Item 1.01. Entry into a Material Definitive Agreement.

On July 30, 2010, Far East Wind Power Corp. (the "Company"), entered into a binding Letter of Intent (the "LOI") with Beijing Tongchuang Hengyuan Technology Development Company, a People's Republic of China ("PRC") company ("BTH"), whereby the parties agreed to the joint development of a wind farm project in the Ningxia Hui Autonomous Region in China (the "Project"). The parties agreed to enter into a definitive agreement upon satisfactory completion by the Company of due diligence of the Project (the "Definitive Agreement").

Pursuant to the LOI, (a) BTH will be responsible for obtaining all government approvals and permits in connection with the Project by March 1, 2011 and forming a joint venture company to own and operate the Project (the "JV") by December 1, 2010; (b) the Company will acquire a 49% ownership interest in the JV, with the remaining 51% owned by BTH; and (c) the Company will invest up to a total of USD \$20,000,000 in the Project which will be allocated to the purchase of the Company's 49% ownership stake in the JV, capital contribution in the JV and loans to the JV. Additionally, BTH grants the Company a right of first refusal to acquire BTH's rights to develop a wind farm or wind park in Ningxia for additional installed capacity of 950MW. Upon completion of the construction of the Project, BTH will continue to assist the JV in securing USD \$62,000,000 in loans from a PRC bank to fund the Project.

After the first month the Project begins to generate cash profits, distributions will be made to the maximum extent allowed under PRC law, in proportion to the ownership percentages in the JV. In addition, the Definitive Agreement will provide for the Company to have (i) majority control of the board of directors of the JV, (ii) the sole right to approve cash disbursements of the JV, the construction plan for the Project and any debt or equity financings of the JV, and (iii) an approval right and right of first refusal on any transfer of BTH's ownership interest in the JV.

The Definitive Agreement will contain customary representation and warranties, covenants and indemnification provisions.

The LOI is attached to this report as Exhibit 10.1 and is incorporated herein by reference. The foregoing statements are not intended to be a complete description of all terms and conditions.
