**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On June 2, 2006, Luna Innovations Incorporated (the Company) filed an Amended and Restated Certificate of Incorporation (the June 2 Certificate) with the Delaware Secretary of State following the effectiveness of the Company's Registration Statement on Form S-1, as amended (Registration No. 333-131764) (the Registration Statement) in connection with the Company's initial public offering of shares of its common stock (the IPO). The June 2 Certificate became effective upon filing.

The June 2 Certificate amended the Company's prior Amended and Restated Certificate of Incorporation (the Prior Certificate) by changing the definition of the closing of a Qualified IPO in the Prior Certificate. The definition of the closing of a Qualified IPO in Article V, Section 4(c)(i) of the Prior Certificate required that the initial public offering price of the Company's common stock be at least two times the original purchase price of the Company's Class C Common Stock; this requirement was removed in the June 2 Certificate to allow the Company to proceed with the closing of its IPO on June 7, 2006.

On June 7, 2006, in connection with the closing of its IPO, the Company filed with the Delaware Secretary of State a further Amended and Restated Certificate of Incorporation (the June 7 Certificate). The June 7 Certificate became effective upon filing.

The June 7 Certificate reflects the post-IPO provisions set forth in the prospectus included in the Company's Registration Statement. The June 7 Certificate removes provisions in the June 2 Certificate that are no longer applicable following the closing of the Company's IPO.

The descriptions contained in this report of the changes to the Prior Certificate and the June 2 Certificate and the new provisions of the June 7 Certificate do not purport to be complete, and are qualified in their entirety by reference to (i) the full text of the Prior Certificate, a copy of which was filed with the Commission on May 19, 2006 as Exhibit 3.5 to Amendment No. 5 to the Company's Registration Statement and incorporated herein by reference, (ii) the full text of the June 2 Certificate attached hereto as Exhibit 3.1 and incorporated herein by reference, and (iii) the full text of the June 7 Certificate attached hereto as Exhibit 3.2 and incorporated herein by reference.
