Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On December 15, 2007, Ingersoll-Rand Company Limited (IR), Trane Inc. (Trane) and Indian Merger Sub, Inc. (Merger Sub), a wholly-owned subsidiary of IR, entered into an Agreement and Plan of Merger (the Merger Agreement), providing for the acquisition of Trane by IR.

Subject to the terms and conditions of the Merger Agreement, which has been approved by the boards of directors of all parties, Merger Sub will be merged with and into Trane. Upon effectiveness of the merger, each outstanding share of common stock of Trane, other than shares owned by IR, Trane or their subsidiaries and any dissenting shares, will be converted into the right to receive a combination of (i) 0.23 of an IR common share and (ii) \$36.50 in cash without interest. Under limited circumstances, IR or Trane may increase by up to \$1.00 in cash the ratio of cash to common shares in the merger consideration.

Consummation of the merger is subject to various customary conditions, including adoption of the Merger Agreement by Trane's stockholders, the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and the receipt of other material antitrust approvals.

The Merger Agreement contains customary covenants, including covenants providing for the parties to use reasonable best efforts to cause the closing of the merger to be completed. The Merger Agreement also requires Trane to call and hold a meeting of its stockholders to adopt the Merger Agreement as soon as reasonably practicable and prohibits Trane from taking various actions that could reasonably be expected to facilitate a competing takeover proposal for Trane.

The Merger Agreement contains certain termination rights and provides that, upon the termination of the Merger Agreement under specified circumstances, generally including a competitive takeover proposal by a third party or a change in the Trane board's recommendation of the merger to their stockholders, Trane may be required to pay IR a termination fee of \$315,000,000.

The foregoing description of the Merger Agreement is included to provide you with information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

A copy of the press release announcing the Merger Agreement is filed with this report as Exhibit 99.1 and is incorporated herein by reference.

Debt Commitment Letter

Concurrently, and in connection with entering into the Merger Agreement, IR entered into a debt commitment letter (the Debt Commitment Letter) with JPMorgan Chase Bank, N.A., J.P. Morgan Securities Inc., Credit Suisse, Cayman Islands Branch, Credit Suisse Securities (USA) LLC, Goldman Sachs Bank USA and Goldman Sachs Credit Partners L.P. (the Debt Financing Sources) pursuant to which, subject to the conditions set forth therein, the Debt Financing Sources committed to provide to IR

senior unsecured financing of up to \$3,900,000,000, the proceeds of which will be used to pay certain fees and expenses in connection with the merger and a portion of the cash component of the merger consideration. The debt commitments expire September 30, 2008.

The foregoing description of the Debt Commitment Letter is included to provide you with information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Debt Commitment Letter, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
