The FDIC and the Commissioner issued the related Consent Order (the “Order”), effective May 24, 2013. The description of the Consent Agreements, the Order and the Acknowledgement set forth below is qualified in its entirety by reference to the Consent Agreements, the Order and the Acknowledgement, copies of which are filed herewith as exhibits 10.1, 10.2, 10.3 and 10.4 respectively, and incorporated herein by reference.

Management. The Bank is required to have and retain experienced, qualified management, and to assess management’s ability to (1) comply with the requirements of the Order; (2) operate the Bank in a safe and sound manner; (3) comply with all applicable laws, rules and regulations; and (4) restore all aspects of the Bank to a safe and sound condition, including capital adequacy, asset quality, and management effectiveness. The Bank has already implemented certain changes to comply with the Order.

Board Participation. The Bank’s board of directors is required to increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all the Bank activities. This participation shall include comprehensive, documented meetings to be held no less frequently than monthly. The board of directors must also develop a program to monitor the Bank’s compliance with the Order.

Loss Charge-Offs. The Order requires that the Bank eliminate from its books, by charge-off or collection, all assets or portions of assets classified “Loss” by the FDIC or the Commissioner. The Bank has already eliminated from its books all such classified assets.

Classified Assets Reduction. Within 60 days of the effective date of the Order, the Bank will submit a Classified Asset Plan to the FDIC and Commissioner to reduce the risk position in each asset in excess of \$750,000 which is classified “Substandard” and “Doubtful” by the FDIC or Commissioner. The Bank will revise its existing Classified Asset Plan to address the terms of the Order and will submit the updated plan to the FDIC and Commissioner in accordance with the Order.

Allowance for Loan and Lease Losses. Within 60 days of the effective date of the Order, the board of directors must review the adequacy of the allowance for loan and lease losses (the “ALLL”), establish a policy for determining the

Loan Policy. Within 60 days from the effective date of the Order, the Bank must (i) review its loan policies and procedures (“Loan Policy”) for adequacy, (ii) make all appropriate revisions to the Loan Policy to address the lending deficiencies identified by the FDIC, and (iii) submit the Loan Policy to the FDIC and Commissioner. The Bank has completed its review of the Loan Policy and is in the process of making the required revisions. The updated Loan Policy will be submitted to the FDIC and Commissioner in accordance with the terms of the Order.

Loan Review Program. Within 30 days from the effective date of the Order, the Board must establish a program of independent loan review that will provide for a periodic review of the Bank’s loan portfolio and the identification and categorization of problem credits (the “Loan Review Program”) and submit the Loan Review Program to the FDIC and Commissioner. The Bank is in the process of enhancing its existing Loan Review Program and will submit it to the FDIC and Commissioner in accordance with the terms of the Order.

Capital Requirements. Within 90 days from the effective date of the Order, the Bank must meet and maintain the following minimum capital levels, after establishing an appropriate ALLL, (i) a leverage ratio (the ratio of Tier 1 capital to total assets) of at least 8%, and (ii) a total risk-based capital ratio (the ratio of qualifying total capital to risk-weighted assets) of at least 12%. As of March 31, 2013, the Bank exceeded the Order’s minimum capital requirements with a Tier 1 leverage ratio of 8.24% and total risk based capital ratio of 12.38%.
