**Item 7.01 Regulation FD Disclosure.**

On May 7, 2009, Fifth Third Bancorp issued a press release announcing the results of its Supervisory Capital Assessment by the Federal Reserve Bank. The assessment indicated that, under its more adverse scenario, Fifth Third would need additional Tier 1 common equity in the amount of \$1.1 billion, after accounting for a \$1.6 billion incremental benefit to Tier 1 common equity that may be provided by Fifth Third's previously announced sale of a majority interest in its processing business to Advent International which is expected to close in the second quarter of 2009. Fifth Third also made available on its website a presentation related to this announcement.
