PROXY STATEMENT

Meeting Time and Date

This Proxy Statement is being furnished to stockholders of Boyd Gaming Corporation, a Nevada corporation (the Company), in connection with the solicitation by the Board of Directors of the Company (the Board or the Board of Directors) of proxies in the enclosed form for use in voting at the Annual Meeting of Stockholders (the Annual Meeting) of the Company to be held on Thursday, May 18, 2006 at 11:00 a.m., local time, at the South Coast Hotel and Casino, 9777 Las Vegas Boulevard South, Las Vegas, Nevada 89123, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the Annual Meeting.

These proxy solicitation materials are being mailed to stockholders on or about April 14, 2006.

Voting and Solicitation

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections. The Inspector of Elections will also determine whether or not a quorum is present. The presence, in person or by proxy, of the holders of a majority of shares of the Company's Common Stock issued and outstanding as of the record date is necessary to constitute a quorum at the Annual Meeting. Shares represented at the Annual Meeting in person or by proxy but not voted will nevertheless be counted for purposes of determining the presence of a quorum. Accordingly, abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Broker non-votes (shares as to which a broker or nominee does not vote, or has indicated that it does not have discretionary authority to vote) will also be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Under the rules of the New York Stock Exchange (the Exchange), certain matters submitted to a vote of stockholders are considered by the Exchange to be routine items upon which brokerage firms may vote in their discretion on behalf of their customers if such customers have not furnished voting instructions within a specified period of time prior to the meeting. On those matters which the Exchange determines to be non-routine, brokerage firms that have not received instructions from their customers would not have discretion to vote. Neither the Company's Amended Articles of Incorporation or Restated Bylaws nor Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

In connection with Proposal 1, the five nominees for Class III directors who receive the greatest number of affirmative votes will be elected to the Board of Directors, with abstentions and broker non-votes having no effect. Each of Proposals 2 and 3 requires the affirmative vote of a majority of the shares present or represented at the Annual Meeting, assuming that a quorum is present or represented at the meeting. Proposal 4 requires the affirmative vote of a majority of the issued and outstanding shares of the Company's Common Stock. If Proposal 4 is approved by at least two-thirds of the outstanding shares, each of the Class I, Class II and Class III directors will stand for election for one-year terms commencing with the 2007 Annual Meeting of Stockholders. If Proposal 4 is approved by less than two-thirds of the outstanding shares, but by at least a majority of the outstanding shares, then the current Class I and Class III directors will stand for election at the 2007 Annual Meeting of Stockholders for one-year terms; and the Class II directors will continue to hold office until the 2008 Annual Meeting of Stockholders, at which time the Class II directors will stand for election for one-year terms. Broker non-votes and abstentions will have the same effect as a vote cast against Proposals 2, 3 and 4.

Proxies in the accompanying form that are properly executed, duly returned to the Company and not revoked will be voted in accordance with the instructions therein. IF NO INSTRUCTION IS GIVEN WITH

RESPECT TO ANY OR ALL OF THE PROPOSALS TO BE ACTED UPON, THE PROXY WILL BE VOTED FOR THE ELECTION OF ALL OF THE NOMINEES NAMED IN THIS PROXY STATEMENT AND IN FAVOR OF PROPOSALS 2, 3 AND 4, AS APPLICABLE. No matter currently is expected to be considered at the Annual Meeting other than the proposals set forth in the accompanying Notice of Annual Meeting, but if any other matters are properly brought before the Annual Meeting for action, it is intended that the persons named in the proxy and acting thereunder will vote in accordance with their discretion on such matters.

A proxy may be revoked at any time before it is voted by delivering to the Company (Attention: Brian A. Larson, Senior Vice President, Secretary and General Counsel, at the principal offices of the Company) a written notice of revocation or a duly executed proxy bearing a later date. A proxy may also be revoked by attending and voting at the meeting.

The solicitation of proxies will be conducted by mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy solicitation materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding such materials to beneficial owners of the Company's Common Stock. The Company may conduct further solicitation personally, telephonically or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

Record Date and Shares Outstanding

The close of business on March 31, 2006, has been fixed as the record date (the Record Date) for determining the holders of shares of the Company's Common Stock entitled to notice of and to vote at the Annual Meeting. As of the close of business on the Record Date, the Company had 89,409,161 shares of Common Stock outstanding. Each stockholder entitled to vote at the Annual Meeting may cast one vote in person or by proxy for each share of Common Stock held by such stockholder.

Proposals

PROPOSAL 1 Election of Directors

General

In accordance with the Company's Amended Articles of Incorporation, the Board of Directors is currently divided into three classes, as nearly equal in number as the then-total number of directors at the time of initial election, with the term of office of one class expiring each year. At the Annual Meeting, the stockholders will elect five Class III directors to serve until the 2009 Annual Meeting of Stockholders (or until the 2007 Annual Meeting of Stockholders if the stockholders approve Proposal 4 below) or until their successors are duly elected and qualified, or until any such director's earlier resignation or removal. At each following Annual Meeting of Stockholders, the successors to the class of directors whose term is then expiring will be elected to hold office for a term expiring at the third succeeding Annual Meeting of Stockholders, unless the stockholders approve Proposal 4 below. Proposal 4 relates to the declassification of the Board of Directors and the election of all directors annually. If the stockholders approve Proposal 4, the Class III directors elected at the Annual Meeting will be elected to serve a one year term, until the 2007 Annual Meeting of Stockholders. For more information on the proposed declassification of the Board of Directors and the effects on the directors' term of office, see Proposal 4 Approval of an Amendment to and Restatement of the Company's Articles of Incorporation to Declassify the Board of Directors.

Vacancies on the Board of Directors and newly created directorships will generally be filled by vote of a majority of the directors then in office, and any directors so chosen will hold office until the next applicable election. The Board of Directors has no reason to believe that any of its nominees will be unable or unwilling to serve if elected to office and, to the knowledge of the Board of Directors, each of its nominees intends to serve the entire term for which election is sought. However, should any nominee of the Board of Directors become unable or unwilling to accept nomination or election as a director of the Company, the proxies solicited by management will be voted for such other person as the Board of Directors may determine.

In voting for directors, each stockholder is entitled to cast one vote for each candidate. Stockholders are not entitled to cumulate their votes for members of the Board of Directors. The five nominees for Class III directors who receive the greatest number of affirmative votes will be elected to the Board of Directors.

The nominees for election as Class III directors are:

Robert L. Boughner

Thomas V. Girardi

Marianne Boyd Johnson

Luther W. Mack, Jr.

Billy G. McCoy

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE
FOR THE ELECTION OF THE ABOVE NAMED NOMINEES.**

The Audit Committee held eleven (11) meetings during 2005. The functions of the Audit Committee include reviewing and supervising the financial controls of the Company, appointing the Company's independent registered public accounting firm, reviewing the books and accounts of the Company, meeting with the officers of the Company regarding the Company's financial controls, acting upon recommendations of the auditors and taking such further actions as the Audit Committee deems necessary to complete an audit of the books and accounts of the Company. The Compensation and Stock Option Committee's functions include reviewing with management cash and other compensation policies for employees, making recommendations to the Board of Directors regarding compensation matters and determining compensation for the Chief Executive Officer. In addition, the Compensation and Stock Option Committee administers the Company's stock plans and, within the terms of the respective stock plan, determines the terms and conditions of issuances thereunder. The Board of Directors has adopted a written charter for the Compensation and Stock Option Committee.

Corporate Governance and Nominating Committee. The current members of the Corporate Governance and Nominating Committee are Billy G. McCoy (Chairman), Thomas V. Girardi, Michael O. Maffie, and Frederick J. Schwab. Each member of the Corporate Governance and Nominating Committee is independent as defined in Section 303A of the New York Stock Exchange Listed Company Manual. The Board of Directors has adopted a written charter for the Corporate Governance and Nominating Committee.

Corporate Governance; Board Independence

The Company is committed to having sound corporate governance principles and maintaining its integrity in the marketplace. The Company's Corporate Governance Guidelines, its Code of Business Conduct and Ethics, as well as the charters for each of the committees discussed above, are available on the Company's website at <http://www.boydgaming.com>. In addition, the Company will provide a paper copy of this information to stockholders upon written request.

The Board of Directors has determined that each of Thomas V. Girardi, Luther W. Mack, Jr., Michael O. Maffie, Billy G. McCoy, Frederick J. Schwab, Peter M. Thomas and Veronica J. Wilson is independent within the meaning of the Company's director independence standards (discussed below).

To be considered independent, a director must be determined, by resolution of the Board of Directors as a whole, after due deliberation, to have no material relationship with the Company other than as a director. In each case, the Board of Directors shall broadly consider all relevant facts and circumstances and shall apply the following standards:

1. a director who is an employee, or whose immediate family member is an executive officer, of the Company or any of its subsidiaries is not independent until three years after the end of such employment relationship;
2. a director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company or any of its subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation;
3. a director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company or any of its subsidiaries is not independent until three years after the end of the affiliation or the employment or auditing relationship;

4. a director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the Company's or any of its subsidiaries' present executives serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship;
5. a director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company (which does not include charitable entities) that makes payments to, or receives payments from, the Company or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1.0 million, or 2% of such other company's consolidated gross revenues, is not independent until three years after falling below such threshold; and
6. any director that has a material relationship with the Company shall not be independent. Any relationship not required to be disclosed pursuant to Item 404 of Regulation S-K of the Exchange Act shall be presumptively not material. For relationships not covered by the preceding sentence, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the Board of Directors. The Company would explain in the next Proxy Statement the basis for any Board determination that a relationship is immaterial despite the fact that it does not meet the categorical standards of immateriality set forth above.

Selection of Directors

Stockholder Nominations

The policy of the Corporate Governance and Nominating Committee is to consider properly submitted stockholder nominations for candidates for membership on the Board of Directors as described below under Identifying and Evaluating Nominees for Directors. In evaluating such nominations, the Corporate Governance and Nominating Committee will address the membership criteria set forth under Director Qualifications. Any stockholder nominations proposed for consideration by the Corporate Governance and Nominating Committee should include the nominee's name and qualifications for membership on the Board of Directors and should be addressed to:

Boyd Gaming Corporation

2950 Industrial Road, Las Vegas, Nevada 89109

Attn: Brian A. Larson, Senior Vice President, Secretary and General Counsel

In addition, the Restated Bylaws of the Company permit stockholders to nominate directors for consideration at an annual stockholder meeting. Pursuant to the Restated Bylaws, in order to make such a nomination, a stockholder is required to, not less than 60 days prior to the date of the Annual Meeting of Stockholders, deliver a notice to the Secretary of the Company setting forth:

the name, age, business address and the residence address of each nominee proposed in such notice;

the principal occupation or employment of such nominee;

the number of shares of capital stock of the Company which are beneficially owned by each such nominee; and

such other information concerning each such nominee as would be required, under the rules of the SEC, to be disclosed in Proxy Statement soliciting proxies for the election of such nominees pursuant to Regulation 14A of the Exchange Act.

Such notice must include a signed consent of each such nominee to serve as a director of the Company, if elected. In the event that a person is validly designated as a nominee in accordance with the Company's Restated Bylaws and thereafter becomes unable or unwilling to stand for election to the Board of Directors, the Board of Directors or the stockholder who proposed such nominee, as the case may be, may designate a substitute nominee.

Director Qualifications

The Company's Corporate Governance Guidelines contain membership criteria that apply to nominees for a position on the Board of Directors. Under these criteria, members of the Board of Directors should possess certain core competencies, some of which may include broad experience in business, finance or administration, familiarity with national and international business matters, and familiarity with the gaming industry. In addition to having one or more of these core competencies, members of the Board of Directors are identified and considered on the basis of knowledge, experience, integrity, diversity, leadership, reputation, and ability to understand the Company's business.

Identifying and Evaluating Nominees for Directors

The Corporate Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Corporate Governance and Nominating Committee has the duty of regularly assessing the composition of the Board of Directors, including size of the Board of Directors, diversity, age, skills and experience in the context of the needs of the Board of Directors. In addition, the Corporate Governance and Nominating Committee also has the duty of identifying individuals qualified to become members of the Board of Directors. Candidates may come to the attention of the Corporate Governance and Nominating Committee through current members of the Board of Directors, professional search firms, stockholders or other persons. These candidates will be evaluated by the Corporate Governance and Nominating Committee and may be considered at any point during the year. As described above, the Corporate Governance and Nominating Committee will consider properly submitted stockholder nominations for candidates for the Board of Directors. Following verification of the stockholder status of persons proposing candidates, recommendations will be aggregated and considered by the Corporate Governance and Nominating Committee. If any materials are provided by a stockholder in connection with the nomination of a director candidate, such materials will be forwarded to the Corporate Governance and Nominating Committee. Stockholder nominees that comply with the Company's nomination procedures will receive the same consideration that the Corporate Governance and Nominating Committee nominees receive.

The Company has previously, and the Corporate Governance and Nominating Committee may in the future, review materials provided by professional search firms or other parties to identify, evaluate and recruit potential director nominees who are not proposed by a stockholder. In addition, a professional search firm may be used to make initial contact with potential candidates to assess, among other things, their availability, fit and major strengths.

Thomas V. Girardi, a member of the Board of Directors and nominee for election as a Class III director, was not previously elected by the Company's stockholders. Pursuant to the terms of the merger agreement previously entered into between the Company and Coast Casinos, the Company was obligated to elect Mr. Gaughan and one of Mr. Gaughan's designees to the Board of Directors following the closing of the merger and receipt of necessary gaming approvals. On February 23, 2005, pursuant to the terms of the merger agreement, the Board of Directors elected Mr. Gaughan and Mr. Girardi, Mr. Gaughan's designee, to the Company's Board of Directors. Mr. Girardi was identified as a potential nominee by Mr. Gaughan. Mr. Girardi was recommended as a nominee to the Board of Directors for election at the Annual Meeting by the Corporate Governance and Nominating Committee.

Luther W. Mack, Jr., a member of the Board of Directors and nominee for election as a Class III director, was not previously elected by the Company's stockholders. Mr. Mack was originally identified as a potential nominee by the Chief Executive Officer. Mr. Mack was recommended as a nominee to the Board of Directors for election at the Annual Meeting by the Company's Corporate Governance and Nominating Committee.

Presiding Director; Stockholder Communication with Directors

The Company's independent directors designate one non-management director to serve as the Presiding Director to chair the Board of Director's non-management director sessions. The Presiding Director serves for a one-year term, provided that no Presiding Director serves for more than three years in any five-year period. The Company's independent directors have designated Michael O. Maffie as the Company's Presiding Director. The Company's stockholders and other interested parties may communicate with the Board of Directors and the Presiding Director by filling out the form at www.boydgaming.com or by writing to:

Boyd Gaming Corporation

2950 Industrial Road, Las Vegas, Nevada 89109

Attn: Brian A. Larson, Senior Vice President, Secretary and General Counsel

Inquiries sent by e-mail will go simultaneously to the Company's General Counsel and the Presiding Director. Report of the Compensation and Stock Option Committee on Executive Compensation

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933 or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report, the Stock Performance Graph and the Report of the Audit Committee which follow shall not be deemed to be incorporated by reference into any such filings.

The Compensation and Stock Option Committee ("Compensation Committee") reviews with management cash and other compensation policies for the Company's employees. In addition, the Compensation Committee reviews the performance of the Company's executive officers and all components of the executive officers' compensation, including base salary, short and long-term bonuses and equity compensation, and determines the compensation for the Chief Executive Officer. The Compensation Committee also reviews and evaluates the effectiveness of the Company's overall executive compensation program on a regular basis, administers the Company's stock plans and, within the terms of the respective stock plan, determines the terms and conditions of issuances thereunder. The members of the Compensation Committee approved the Chief Executive Officer's recommendation regarding the compensation of the executive officers of the Company, including the Named Executive Officers.

In late 2004, the Compensation Committee retained Hewitt Associates to review certain components of the Company's executive compensation. This study focused on the five most highly compensated officers and other members of the Company's Management Committee. The study involved total compensation for these individuals and included base pay, short and long-term bonuses and equity awards. Based in part on this study and the recommendations of Hewitt Associates, in late 2005 the Compensation Committee proposed, and the Board began to adopt, certain compensation changes for implementation in 2006. The initial changes include imposing stock ownership guidelines for all directors and certain members of senior management and simplifying the 2000 MIP performance measures.

Compensation Policies

The Compensation Committee's executive compensation policies are designed to provide competitive levels of compensation that closely link pay with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements and assist the Company in

attracting and retaining qualified executives. The compensation of the Company's executive officers and the Chief Executive Officer are set at levels that the Compensation Committee intends to be competitive with others in the Company's industry, based on public information with respect to compensation paid by leading casino hotel companies including, but not limited to, companies in the Peer Group, as that term is defined below under "Stock Performance Graph." Companies in the Peer Group are selected for the purpose of comparing compensation practices on the basis of a number of factors relative to the Company, such as their size and complexity, the nature of their businesses, the regions in which they operate, the structure of their compensation programs and the availability of compensation information.

There are three primary elements in the Company's executive compensation program:

Base salary;

Short and long-term bonuses; and

Stock options.

Individual base salaries are established based on an executive officer's historical contribution and future importance to the Company. Salaries are reviewed annually and adjusted from time to time to recognize individual performance, promotions and competitive compensation levels and other subjective factors, without assigning a specific weight to individual factors.

Bonuses are paid pursuant to:

an annual management incentive plan, in which all executive officers participate, including all of the Named Executive Officers beginning in 2006, as well as certain management personnel at the individual properties and at the corporate level; and

the 2000 MIP, under which certain executive officers, including the Chief Executive Officer, participate.

Bonus awards under the annual management incentive plan are set as a percentage of base salary, with the specific target percentage determined by the person's position, level and scope of responsibility within the Company so that highly compensated executives receive a relatively larger percentage of their total compensation in bonuses dependent on performance. The award of bonuses is dependent on the achievement of specified goals. The achievement of quantitative goals at the department, property and corporate levels is the primary factor in determining individual bonuses, and such goals are linked to the achievement of specified earnings and other performance targets. In addition, the Chief Executive Officer has been given the authority by, and acts under the oversight of, the Compensation Committee to use his discretion to make determinations regarding payments to be made under the annual management incentive plan. Under this plan in 2005, bonuses were paid to the following Named Executive Officers: Mr. Smith and Mr. Landau. Mr. Boyd, the Chief Executive Officer of the Company, Mr. Boughner, the Chief Executive Officer of MDDC, and Mr. Gaughan, the Chief Executive Officer of Coast Casinos, did not participate in this plan in 2005. As discussed below, through 2005, the Company's 2000 MIP provided annual bonus awards to the Chief Executive Officer if certain annual targets were achieved. Mr. Boughner's 2005 annual bonus was awarded to him pursuant to the Borgata annual incentive plan, which plan is based on the achievement of specified goals at the MDDC level. Mr. Gaughan's 2005 annual bonus was paid to him pursuant to a discretionary bonus plan that was approved by the Compensation Committee and which had been utilized across the Coast Casino properties. Beginning in 2006, all of the Named Executive Officers, including the Chief Executive Officer, Mr. Boughner and Mr. Gaughan, will participate in the Company's annual management incentive plan for their short term bonus.

The Company's 2000 MIP provides bonus awards to selected members of senior management, including the Chief Executive Officer of the Company, if certain long-term targets are achieved. The 2000 MIP's long-term performance period has been established as a three-year period, with the first such three-year period ended on December 31, 2000 and subsequent three-year periods ending each year thereafter. For the three-year

performance periods commencing on January 1, 2004 and 2005, there were seven individuals eligible for these awards, including the Named Executive Officers (except that Mr. Gaughan did not participate prior to January 1, 2005). For the three-year performance period commencing on January 1, 2006, there are eight individuals eligible for these awards, including all of the Named Executive Officers other than the Chief Executive Officer. For the three-year performance period that began in January 2006, the performance criteria for awards under the 2000 MIP relate to the relative growth in the Company's total stock return, which takes dividends into account, (Total Stock Return) compared to the growth in the Total Stock Return of the companies included in Standard and Poor's MidCap 400 Index.

The Company believes that a significant component of the compensation paid to the Company's executives over the long-term should be derived from stock-based compensation. The Company strongly believes that stock price appreciation and stock ownership in the Company are a valuable incentive to executives and that the grant of stock options to them serves to further align their interests with the interests of the stockholders as a whole and encourages them to manage the Company in its best long-term interests. The Compensation Committee determines whether to grant stock options, as well as the amount of the grants, based on a person's position within the Company.

In addition, the Company provides certain senior executive officers, including its Chief Executive Officer, with perquisites that it believes are reasonable, competitive and consistent with other gaming operators and the Company's overall executive compensation program. The Company believes that its perquisites help it to hire and retain the qualified executives. Certain senior executive officers, as designated by the Chief Executive Officer and pursuant to the Company's internal policies, may use Company aircraft for personal travel on a limited basis. Such executive officers are imputed with income in an amount equivalent to the Standard Industry Fare Level, as defined in the Internal Revenue Code of 1986, as amended (the Internal Revenue Code), rate for such use and are required to advance to the Company an amount estimated to cover the incidental out of pocket costs attributed to such use.

Compensation of Chief Executive Officer

In establishing the overall compensation of the Chief Executive Officer, the Compensation Committee reviewed all components of his compensation. Consistent with the Company's overall executive compensation program, the compensation of the Chief Executive Officer is composed of base salary, short and long-term bonuses and stock options. The Chief Executive Officer's base salary was increased from \$1,200,000 annually to \$1,500,000 effective January 1, 2005 in recognition of the exemplary performance of the Company through its successful expansion during 2004. The Compensation Committee noted in particular the Company's recent financial performance, the Company's stock price performance, the successful completion and integration of the Coast Casinos acquisition, and the performance of the Borgata. In addition, the Compensation Committee considered a number of other factors, including the record of leadership and vision provided by the Chief Executive Officer since co-founding California Hotel and Casino, the Company's predecessor and now one of its subsidiaries, in 1973; the identification of the Company with the Chief Executive Officer by the Company's employees, the financial community and the general public; and the recognition by the Compensation Committee and others in the gaming industry of the importance of his leadership, creativity and other personal attributes to the Company's continued success. The importance of these attributes as it relates to the Company's current Chief Executive Officer are deemed valuable to the success of the Company and thereby warrant individual consideration. The Compensation Committee has not found it practicable to, and has not attempted to, assign relative weights to the specific factors considered in determining the compensation of the Chief Executive Officer.

The Chief Executive Officer participates in the 2000 MIP, re-approved by the Company's stockholders at the Annual Meeting in 2005, for both his 2005 annual and long-term bonus. The 2000 MIP, among other things, provides for annual incentive awards to certain of the Company's key executives who are covered employees within the meaning of Section 162(m) of the Internal Revenue Code and is administered by the Compensation Committee. In determining awards to be made under the 2000 MIP, the Compensation Committee may approve a formula based on one or more objective criteria to measure corporate performance. Performance criteria must

include one or more of the following: the Company's pre- or after-tax earnings, revenue growth, operating income, operating cash flow, return on net assets, return on stockholders' equity, return on assets, return on capital, share price growth, stockholder returns, gross or net profit margin, earnings per share, price per share and market share, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to results of a peer group. The annual maximum amount of cash compensation payable in 2005 to a participant under the 2000 MIP is \$2,000,000 per year for each of the annual and long-term bonus. With respect to Mr. Boyd's annual bonus, for the twelve months ended December 31, 2005, Mr. Boyd's performance criteria was pre-tax income for which he received a bonus of \$2,000,000 under the 2000 MIP. Additionally, a special bonus in the amount of \$250,000 was approved by the Compensation Committee and paid to Mr. Boyd in recognition of the loss of a benefit that Mr. Boyd previously received under certain split-dollar life insurance arrangements, which were terminated by the Company on or before December 31, 2003. Mr. Boyd is entitled to receive a special bonus in the same amount in each of 2004, 2005 and 2006. As discussed above, beginning in 2006, Mr. Boyd will participate in the Company's annual management incentive plan for his annual bonus.

The Chief Executive Officer was one of the participants in the long-term bonus program under the 2000 MIP. Under that Plan, his target award for the three-year period ended December 31, 2005 was \$500,000, subject to an award payment threshold of \$250,000 and a maximum award payment of \$750,000. The 2005 target award was comprised of two performance criteria, which, for the measurement period, were a cumulative target earnings per share for which the target award was \$300,000, and stock price performance relative to a specified peer group for which the target award was \$200,000. Mr. Boyd received an award of \$450,000 for the first performance criterion and \$200,000 for the second performance criterion for a total long-term bonus award of \$650,000 pursuant to the 2000 MIP. Mr. Boyd will not participate in the long term bonus program under the 2000 MIP for the 2006-2008 three-year performance period.

The Compensation Committee's Conclusion

Based on the review discussed in this report, the Compensation Committee finds the Chief Executive Officer's and the Named Executive Officer's total compensation in the aggregate to be reasonable and not excessive.

Policy Regarding Deductibility of Compensation

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1.0 million paid to the Chief Executive Officer or any of the other four most highly compensated executive officers. Generally, awards under the 2000 MIP, which is a qualified performance-based compensation plan, will not be subject to the deduction limit if certain requirements are met. The Company has structured certain other performance-based portions of its executive officers' compensation, including the annual management incentive plan, in a manner that is designed to comply with the exceptions to the deductibility limitations of Section 162(m).

The Compensation Committee believes, however, that in certain circumstances factors other than tax deductibility take precedence when determining the forms and levels of executive compensation most appropriate and in the best interests of the Company and its stockholders. Given the Company's changing industry and business, as well as the competitive market for outstanding executives, the Compensation Committee believes that it is important for such committee to retain the flexibility to design compensation programs consistent with its overall executive compensation program, even if some executive compensation is not fully deductible. Accordingly, the Compensation Committee has from time to time approved elements of compensation for certain officers that are not fully deductible, and reserves the right to do so in the future, when appropriate.

Report of the Audit Committee

To the Board of Directors:

We have reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended December 31, 2005.

We have discussed with Deloitte & Touche LLP (Deloitte & Touche), the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended.

We have received and reviewed the written disclosures and the letter from Deloitte & Touche required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, and have discussed with the auditors their independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

During the course of 2005, the Audit Committee continued to oversee the Company's efforts related to its internal control over financial reporting and management's preparation for the evaluation in 2006. The Audit Committee was kept apprised of the progress of the 2005 evaluation and provided oversight and advice to management during the process. In connection with this oversight, the Audit Committee reviewed periodic updates provided by management, members of the Company's internal audit group, and Deloitte & Touche. At the conclusion of the process, management, as well as members of the Company's internal audit group, provided the Audit Committee with, and the Audit Committee reviewed, a report on the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed the report of management control in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC, as well as Deloitte & Touche's Report of Independent Registered Public Accounting Firm included in the Company's Annual Report on Form 10-K related to its audit of the consolidated financial statements, management's assessment of the effectiveness of internal control over financial reporting, and the effectiveness of internal control over financial reporting.

We have also considered whether the provision of services by Deloitte & Touche, other than services related to the audit of the financial statements referred to above and the review of the interim financial statements included in the Company's quarterly reports on Form 10-Q for the most recent fiscal year, is compatible with maintaining the independence of Deloitte & Touche.

("LVDC"). Michael J. Gaughan's son, John Gaughan, is the president and sole stockholder of LVDC. LVDC has been granted a license by the Nevada Gaming Authorities to disseminate live racing for those events and tracks for which it enters into contracts and has been granted the exclusive right to disseminate all

pari-mutuel services and race wire services to Nevada casinos. Under these dissemination contracts, the Boyd Subsidiaries pay to LVDC between 3% and 5% of the wagers it accepts for races held at the racetracks covered by the respective contracts. The Boyd Subsidiaries also pay to LVDC a monthly fee for race wire services. The terms on which the dissemination services are provided are regulated by the Nevada Gaming Authorities. Additionally, certain Boyd Subsidiaries have other agreements with LVDC, which are not subject to regulation by the Nevada Gaming Authorities, to provide ancillary services, equipment and support to the race and sports book operations of such Boyd Subsidiaries. For fiscal year 2005, the Boyd Subsidiaries incurred aggregate expenses to LVDC of approximately \$4,200,000. Michael J. Gaughan is a member of the Board of Directors of the Company and the Chief Executive Officer of Coast Casinos and Coast Hotels.

Coast Benefits was reimbursed in full by the Related Entities for these payments.

Mr. Gaughan maintains funds on deposit with Coast Casinos in an amount sufficient to fund, from time to time, those certain related-party disbursements discussed herein. Mr. Gaughan owns Gaughan Slot Concession, which operates and manages certain slot concessions at McCarran International Airport in Las Vegas, Nevada.

Mr. Gaughan is the sole owner of Gaughan Flying, LLC, an entity that owns an aircraft that is used for, among other things, business purposes related to the Company. Gaughan, Jr. received total salary and bonus in the amount of \$244,500 and he is receiving a base salary of \$300,000 for fiscal year 2006.

Michael J. Gaughan, Jr. was previously an owner of Coast Vacations, Inc., a travel agency operating under the name Las Vegas Vacations (LVV), that marketed Coast Casinos hotel-casino properties to residents of Vancouver, Canada. Coast Hotels had agreed to pay LVV approximately \$10,000 per month to promote its hotel-casinos subject to certain conditions designed to assure that LVV was utilizing such funds in a productive manner and for purposes that benefit Coast Casinos. Effective November 2005, Boyd Travel, Inc., a wholly owned subsidiary of the Company, purchased all of the common stock of LVV for \$32,000, of which \$16,000 was paid to Michael J. PROPOSAL 3 Approval of an Amendment to and a Restatement of the Company's

2000 Executive Management Incentive Plan

The Company's stockholders are being asked to approve an amendment to and a restatement of the Boyd Gaming Corporation 2000 Executive Management Incentive Plan (the "2000 MIP"). Subject to stockholder approval, the Board of Directors approved an amendment to and a restatement of the 2000 MIP to (a) increase the maximum award payable under the 2000 MIP to a participant for any plan year or plan cycle from \$2 million to \$4 million and (b) make certain other administrative changes to the 2000 MIP.

The Board of Directors and the stockholders last approved the 2000 MIP in the year 2005. To maintain the deductibility of bonus payments made under the 2000 MIP, Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), requires that the 2000 MIP be approved by the Company's stockholders.

The 2000 MIP provides the Company's key executives with the opportunity to earn incentive awards based on the achievement of goals relating to the performance of the Company and its business units.

Background

The 2000 MIP is a performance-based bonus plan pursuant to which the Company rewards management for achieving certain performance objectives. Under Section 162(m) of the Code, the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of its four other most highly compensated executive officers may be limited to the extent that such compensation exceeds \$1 million in any one year. However, the Company may deduct compensation in excess of that amount if it qualifies as performance-based compensation, as defined in Section 162(m). The 2000 MIP is designed to qualify payments thereunder as performance-based compensation, so that the Company may continue to receive a federal income tax deduction for the payment of incentive bonuses to its executive officers.

Description of the 2000 MIP

The following paragraphs provide a summary of the principal features of the 2000 MIP (as amended and restated) and its operation. A form of the 2000 MIP is set forth in its entirety as *Appendix A* to this Proxy Statement. The following summary is qualified in its entirety by reference to *Appendix A*.

Purpose of the 2000 MIP

The 2000 MIP is intended to increase stockholder value and the success of the Company by motivating key employees to perform to the best of their abilities and achieve the Company's objectives.

Administration of the 2000 MIP

The 2000 MIP will be administered by the Company's Compensation and Stock Option Committee (the "Committee").

Eligibility to Receive Awards

All officers and key employees of the Company or any subsidiary of the Company are eligible to participate in the 2000 MIP. Participation in the 2000 MIP by any particular officer or employee is determined annually in the sole discretion of the Committee. In selecting participants for the 2000 MIP, the Committee will choose officers and employees of the Company or any subsidiary of the Company who are likely to have a significant impact on Company performance. For 2006, there are eight participants in the 2000 MIP. Future participation will be in the sole discretion of the Committee, but it currently is expected that eight officers and employees will participate each year.

Target Awards and Performance Goals

The 2000 MIP will pay awards based on a plan period which consists of either a single plan year or two or more consecutive fiscal years of the Company known as a plan cycle. For each plan period (or portion of a plan period), the Committee will establish in writing: (1) a target award for each participant, (2) the performance goals which must be achieved in order for the participant to be paid the target award, and (3) a formula for increasing or decreasing a participant's target award depending upon how actual performance compares to the pre-established performance goals. Each participant's target award will be determined by the Committee in its sole discretion. There are several performance measures which the Committee may use in setting the performance goals for any year. Specifically, the performance goals applicable to any participant will provide for a targeted level of achievement using one or more of the following measures: the Company's pre- or after-tax earnings, revenue growth, operating income, operating cash flow, return on net assets, return on assets, return on capital, return on stockholders' equity, share price growth, stockholder returns, gross or net profit margin, earnings per share, price per share and market share, any of which may be measured either in absolute terms, as compared to any incremental increase, or as compared to results of a peer group. The Committee may set performance goals that differ from participant to participant. For example, the Committee may choose performance goals that apply on either a corporate or business unit basis, as deemed appropriate in light of the participant's responsibilities.

For 2006, the Committee has established for the participants a performance goal based on relative growth in the Company's total stock return, which takes dividends into account, (Total Stock Return) compared to the growth in the Total Stock Return of the companies in the Standard and Poor's MidCap 400 Index (the Index). The Committee has also established a formula, with such measurements as variables, which will determine actual awards.

Determination of Actual Awards

After the end of each performance goal period, the Committee must certify in writing the extent to which the performance goals applicable to each participant were achieved or exceeded. The actual award, if any, for each participant will be determined by applying the formula to the level of actual performance which has been certified by the Committee. However, the Committee retains discretion to eliminate or reduce the actual award payable to any participant below that which otherwise would be payable under the applicable formula. Also, no participant's actual award under the 2000 MIP may exceed \$4 million for any plan year or \$4 million for any plan cycle. Furthermore, the 2000 MIP contains a continuous employment requirement.

If a participant terminates employment with the Company for any reason other than death or disability prior to the award payment date, he or she is not entitled to the payment of an award for any plan period in which he or she is participating on the date of termination. If the participant's termination is due to disability or death, he or she is entitled to the payment of an award for each plan period in which he or she is participating on the date of termination, provided, however, that the Committee may proportionately reduce or eliminate his or her actual award based on the date of termination and such other considerations as the Committee deems appropriate.

If a long service participant terminates employment with the Company for any reason (including death or disability) prior to the award payment date, he or she is entitled to (a) the payment of an award for the plan period (in which the participant is participating on the date of termination) with the earliest date of commencement and (b) the payment of an award for any other plan period (in which the participant is participating on the date of termination) reduced proportionately based on the number of years of employment completed during the plan period with each partial year of employment counting as a full year. A long service participant generally means a participant that has reached age fifty five (55) and completed fifteen (15) or more years of service with the Company or any subsidiary of the Company (including years of service with an entity acquired by the Company pursuant to a merger or acquisition).

If a participant is terminated without cause within twenty-four (24) months after a Corporate Transaction or a Change in Control (each as defined in the Company's 2002 Stock Incentive Plan), the participant is entitled to the payment of an award for each plan period (in which the participant is participating on the date of termination).

Awards under the 2000 MIP generally will be payable in cash after the end of the plan period during which the award was earned. However, the Committee reserves the right to declare any award wholly or partially payable in an equivalent amount of restricted stock issued under the Company's 1996 Stock Incentive Plan or 2002 Stock Incentive Plan.

Pro-forma Benefits for the 2000 MIP

Because payments under the 2000 MIP are determined by comparing actual performance to the annual performance goals established by the Committee, it is not possible to conclusively state the amount of benefits which will be paid under the 2000 MIP. The following table sets forth the information regarding performance awards granted during 2006 that would be payable to all of the current participants, if the performance goal established by the Committee for 2006 is achieved. There can be no assurance that the pre-established performance goal actually will be achieved in whole or in part, and therefore, there can be no assurance that the target awards shown below actually will be paid in the amounts shown. Amounts paid, if any, may be greater or lesser than the amounts shown below depending upon the Company's Total Stock Return performance compared to the stated goals.

- (1) Represents target performance awards under the 2000 MIP for the 2006-2008 award period. Actual dollar amounts to be paid out at the end of this three-year period will be based on the Company's achieving a target (Target) relative growth in the Company's Total Stock Return compared to the growth in the Total Stock Return of the companies in the Index.
- (2) Threshold represents amounts payable upon out performing 30% of the companies in the Index. Maximum represents amounts payable upon out performing at least 90% of the companies in the Index. No payout will be made unless the Company out performs at least 30% of the companies in the Index for the period.

The officers and key employees, including the Named Executive Officers, who participate in the 2000 MIP are also eligible for certain short term incentive bonus awards under the Company's annual management incentive plan.

Amendment and Termination of the 2000 MIP

The Board of Directors may amend or terminate the 2000 MIP at any time and for any reason, but in accordance with Section 162(m) of the Internal Revenue Code, certain material amendments to the 2000 MIP will be subject to stockholder approval.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF
THE AMENDMENT TO AND RESTATEMENT OF
THE 2000 EXECUTIVE MANAGEMENT INCENTIVE PLAN.**

**PROPOSAL 4 Approval of an Amendment to and Restatement of the Company's Articles of Incorporation
to Declassify the Board of Directors**

Background

Under Article VIII, Section C of the Company's Amended Articles of Incorporation, the Board of Directors is currently divided into three classes, with directors elected to staggered three-year terms. Approximately one-third of the directors stand for election each year. The Board of Directors has determined that it is advisable and in the best interests of the Company and the stockholders to eliminate the classified board of directors, thereby permitting the Company's stockholders to elect all members of the Board of Directors annually. The Board of Directors is seeking approval of an amendment to Article VIII, Section C of the Company's Amended Articles of Incorporation to declassify the Board of Directors, thereby providing for the annual election of all directors commencing with the 2007 Annual Meeting of Stockholders.

On February 16, 2006, the Board of Directors unanimously approved, and recommends that the stockholders approve under this Proposal, the adoption of an amendment to and restatement of the Amended Articles of Incorporation to declassify the Board of Directors, as set forth in its entirety as *Appendix B*. Under this Proposal, Article VIII, Section C of the Amended Articles of Incorporation would be amended and restated in its entirety to read as follows:

C. Term of Members of Board of Directors

Each member of the Board of Directors shall serve for one year. Notwithstanding the foregoing, the Class II directors elected at the 2005 Annual Meeting of Stockholders shall continue to serve until their terms would otherwise expire unless such directors agree to stand for election in 2007 for one-year terms.

except that if the amendment is approved by two-thirds or more of the outstanding shares, the second sentence shall be deleted.

Approval of this amendment requires the affirmative vote of a majority of the issued and outstanding shares of the Company's Common Stock. As the Board is currently classified, Class I directors have one year remaining in their terms (until the 2007 Annual Meeting of Stockholders) and Class II directors have two years remaining in their terms (until the 2008 Annual Meeting of Stockholders). Nevada corporate law and the Company's charter require a vote of at least two-thirds of the outstanding shares to remove a director and only a majority of the outstanding shares to amend the Company's Amended Articles of Incorporation. Since approval of this Proposal by a vote of less than two-thirds could be viewed as an unauthorized reduction of the Class II directors' term, the Company will only reduce the Class II directors' term in the event this Proposal is approved by at least two-thirds of the outstanding shares. If this Proposal is approved by at least two-thirds of the outstanding shares, each of the Class I, Class II and Class III directors will stand for election for a one-year term commencing with the 2007 Annual Meeting of Stockholders. If this Proposal is approved by less than two-thirds of the outstanding

shares, but by at least a majority of the outstanding shares, then the current Class I and Class III directors will stand for election at the 2007 Annual Meeting of Stockholders for one-year terms; and the Class II directors will continue to hold office until the 2008 Annual Meeting of Stockholders, at which time the Class II directors will stand for election for one-year terms, unless those Class II directors agree to stand for election in 2007 for one-year terms.

If the proposed amendment is not approved by a majority of the outstanding shares, the Board of Directors will remain classified, and the five Class III directors up for election under Proposal 1 of this Proxy Statement will be elected for a three-year term expiring in 2009. All other directors will continue in office for the remainder of their full three-year terms, subject to their earlier resignation or removal.

Purpose of the Amendment

The classification of directors historically has been viewed as having the effect of promoting continuity and stability in the management of the business and affairs of a company and encouraging persons considering unsolicited tender offers or other unilateral takeover actions to negotiate with the target company's board of directors rather than pursue non-negotiated takeover attempts. While the Board of Directors believes these are important concerns, after careful consideration, and because there is no limit to the number of terms an individual may serve, the board also believes that continuity and stability of the Board's membership, the Company's policies and long-term strategic planning should not be affected by declassification. The Board further believes that declassified boards are perceived more positively by the investment community than classified boards. The Board is submitting this proposal as part of its ongoing evaluation of its corporate governance practices to ensure that such practices, including the mechanism for the election of directors, remain in the best interests of the Company and its stockholders. This proposal is neither the result of any effort to unseat incumbent directors nor the result of any effort by any person to take control of the Board.

Stockholder Resolutions

If the stockholders approve this Proposal, they will be deemed to have adopted the following resolutions:

WHEREAS, the Board of Directors has deemed it advisable and in the best interest of the Corporation to amend its Articles of Incorporation to declassify its Board of Directors and has recommended the approval of such amendments to the stockholders of the Corporation;

NOW, THEREFORE, BE IT RESOLVED: That the Articles of Incorporation be amended pursuant to Sections 78.385 and 78.390 of the Nevada Revised Statutes, as follows:

Article VIII, Section C, of the Articles of Incorporation as restated and filed with the Secretary of State of Nevada on July 10, 2000, shall be further amended and restated in its entirety to read as follows:

C. Term of Members of Board of Directors.

Each member of the Board of Directors shall serve for one year. Notwithstanding the foregoing, the Class II directors elected at the 2005 Annual Meeting of Stockholders shall continue to serve until their terms would otherwise expire unless such directors agree to stand for election in 2007 for one-year terms.

RESOLVED FURTHER: That if the foregoing amendment is approved by two-thirds or more of the voting power of the stockholders, the Articles of Incorporation shall be amended in accordance with the language reflected above, provided however, that the second sentence shall be omitted.

RESOLVED FURTHER: That upon the approval of the foregoing amendment, the Corporation shall file all certificates required by law to effectuate the same.

RESOLVED FURTHER: If the foregoing amendment is approved by two-thirds or more of the voting power of the stockholders, all directors shall be elected for terms of one year commencing with the 2007 annual meeting.

RESOLVED FURTHER: That if the amendment passes by less than two-thirds of the voting power of the stockholders, the directors elected in 2006 will be deemed to have been elected for a term of one year. Those directors elected in 2005 shall continue to hold office until the 2008 annual meeting, at which time their successors will be elected for terms of one year, unless such directors agree to stand for election in 2007 for one year terms.

RESOLVED FURTHER: That the Directors and Officers of this Corporation and each of them are authorized to execute all documents and take all actions necessary to amend and restate the Articles of Incorporation as set forth above.

**THE BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE ADOPTION OF THE
AMENDMENTS TO AND RESTATEMENT OF THE COMPANY S ARTICLES OF INCORPORATION
AND RECOMMENDS A VOTE FOR APPROVAL OF SUCH PROPOSAL.**

Stockholder Proposals

Stockholders may submit proposals on matters appropriate for stockholder action at subsequent annual meetings of the Company consistent with Rule 14a-8 promulgated under the Exchange Act. To be properly considered at the 2007 Annual Meeting of Stockholders, notice of any stockholder proposals must be given to the Company s Secretary in writing not less than 60 days prior to the date of the 2007 Annual Meeting of Stockholders, after which a proposal is untimely. A stockholder s notice to the Secretary must set forth for each matter proposed to be brought before the annual meeting (a) a brief description of the matter the stockholder proposes to bring before the meeting and the reasons for conducting such business at the meeting, (b) the name and address of the stockholder proposing such business, (c) the number of shares of Common Stock which are beneficially owned by the stockholder and (d) any material interest of the stockholder in such business. In addition, proposals of stockholders intended to be presented at the Company s 2007 Annual Meeting of Stockholders must be received by the Company, Attention: Brian A. Larson, Senior Vice President, Secretary and General Counsel, at the principal offices of the Company, no later than December 23, 2006, for inclusion in the Board of Director s Proxy Statement and form of proxy for that meeting.

Other Matters

The Board of Directors currently knows of no other business which will be presented to the Annual Meeting. If any other business is properly brought before the Annual Meeting, it is intended that proxies in the enclosed form will be voted in respect thereof as the proxy holders deem advisable.

A copy of the Company s Annual Report on Form 10-K for the year ended December 31, 2005 as filed with the SEC has been provided to the Company s stockholders together with this Proxy Statement and will be provided to a stockholder without charge upon written request to Boyd Gaming Corporation, 2950 Industrial Road, Las Vegas, Nevada 89109-1150, (702) 792-7200, Attn: Robert D. Stillwell, Vice President of Corporate Communications.

Notwithstanding the preceding, no participant's Actual Award under the Plan may exceed his or her Maximum Award.

3.5 Determination of Actual Awards.

(a) *General.* After the end of each Plan Period, the Committee shall certify in writing the extent to which the Performance Goals applicable to each Participant for the Plan Period were achieved or exceeded. The Actual Award for each Participant shall be determined by applying the Payout Formula to the level of actual performance which has been certified by the Committee.

(iv) If a Participant is terminated without Cause within twenty-four (24) months after a Corporate Transaction or a Change in Control (each as defined in the Company's 2002 Stock Incentive Plan), the Participant shall be entitled to the payment of an Actual Award for each Plan Period (in which the Participant is participating on the date of termination).

SECTION 4

PAYMENT OF AWARDS

4.1 Right to Receive Payment. Each Actual Award that may become payable under the Plan shall be paid solely from the general assets of the Company. Nothing in this Plan shall be construed to create a trust or to establish or evidence any Participant's claim of any right other than as an unsecured general creditor with respect to any payment to which he or she may be entitled.

4.2 Timing of Payment. Payment of each Actual Award shall be made within three calendar months after the end of the Plan Period during which the Award was earned.

4.3 Form of Payment. Each Actual Award normally shall be paid in cash (or its equivalent) in a single lump sum. However, the Committee, in its sole discretion, may declare any Actual Award, in whole or in part, payable in the form of a restricted stock bonus granted under the Company's 1996 Stock Incentive Plan, 2002 Stock Incentive Plan or successor equity compensation plan. The number of shares granted shall be determined by dividing the cash amount of the Actual Award by the fair market value of a share of Company common stock on the date that the cash payment otherwise would have been made. For this purpose, fair market value shall be determined by the Committee, in its sole discretion.

4.4 Other Deferral of Actual Awards. The Committee may establish one or more programs under the Plan to permit selected Participants the opportunity to elect to defer receipt of Actual Awards. The Committee may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts so deferred, and such other terms, conditions, rules and procedures that the Committee deems advisable for the administration of any such deferral program.

4.5 Payment in the Event of Death. If a Participant dies prior to the payment of an Actual Award earned by him or her for a prior Plan Period, the Actual Award shall be paid to his or her estate.

SECTION 5

ADMINISTRATION

5.1 Committee is the Administrator. The Plan shall be administered by the Committee.

5.2 Committee Authority. The Committee shall have all discretion and authority necessary or appropriate to administer the Plan and to interpret the provisions of the Plan, consistent with qualification of the Plan as

performance-based compensation under Code Section 162(m). Any determination, decision or action of the Committee in connection with the construction, interpretation, administration or application of the Plan shall be final, conclusive, and binding upon all persons, and shall be given the maximum deference permitted by law.

5.3 Tax Withholding. The Company shall withhold all applicable taxes from any payment, including any federal, foreign, state, and local taxes.

SECTION 6

GENERAL PROVISION

6.1 Nonassignability. A Participant shall have no right to assign or transfer any interest under this Plan.

6.2 No Effect on Employment. The establishment and subsequent operation of the Plan, including eligibility as a Participant, shall not be construed as conferring any legal or other rights upon any Participant for the continuation of his or her employment for any Plan Period or any other period. Generally, employment with the Company or any subsidiary of the Company is on an at will basis only. Except as may be provided in an employment contract with the Participant, the Company expressly reserves the right, which may be exercised at any time and without regard to when during a Plan Period such exercise occurs, to terminate any individual's employment without cause, and to treat him or her without regard to the effect which such treatment might have upon him or her as a Participant.

6.3 No Individual Liability. No member of the Committee or the Board, or any employee of the Company, shall be liable for any determination, decision or action made in good faith with respect to the Plan or any award under the Plan.

6.4 Severability; Governing Law. If any provision of the Plan is found to be invalid or unenforceable, such provision shall not affect the other provisions of the Plan, and the Plan shall be construed in all respects as if such invalid provision has been omitted. The provisions of the Plan shall be governed by and construed in accordance with the laws of the State of Nevada.

6.5 Affiliates of the Company. Requirements referring to employment with the Company or payment of awards may, in the Committee's discretion, be performed through the Company or any affiliate of subsidiary of the Company.

SECTION 7

AMENDMENT AND TERMINATION

7.1 Amendment and Termination. The Board may amend or terminate the Plan at any time and for any reason; provided, however, that if and to the extent required to ensure the Plan's qualification under Code Section 162(m), any such amendment shall be subject to stockholder approval.

7.2 Plan History. The Plan was originally adopted by the Board and the stockholders of the Company in 2000. The Plan was reapproved by the stockholders of the Company in 2005 for re-qualification under Code Section 162(m). The Plan was amended and restated on _____, 2006 to (a) amend various provisions regarding the determination of Actual Awards under Section 3.5 and (b) increase the Maximum Award payable under the Plan for any Plan Period, which amendment and restatement is subject to stockholder approval. The amended and restated Plan will be effective for Plan Periods commencing on or after stockholder approval of the amended and restated Plan.

I. Corporate Name

The name of the Corporation is Boyd Gaming Corporation.

II. Principal Office

The principal office and place of business of the Corporation shall be 2950 South Industrial Road, Las Vegas, Nevada 89109.

III. Corporate Purpose

The purpose of the Corporation is to engage in any lawful act or activity for which a Corporation may be organized under the provisions of Chapter 78 of the Nevada Revised Statutes.

IV. Capitalization

A. Authorized Shares.

The Corporation is authorized to issue two classes of shares, designated Common Stock and Preferred Stock. The Corporation is authorized to issue in the aggregate (i) two hundred million (200,000,000) shares of its Common Stock having a par value of \$.01 per shares and (ii) five million (5,000,000) shares of its Preferred Stock having a par value of \$.01 per share.

B. Fully Paid and Non-Assessable.

Any and all shares of stock issued by the Corporation, the fixed consideration for which has been paid or delivered, shall be deemed fully paid stock and such shares shall not be liable for any further call or assessment thereon, and the holders of such stock shall not be liable for any further assessments.

C. Preemptive Rights.

No holder of shares of the Corporation of any class shall be entitled as such, as a matter of right, whether preemptive, preferential or otherwise, to subscribe for, purchase or receive any shares of the Corporation of any class, or any securities convertible into, exchangeable for, or carrying a right or option to purchase its shares of any class, whether now or hereafter authorized and whether issued, sold or offered for sale by the Corporation for cash or other consideration or by way of dividend, split of shares or otherwise. This provision shall be interpreted to deny preemptive or preferential rights to the maximum extent permitted under Nevada law.

V. Common Stock

A. Election of Directors.

The holders of the issued and outstanding shares of Common Stock shall be entitled to notice of and to vote at any meeting of stockholders of the Corporation. Subject to Section (b) of Article VIII, at any such meeting at

which directors are elected, the holders of the Common Stock, voting as a separate class, shall be entitled to elect the number of directors of the Corporation who are being elected at such meeting. There shall be no right with respect to shares of stock of the Corporation to cumulate votes in the election of directors.

At all meetings of stockholders held for the purpose of electing directors, the presence, in person or by proxy, of the holders of shares representing a majority of the shares of the Common Stock entitled to vote thereat shall be required to constitute a quorum for the election of directors; provided, however, that in absence of a quorum, a majority of those holders of Common Stock who are present in person or by proxy shall have the power to adjourn the meeting for election of those directors, from time to time, without notice, other than announcement at the meeting, until the requisite number of holders of Common Stock shall be present in person or by proxy.

In the event of any vacancy among the directors elected, such vacancy may be filled by a vote of Common Stockholders, voting as a separate class, or, if prior to a stockholder vote, by a majority of the remaining directors. The term of any director elected by the remaining directors will expire at the time that the term of the director who created the vacancy would have expired.

B. Voting.

Each holder of Common Stock shall be entitled to one vote for each share held on all matters submitted to stockholders of the Corporation and shall vote together as a single class.

C. Dividends.

Subject to any future rights which may be granted to the holders of any series of Preferred Stock, and subject to any other provisions of these Restated and Amended Articles of Incorporation, holders of Common Stock shall be entitled to receive such dividends and other distributions in cash, stock or property of the Corporation as may be declared thereon by the Board of Directors from time to time out of assets or funds of the Corporation legally available therefor.

D. Redemption of Stock.

As long as the Corporation remains either a holding company or an intermediary holding company subject to the statutes, regulations, rules, ordinances, orders or interpretations (the "Gaming Laws") of any gaming authority (the "Gaming Authorities"), all securities of the Corporation shall be held subject to the applicable provisions of such Gaming Laws. Not by way of limitation, if the Corporation becomes, and so long as it remains, either a holding company or an intermediary holding company subject to regulation under the New Jersey Casino Control Act (the "New Jersey Act"), the Indiana Riverboat Gambling Act (the "Indiana Act") or any other Gaming Authority which has similar requirements, all securities of the Corporation shall be held subject to the condition that if a holder thereof is found to be disqualified by either the New Jersey Casino Control Commission pursuant to the New Jersey Act, the Indiana Gaming Commission pursuant to the Indiana Act, or any other Gaming Authority which has similar requirements, such holder shall, at the election of the Corporation, either: (i) sell any or all of such securities to the Corporation at the Redemption Price (defined below); or (ii) otherwise dispose of his interest in the Corporation, all within 30 days following the Corporation's receipt of notice (the "Notice Date") of the holder's disqualification. The Redemption Price shall be the lesser of (i) the lowest closing sale price of the such securities between the Notice Date and the date 30 days after the Notice Date or (ii) such holder's original purchase price for such securities. The disqualified holder will also be responsible for and will pay all costs associated by the Corporation in connection with the disposition or redemption of securities, including but not limited to attorneys fees. Promptly following the Notice Date, the Corporation shall either deliver such written notice along with the Corporation's election personally to the disqualified holder or shall mail it to such holder at the address shown on the Corporation's records, or use any other reasonable means to provide notice. Failure of the Corporation to provide notice to a disqualified holder

after making reasonable efforts to do so shall not preclude the corporation from exercising its rights. If any disqualified holder fails to dispose his securities within 30 days following the Notice Date, the corporation, by action of the Board of Directors, may redeem such securities at the lesser of (i) the lowest closing sale price of the such securities between the Notice Date and the date 30 days after the Notice Date or (ii) such holder's original purchase price for such securities. So long as the corporation is a publicly traded holding company as defined in the New Jersey Act and the Indiana Act, commencing on the Notice Date, it shall be unlawful for the disqualified holder to: (i) receive any dividends or interest upon any securities of the Corporation held by such holder; (ii) exercise, directly or through any trustee or nominee, any right conferred by such securities; or (iii) receive any remuneration in any form, for services rendered or otherwise, from the Corporation or any subsidiary of the Corporation that holds a casino license.

VI. \$100 Preferred Stock

(Elimination effective on October 22, 1993)

VII. Preferred Stock

The Preferred Stock of the Corporation may be issued in one or more series, and the Board of Directors of the Corporation is authorized to determine the designation and to fix the number of shares of each series. The Board of Directors of the Corporation is further authorized to fix and determine the dividend rate, premium or redemption rates, conversion rights, voting rights, preferences, privileges, restrictions and other variations granted to or imposed upon any wholly unissued series of Preferred Stock.

VIII. Board of Directors

A. Number of Directors.

The number of directors of the Corporation shall not be less than five (5) nor more than fifteen (15) until changed by amendment of the Articles of Incorporation. The exact number of members constituting the Board of Directors shall be fixed from time to time within the limits specified in the Articles of Incorporation by the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors.

(Names and addresses of initial directors are intentionally omitted.)

B. Election of Directors.

Directors shall be elected by the vote of the holders of Common Stock pursuant to Article V of these Articles and as set forth in the Bylaws of the Corporation but subject to any designation of rights and preferences of any shares of Preferred Stock.

C. Term of Members of Board of Directors.

Each member of the Board of Directors shall serve for one year. [Notwithstanding the foregoing, the Class II directors elected at the 2005 Annual Meeting shall continue to serve until their terms would otherwise expire unless such directors agree to stand for election in 2007 for one-year terms.]

D. Removal of Directors.

Notwithstanding any other provision of the Articles of Incorporation or the Bylaws of the Corporation (and notwithstanding the fact that some lesser percentage may be specified by law), any director or the entire Board

may be removed at any time, but only for cause or only by the affirmative vote of the holders of 66-2/3% or more of the outstanding shares of capital stock of this Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.

IX. Director and Officer Liability

A director of the Corporation shall not be liable to the Corporation or its stockholders for damages for breach of fiduciary duty as a director or officer, except that this provision shall not eliminate or limit the liability of a director or officer for:

1. acts or omissions which involve intentional misconduct, fraud or a knowing violation of the law; or
2. in the case of directors, the payment of dividends in violation of Section 78.300 of the Nevada Revised Statutes.

If the Nevada Revised Statutes are hereafter amended to authorize the further elimination or limitation of the liability of a director or officer, then the liability of a director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the Nevada Revised Statutes, as so amended.

Indemnification by the Corporation of directors, officers or other agents of the Corporation may be authorized by the Bylaws of the Corporation or by resolution of the Board of Directors, to the fullest extent permitted under Nevada law at the time such indemnification is granted.

The expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation as they are incurred and in advance of final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that such director is not entitled to be indemnified by the Corporation.

Any repeal or modification of the foregoing provisions of this Article IX by the stockholders of the Corporation or of the indemnification provisions of the Bylaws by the Board of Directors or the stockholders of the Corporation shall not adversely affect any right or protection of a director or officer of the Corporation existing prior to the date when such repeal or modification becomes effective.

X. Incorporators

(Names and addresses of incorporators are intentionally omitted.)
