An Important Message To El Paso Shareholders From Selim K. Zilkha:

IT'S YOUR VOTE....MAKE SURE YOU USE IT

The El Paso Corporation annual shareholders meeting is only days away. Act today to change our company's course and to protect your investment.

As Institutional Shareholder Services (ISS) stated: *[a] clean slate with a fresh start, unencumbered by the legacy of past mistakes, can help move the company forward* sound reasoning that led ISS to recommend that El Paso's shareholders **REJECT** the incumbent Board.

IT'S ALL ABOUT TRUST:

The Incumbent Board is asking once again for your Trust, but we ask:

Can you afford to Trust it to disclose, whenever it chooses to do so, the total costs of unwinding its previous ill-advised business ventures?

Can you afford to Trust that its proposed payment of billions of dollars in settlement of litigation is in your best interest while not disclosing what these settlements cover?

Can you afford to Trust that, with no permanent CEO yet selected, a decimated senior management team with critically damaged credibility can effectively fix El Paso?

Can you afford to Trust it to stop the outrageous practice of continuing the employment of terminated executives (who have received large severance packages) through ongoing consulting jobs with the company?.

El Paso's management has responded to our proxy campaign by adopting a number of our ideas. But, what assurance do you have that, if re-elected, the incumbent board will not revert to its prior ways and practices?

REMEMBER under the current Board, El Paso's share price declined by over 90% (from April 1, 2002 to February 18, 2003) and only began to recover after we began our proxy contest.

The current Board, with all its baggage, asks for your trust. We ask that you elect the Zilkha candidates, an experienced slate of nominees who have the fresh ideas and ability to provide a fresh start for El Paso.

EL PASO NEEDS CHANGE.

NOW is the Time For El Paso's Shareholders to Act In **OUR** Own Interests.

If you are a shareholder of record, **VOTE** the **BLUE** proxy card **TODAY**;

If your shares are held in a brokerage or nominee account, **Direct Your Broker, Nominee or Custodian** to **VOTE** the **BLUE** proxy card to reflect **your** choice

It's **Our** Company; It's the Future of **Our** Investment; **Our** Voice Should Be Heard and **Our** Vote Should Reflect **Our** Interests.

I Invite You to Join With Me in Rejecting the Tainted Legacy of the Past and giving El Paso a fresh start by Voting to Elect A Distinguished, Highly-Qualified Slate. **VOTE BLUE.**
