**Item 2.02 Results of Operations and Financial Condition.**

On November 2, 2016, W&T Offshore, Inc. (the “Company” or “W&T”) issued a press release reporting on financial and operational results for the third quarter of 2016 and provided guidance for the fourth quarter and full year of 2016. A copy of the press release, dated November 2, 2016, is furnished herewith as Exhibit 99.1.

This information is furnished pursuant to Item 2.02 of Form 8-K and the related Exhibit 99.1 to this report shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, unless specifically incorporated by reference in a document filed under the Securities Act of 1933, as amended, or the Exchange Act. By filing this report on Form 8-K and furnishing this information, the Company makes no admission as to the materiality of any information in this report that is required to be disclosed solely by Item 2.02.

**Item 8.01 Other Events.**

In late 2014, Apache Corporation filed a lawsuit against W&T Offshore, Inc., alleging that W&T breached a joint operating agreement (“contract”) related to the abandonment of three deepwater wells in the Mississippi Canyon area of the Gulf of Mexico. That lawsuit is currently pending in the United States District Court for the Southern District of Texas. In the suit, Apache contended that W&T failed to pay its proportional share of the costs associated with plugging and abandoning the three wells. W&T contended that the costs incurred by Apache were excessive and unreasonable. Apache sought an award of actual damages, interest, court costs, and attorneys’ fees. The case, *Apache Corporation v. W&T Offshore, Inc.*, described in our prior periodic reports, went to the jury on October 31, 2016. On the same date, the jury made the following findings:

1. W&T failed to comply with the contract by failing to pay its proportionate share of the costs to plug and abandon the MC 674 wells.
2. The amount of money to compensate Apache for W&T’s failure to pay its proportionate share of the costs to plug and abandon the MC 674 wells was \$43.2 million.
3. The \$43.2 million referred to in #2 should be offset by \$17.0 million.
4. Apache acted in bad faith thereby causing W&T to not comply with the contract.

W&T intends to file a motion with the trial court requesting a judgment consistent with the jury's finding that Apache acted in bad faith thereby causing W&T not to comply with the contract, which W&T asserts bars Apache from recovery for damages under applicable law, and if damages are not barred in their entirety, that any judgment for monetary damages is offset by \$17.0 million as determined by the jury.
