shares of Common Stock not acquired under such Award shall revert to and again become available for issuance under the Plan.

Source of Stock. The Common Stock subject to the Plan may be unissued stock or reacquired stock, bought on the market or otherwise.

ELIGIBILITY.

Eligibility for Specific Awards. Incentive Stock Options may be granted only to Employees. Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants.

Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value of the Common Stock at the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

Limitations on Awards. The following limits apply to grants of Awards under this Plan: (i) the maximum number of shares of Common Stock which may be reserved for issuance to all directors, officers and Ten Percent Stockholders, in the aggregate, under this Plan, together with any other security-based compensation arrangement, shall not, at any time, exceed 10% of the outstanding shares of Common Stock on a non-diluted basis; and (ii) the maximum number of shares of Common Stock which may be issued to all directors, officers and Ten Percent Stockholders, in the aggregate, under this Plan, together with any other security-based compensation arrangement, within any one year period, shall not exceed ten percent (10%) of the outstanding shares of Common Stock on a non-diluted basis.

Consultants.

A Consultant shall not be eligible for the grant of an Award if, at the time of grant, a Form S-8 Registration Statement under the Securities Act (“**Form S-8**”) is not available to register a resale of the Company’s securities issued to such Consultant because of the nature of the services that the Consultant is providing to the Company, or because the Consultant is not a natural person, or as otherwise provided by the rules governing the use of Form S-8, unless the Board determines both (i) that such grant (A) shall be registered in another manner under the Securities Act (*e.g.*, on a Form S-3 Registration Statement) or (B) does not require registration under the Securities Act in order to comply with the requirements of the Securities Act, if applicable, and (ii) that such grant complies with the securities laws of all other relevant jurisdictions.

Form S-8 generally is available to consultants and advisors only if (i) they are natural persons; (ii) they provide bona fide services to the issuer, its parents, its majority-owned subsidiaries or majority-owned subsidiaries of the issuer's parent; and (iii) the services are not in connection with the offer or sale of securities in a capital-raising transaction, and do not directly or indirectly promote or maintain a market for the issuer's securities.

OPTION PROVISIONS.

Each Option Agreement shall be subject to the terms and conditions of this Plan. Each Option and Option Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonqualified Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for the shares of Common Stock purchased on exercise of each type of Option. The provisions of separate Options need not be identical.

Provisions Applicable to All Options.

Consideration. The purchase price of the shares of Common Stock acquired pursuant to an Option shall be paid in cash in Dollars at the time the Option is exercised.

Vesting Generally. An Option may (A) vest, and therefore become exercisable, in periodic installments that may, but need not, be equal, or (B) be fully vested at the time of grant. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Board or Committee may deem appropriate. The vesting provisions, if any, of individual Options may vary. The provisions of this subsection 6(a)(ii) are subject to any Option Agreement provisions governing the minimum number of Common Stock as to which an Option may be exercised.

Termination of Continuous Service. Unless otherwise provided in the Option Agreement, in the event an Optionholder's Continuous Service terminates (other than upon the Optionholder's death, Disability, retirement or as a result of a Change of Control), all Options held by the Optionholder shall immediately terminate; provided, however, that an Option Agreement may provide that if an Optionholder's Continuous Service is terminated for reasons other than for cause, all vested Options held by such person shall continue to be exercisable until the earlier of the expiration date of such Option or 180 days after the date of such termination. All such vested Options not exercised within the period described in the preceding sentence shall terminate.

Disability or Death of Optionholder. Unless otherwise provided in the Option Agreement, in the event of an Optionholder's Disability or death, all unvested Options shall immediately terminate, and all vested Options held by such person shall continue to be exercisable for 12 months after the date of such Disability or death. All such vested Options not exercised within such 12-month period shall terminate.

Retirement. Unless otherwise provided in the Option Agreement, in the event of the Optionholder's retirement, all unvested Options shall automatically vest on the date of such retirement and all Options shall be exercisable for the earlier of 24 months after such retirement date or the expiration date of such Options. All such Options not exercised within the period described in the preceding sentence shall terminate.

Provisions Applicable to Incentive Stock Options.

Term. Subject to the provisions of subsection 5(b) regarding Ten Percent Stockholders, no Incentive Stock Option shall be exercisable after the expiration of ten (10) years from the date it was granted. Further, no grant of an Incentive Stock Option shall be made under this Plan more than ten (10) years after the date the Plan is approved by the stockholders of the Company.

Exercise Price of an Incentive Stock Option. Subject to the provisions of subsection 5(b) regarding Ten Percent Stockholders, the exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.

Transferability of an Incentive Stock Option. An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder.

Incentive Stock Option \$100,000 Limitation. Notwithstanding any other provision of the Plan or an Option Agreement, the aggregate Fair Market Value of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Optionholder in any calendar year, under the Plan or any other option plan of the Company or its Affiliates, shall not exceed \$100,000. For this purpose, the Fair Market Value of the Common Stock shall be determined as of the time an Option is granted. The Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonqualified Stock Options.

Provisions Applicable to Nonqualified Stock Options.

Exercise Price of a Nonqualified Stock Option. The exercise price of each Nonqualified Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.

Transferability of a Nonqualified Stock Option. A Nonqualified Stock Option shall be transferable, if at all, to the extent provided in the Option Agreement. If the Option Agreement does not provide for transferability, then the Nonqualified Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder.

PROVISIONS OF AWARDS OTHER THAN OPTIONS.

Restricted Stock Awards. Each restricted stock Award Agreement shall be in such form and shall contain such restrictions, terms and conditions, if any, as the Board shall deem appropriate and shall be subject to the terms and conditions of this Plan. The terms and conditions of restricted stock Award Agreements may change from time to time, and the terms and conditions of separate restricted stock Award Agreements need not be identical, but each restricted stock Award Agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

Consideration. A restricted stock Award may be awarded in consideration for past services actually rendered, or for future services to be rendered, to the Company or an Affiliate for its benefit.

Vesting. Common Stock awarded under the restricted stock Award Agreement may (A) be subject to a vesting schedule to be determined by the Board, or (B) be fully vested at the time of grant.

Termination of Participant's Continuous Service. Unless otherwise provided in the restricted stock Award Agreement, in the event a Participant's Continuous Service terminates prior to a vesting date set forth in the restricted stock Award Agreement, any unvested restricted stock Award shall be forfeited and automatically transferred to and reacquired by the Company at no cost to the Company, and neither the Participant nor his or her heirs, executors, administrators or successors shall have any right or interest in the restricted stock Award. Notwithstanding the foregoing, unless otherwise provided in the restricted stock Award agreement, in the event a Participant's Continuous Service terminates as a result of (A) being terminated by the Company for reasons other than for cause, (B) death, (C) Disability, (D) retirement, or (E) a Change of Control (subject to the provisions of Section 11(c) hereof), then any unvested restricted stock Award shall vest immediately upon such date.

Transferability. Rights to acquire Common Stock under the restricted stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the restricted stock Award Agreement, as the Board shall determine in its discretion, so long as Common Stock awarded under the restricted stock Award Agreement remain subject to the terms of the restricted stock Award Agreement.

Grant of Stock Appreciation Rights. Stock appreciation rights to receive in shares of Common Stock the excess of the Fair Market Value of Common Stock on the date the rights are surrendered over the Fair Market Value of Common Stock on the date of grant may be granted to any Employee, Director or Consultant selected by the Board. A stock appreciation right may be granted (i) in connection and simultaneously with the grant of another Award, (ii) with respect to a previously granted Award, or (iii) independent of another Award. A stock appreciation right shall be subject to such terms and conditions not inconsistent with this Plan as the Board shall impose and shall be evidenced by a written stock appreciation right agreement, which shall be executed by the Participant and an authorized officer of the Company. The Board, in its discretion, may determine whether a stock appreciation right is to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code and stock appreciation

right agreements evidencing stock appreciation rights intended to so qualify shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code. The Board may, in its discretion and on such terms as it deems appropriate, require as a condition of the grant of a stock appreciation right that the Participant surrender for cancellation some or all of the Awards previously granted to such person under this Plan or otherwise. A stock appreciation right, the grant of which is conditioned upon such surrender, may have an exercise price lower (or higher) than the exercise price of the surrendered Award, may contain such other terms as the Board deems appropriate, and shall be exercisable in accordance with its terms, without regard to the number of shares, price, exercise period or any other term or condition of such surrendered Award.

AVAILABILITY OF STOCK. Subject to the restrictions set forth in Section 4(a), during the terms of the Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Awards.

USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of Common Stock pursuant to Awards shall constitute general funds of the Company.

MISCELLANEOUS.

Exercise of Awards. Awards shall be exercisable at such times, or upon the occurrence of such event or events as the Board shall determine at or subsequent to grant. Awards may be exercised in whole or in part. Common Stock purchased upon the exercise of an Award shall be paid for in full at the time of such purchase.

Acceleration of Exercisability and Vesting. The Board shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

Stockholder Rights.

Options. Unless otherwise provided in and upon the terms and conditions in the Option Agreement, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Common Stock subject to an Option unless and until such Participant has satisfied all requirements for exercise of, and has exercised, the Option pursuant to its terms.

Restricted Stock. Unless otherwise provided in and upon the terms and conditions in the restricted stock Award Agreement, a Participant shall have the right to receive all dividends and other distributions paid or made respecting such restricted stock, provided, however, no unvested restricted stock shall have any voting rights of a stockholder respecting such unvested restricted stock unless and until such unvested restricted stock become vested.

No Employment or other Service Rights. Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted, or any other capacity, or shall affect the right of the Company or an Affiliate to terminate with or without notice and with or without cause (i) the employment of an Employee, (ii) the service of a Consultant to the Company or an Affiliate or (iii) the service of a Director of the Company or an Affiliate.

Withholding Obligations. If the Company has or will have a legal obligation to withhold the taxes related to the grant, vesting or exercise of the Award, such Award may not be granted, vested or exercised in whole or in part, unless such tax obligation is first satisfied in a manner satisfactory to the Company. To the extent provided by the terms of an Award Agreement or Option Agreement, the Participant may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of Common Stock under an Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) tendering a cash payment in Dollars; (ii) authorizing the Company to withhold Common Stock from the Common Stock otherwise issuable to the Participant as a result of the exercise or acquisition of Common Stock under the Award, provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law; or (iii) delivering to the Company owned and unencumbered Common Stock.

Listing and Qualification of Stock. This Plan and the grant and exercise of Awards hereunder, and the obligation of the Company to sell and deliver Common Stock under such Awards, shall be subject to all applicable United States federal and state laws, rules and regulations, and any other laws applicable to the Company, and to such approvals by any government or regulatory agency as may be required. The Company, in its discretion, may postpone the issuance or delivery of Common Stock upon any exercise of an Award until completion of any stock exchange listing, or the receipt of any required approval from any stock exchange or other qualification of such Common Stock under any United States federal or state law rule or regulation as the Company may consider appropriate, and may require any individual to whom an Award is granted, such individual's beneficiary or legal representative, as applicable, to make such representations and furnish such information as the Board may consider necessary, desirable or advisable in connection with the issuance or delivery of the Common Stock in compliance with applicable laws, rules and regulations.

Non-Uniform Determinations. The Board's determinations under this Plan (including, without limitation, determinations of the persons to receive Awards, the form, term, provisions, amount and timing of the grant of such Awards and of the agreements evidencing the same) need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under this Plan, whether or not such persons are similarly situated.

ADJUSTMENTS UPON CHANGES IN STOCK.

Capitalization Adjustments. If any change is made in the Common Stock subject to the Plan, or subject to any Award, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of stock, exchange of stock, change in corporate structure or other transaction), the Plan will be appropriately adjusted in the class(es) and maximum number of securities subject to the Plan pursuant to subsection 4(a) and the maximum number of securities subject to award to any person pursuant to subsection 5(c), and the outstanding Awards will be appropriately adjusted in the class(es) and number of securities and price per stock of Common Stock subject to such outstanding Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a transaction "without receipt of consideration" by the Company.)

Dissolution or Liquidation. In the event of a dissolution or liquidation of the Company, then all outstanding Awards shall terminate immediately prior to such event.

Asset Sale, Merger, Consolidation or Reverse Merger. In the event of a Change of Control (as defined below), any unvested Awards shall vest immediately prior to the closing of the Change of Control, and the Board shall have the power and discretion to provide for the Participant's election alternatives regarding the terms and conditions for the exercise of, or modification of, any outstanding Awards granted hereunder, provided, however, such alternatives shall not affect the then current exercise provisions without such Participant's consent. The Board may provide that Awards granted hereunder must be exercised in connection with the closing of such transaction, and that if not so exercised such Awards will expire. Any such determinations by the Board may be made generally with respect to all Participants, or may be made on a case-by-case basis with respect to particular Participants. For the purpose of this Plan, a "Change of Control" shall have occurred in the event one or more persons acting individually or as a group (i) acquires sufficient additional stock to constitute more than 50% of (A) the total Fair Market Value of all Common Stock issued and outstanding or (B) the total voting power of all shares of capital stock authorized to vote for the election of directors; (ii) acquires, in a 12-month period, 35% or more of the voting power of all shares of capital stock authorized to vote for the election of directors, or alternatively a majority of the members of the board is replaced during any 12-month period by directors whose appointment was not endorsed by a majority of the members of the board; or (iii) acquires, during a 12-month period, more than 40% of the total gross fair market value of all of the Company's assets. Notwithstanding the foregoing, the provisions of this Section 11(c) shall not apply to (i) any transaction involving any stockholder that individually or as a group owns more than fifty percent (50%) of the outstanding Common Stock on the date this Plan is approved by the Company's stockholders, until such time as such stockholder first owns less than forty percent (40%) of the total outstanding Common Stock, or (ii) any transaction undertaken for the purpose of reincorporating the Company under the laws of another jurisdiction, if such transaction does not materially affect the beneficial ownership of the Company's capital stock.

AMENDMENT OF THE PLAN AND AWARDS.

Amendment of Plan. The Board at any time, and from time to time, may amend the Plan. However, except as provided in Section 11 relating to adjustments upon changes in Common Stock, no amendment shall be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy the requirements of Section 422 of the Code, Rule 16b-3 or any applicable Toronto Stock Exchange, Nasdaq, or other applicable securities exchange listing requirements.

Stockholder Approval. The Board may, in its sole discretion, submit any other amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 162(m) of the Code and the regulations thereunder regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to certain executive officers.

Contemplated Amendments. It is expressly contemplated that the Board may amend the Plan in any respect the Board deems necessary or advisable to provide eligible Employees with the maximum benefits provided or to be provided under the provisions of the Code and the regulations promulgated thereunder relating to Incentive Stock Options and/or to bring the Plan and/or Incentive Stock Options granted under it into compliance therewith.

No Impairment of Rights. Rights under any Award granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless the Participant consents in writing.

Amendment of Awards. Subject to Section 3(b)(iii), the Board at any time, and from time to time, may amend the terms of any one or more Awards; provided, however, that the rights under any Award shall not be impaired by any such amendment unless the applicable Participant consents in writing.

TERMINATION OR SUSPENSION OF THE PLAN.

Plan Term. The Board may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth (10th) anniversary of the date the Plan is adopted by the stockholders of the Company. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

No Impairment of Rights. Suspension or termination of the Plan shall not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the Participant.

Savings Clause. This Plan is intended to comply in all aspects with applicable laws and regulations. In case any one more of the provisions of this Plan shall be held invalid, illegal or unenforceable in any respect under applicable law or regulation, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and the invalid, illegal or unenforceable provision shall be deemed null and void; however, to the extent permissible by law, any provision which could be deemed null and void shall first be construed, interpreted or revised retroactively to permit this Plan to be construed in compliance with all applicable laws so as to foster the intent of this Plan.

EFFECTIVE DATE OF PLAN.

The Plan shall become effective as determined by the Board, but no Award shall be exercised (or, in the case of a restricted stock Award, shall be granted) unless and until the Plan has been approved by the stockholders of the Company, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board.

CHOICE OF LAW.

The law of the State of New York shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.
