CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee
Common stock, par value \$0.001	500,000	\$78.97	\$39,485,000	\$3,976.14

500,000 shares of common stock are being registered under the Macquarie Infrastructure Corporation 2016 Omnibus Employee Incentive Plan (the “Plan”). In addition, this Registration Statement, pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the “Securities Act”), shall cover any additional shares of common (1) stock that become issuable under the Plan by reason of any mergers, amalgamations, stock dividends, bonus issues, stock splits, subdivisions, recapitalizations or any other similar transactions effected without the receipt of consideration which results in an increase in the number of shares of common stock of Macquarie Infrastructure Corporation (the “Registrant”).

Pursuant to Rule 457(h) under the Securities Act of 1933, as amended, these prices are estimated solely for the (2) purpose of calculating the registration fee and are based upon the average of the high and low sales prices of the Registrant’s shares reported on the New York Stock Exchange on August 9, 2016.

Part I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

The Registrant has sent or given or will send or give documents containing the information specified by Part I of this Registration Statement on Form S-8 (the “**Registration Statement**”) to participants in the Macquarie Infrastructure Corporation 2016 Omnibus Employee Incentive Plan, or the Plan, as specified in Rule 428(b)(1) promulgated by the Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933, as amended. The Registrant is not filing such documents with the Commission, but these documents constitute (along with the documents incorporated by reference into this Registration Statement pursuant to Item 3 of Part II hereof) a prospectus that meets the requirements of Section 10(a) of the Securities Act.

Part II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. **Incorporation of Documents by Reference.**

The following documents which we have filed with the Commission are incorporated herein by reference and made part of this Registration Statement:

- (a) our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, filed on February 23, 2016; and
- (b) our Quarterly Reports on Form 10-Q for the quarterly period ended March 31, 2016, filed on May 2, 2016 and for the quarterly period ended June 30, 2016, filed on August 1, 2016;
- (c) our Current Reports on Form 8-K filed on February 23, 2016 (except for information furnished under Item 2.02 which is not deemed to be filed and not incorporated by reference herein) and May 18, 2016;

(d) the description of our Common Stock contained in Exhibit 99.2 to our Current Report on Form 8-K filed with the SEC on May 21, 2015, and any subsequent amendments and reports filed to update that description.

In addition, all documents subsequently filed by us pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, before we file a post-effective amendment to this Registration Statement which indicates that all securities offered have been sold or which deregister all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and are a part thereof from the date of filing of such documents.

Any statement contained in a document incorporated or deemed incorporated by reference in this Registration Statement shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation has the power to indemnify a director, officer, employee or agent of the corporation and certain other persons serving at the request of the corporation in related capacities against amounts paid and expenses incurred in connection with an action or proceedings to which such person is, or is threatened to be made, a party by reason of such position, if such person shall have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, in any criminal proceedings, if such person had no reasonable cause to believe his conduct was unlawful; *provided* that, in the case of actions brought by or in the right of the corporation, no indemnification shall be made with respect to any matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the adjudicating court determines that such indemnification is proper under the circumstances.

Section 102(b)(7) of the DGCL enables a Delaware corporation to provide in its certificate of incorporation for the elimination or limitation of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. However, no provision can eliminate or limit a director’s liability:

- for any breach of the director’s duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the DGCL, which imposes liability on directors for unlawful payment of dividends or unlawful stock purchase or redemption; or
- for any transaction from which the director derived an improper personal benefit.

Pursuant to the certificate of incorporation and bylaws, the Registrant will indemnify, to the fullest extent permitted by the DGCL, each person who was or is made a party or is threatened to be made a party to any threatened, pending or completed action (i) by reason of the fact that such person is or was a director, officer, employee or agent of Registrant, or is or was a director or officer of Registrant serving at the request of Registrant as a director, officer, employee or agent of another enterprise or (ii) by or in the right of Registrant to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of Registrant, or is or was a director or officer of Registrant serving at the request of Registrant as a director, officer, employee or agent of another enterprise. Registrant will not indemnify a director, officer, employee or agent if he or she is found liable to Registrant unless the Delaware Court of Chancery or the court in which such action was brought determines otherwise.

The Registrant will not, however, indemnify an officer, director, employee or agent when the proceeding relates to: (i) payments under a statute, insurance policy, indemnity provision, or vote; (ii) an accounting or disgorgement under the Exchange Act or similarly applicable law; (iii) reimbursement of Registrant for a bonus, compensation, or other

profits realized from the sale of Registrant's securities under the Exchange Act; (iv) initiation of an action including those against Registrant or its directors, unless authorized by the board of directors, provided for in Registrant's sole discretion, or otherwise required under the bylaws or DGCL; or (v) prohibition of payment under applicable law.

The indemnification provisions contained in the certificate of incorporation and bylaws are not exclusive of any other rights to which a person may be entitled by law, agreement, vote of members or disinterested directors or otherwise.

In addition, the Registrant will maintain insurance on behalf of our directors and executive officers and certain other persons insuring them against any liability asserted against them in their respective capacities or arising out of such status.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See attached “Exhibit Index”.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in aggregate, represent a fundamental change in the information set forth in this Registration Statement — notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by us pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby further undertake that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report filed on Form 10-K pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of us in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
