Converium Holding Ltd, Zug

Zug/Switzerland - 3 October 2006 - Converium agrees a collateral reduction on its letter of credit facility

Converium has reached an agreement with its counter-party banks to reduce the level of collateral requirement on its USD 1.6 billion letter of credit facility. As a result of the reduced level of collateral Converium will free up around USD 110 million of assets on its balance sheet.

On 16 August 2006 Converium announced the conclusion of an agreement for an uncollateralized USD 250 million letter of credit facility with a leading European banking group.

Paolo De Martin, Chief Financial Officer, commented: "The reduced collateral requirement is a considerable success for Converium. The agreement will provide us with additional degrees of freedom in managing our assets."
