This Form 8-K is being filed for reasons other than those that would require a filing under Regulation FD.

Item 8.01. Other Events.

On March 9, 2009, Life Sciences, Inc. filed a voluntary petition for relief under Chapter 11 of the United State Bankruptcy Code (reorganization) in the U.S. Bankruptcy Court for the Middle District of Florida, Tampa Division. To obtain related funds for the proceeding in Tampa, Life Sciences issued on March 9, 2009, its \$35,000, 30-day, promissory note and a warrant to purchase 700,000 shares of Life Sciences common stock to a single foreign investor.

The Chapter 11 filing had the effect under the automatic stay provisions of the Bankruptcy Code of stopping, pending further order of court, the eviction of Life Sciences from its manufacturing, laboratory and office facilities in St. Petersburg, Florida otherwise scheduled for March 10, 2009. That eviction would have taken place pursuant to a judgment obtained against Life Sciences in a Florida state court by Simon Srybnik and Louis D. Srybnik through their controlled New York corporation, 186-194 Imlay St. Realty Corp. (Imlay), on March 5, 2009 related to 9-1/2 years of allegedly due back rent.

Simon and Louis D. Srybnik not only control Imlay, but also are the direct and indirect beneficial owners of more than 60% of the common stock of Life Sciences.
