INFORMATION ABOUT THE MEETING

The Meeting

This Proxy Statement is being furnished in connection with the solicitation of proxies by the board of directors of MEMSIC, Inc., a Delaware corporation (*MEMSIC* or the *Company*), for use at the Company's Special Meeting in Lieu of Annual Meeting of Stockholders to be held on Wednesday, September 30, 2009 (the *Annual Meeting*) at 10:00 a.m., local time, at the offices of Foley Hoag LLP, Bay Colony Corporate Center, 1000 Winter Street, Suite 4000, Waltham, Massachusetts 02451 or at any postponements or adjournments thereof. The purpose of the Annual Meeting is to consider and act upon the following proposals:

 2. To approve an amendment to the Company's Certificate of Incorporation to reduce the Company's authorized capital stock from 110,000,000 shares, divided into 100,000,000 shares of common stock and 10,000,000 shares of preferred stock, to 50,000,000 shares of capital stock, divided into 45,000,000 shares of common stock and 5,000,000 shares of preferred stock;

How to Vote

Edgar Filing: MEMSIC Inc - Form DEF 14A

Only stockholders of record at the close of business on August 20, 2009 (the **Record Date**) will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment thereof. As of the Record Date, an aggregate of 23,755,675 shares of common stock, \$0.00001 par value per share, of the Company were issued and outstanding and held by approximately 35 holders of record. The holders of Common Stock are entitled to one vote per share on any proposal presented at the Annual Meeting. Stockholders may vote in person or by proxy. Execution of a proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. Any proxy may be revoked by the person giving it at any time before its exercise by (1) filing with the Secretary of the Company, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the proxy, (2) duly executing a later dated proxy relating to the same shares and delivering it to the Secretary of the Company before the taking of the vote at the Annual Meeting, or (3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation or subsequent proxy should be delivered to MEMSIC, Inc., One Tech Drive, Suite 325, Andover, Massachusetts 01810, Attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

Table of Contents

Quorum and Tabulation of Votes

Our bylaws provide that the presence in person or representation by proxy of the holders of at least a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, then either the chairman of the meeting or the stockholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner. Under the rules that currently govern brokers and banks, the election of directors and the ratification of the appointment of independent registered public accounting firms are considered routine matters and brokers will have discretion to vote shares held in street name for their clients on those matters. The amendment of the Company's Certificate of Incorporation is considered a non-routine matter and brokers do not have discretionary voting power.

The election of each nominee for election of director requires a plurality of the votes cast and, accordingly, the director nominees receiving the highest number of FOR votes at the meeting will be elected to serve as Class II directors. You may either vote FOR or WITHHOLD your vote for each director nominee. A properly executed proxy marked WITHHOLD with respect to the election of a director nominee will not be voted in favor of the election of that director nominee, although it will be counted for purposes of determining whether there is a quorum.

The approval of the amendment to our Certificate of Incorporation requires the affirmative vote of a majority of the shares of our common stock outstanding and entitled to vote at the meeting. You may vote either FOR or AGAINST approval of the amendment, or you may abstain. A properly executed proxy marked ABSTAIN with respect to approval of the amendment will have the effect of a vote against adoption of the proposal.

Stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009 is not required by law or by our governing instruments. However, our board of directors is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate governance and practice. Under our bylaws, the ratification of the appointment of Ernst & Young LLP requires a majority of the votes cast. You may vote either FOR or AGAINST ratification of the appointment, or you may abstain. A properly executed proxy marked ABSTAIN with respect to the ratification of the appointment will not be counted as a vote cast with respect to such ratification.

The only items of business that our board of directors intends to present at the meeting are set forth in this proxy statement. As of the date of this proxy statement, no stockholder has advised us of an intent to present any other matter, and we are not aware of any other matters to be presented at the meeting. If any other matter or matters are properly brought before the meeting, the person(s) named as your proxyholder(s) will have the discretion to vote your shares on those matters in accordance with their best judgment and as they deem advisable.

The vote on each matter submitted to stockholders is tabulated separately. Abstentions and broker non-votes are not counted as votes cast for the particular matter and, in the case of Proposal Three, have the effect of reducing the number of affirmative votes required to achieve a majority for that matter by reducing the total number of shares from which the majority is calculated.

The persons named as attorneys-in-fact in the proxies were selected by the board of directors and are officers of the Company. All properly executed proxies returned in time to be counted at the Annual Meeting will be voted.

Table of Contents

All shares represented by properly executed proxies will be voted in accordance with the stockholders' instructions, and if no choice is specified, the shares represented by proxies will be voted in favor of the election of both director nominees, in favor of the amendment to our Certificate of Incorporation and in favor of the ratification of the selection of Ernst & Young LLP as our independent auditors.

Multiple Stockholders Sharing the Same Address

If you and other residents at your mailing address own shares of common stock through a broker or other nominee, you may have elected to receive only one copy of this proxy statement and our 2008 Annual Report. If you and other residents at your mailing address own shares of common stock in your own names, you may have received only one copy of this proxy statement and our 2008 Annual Report unless you provided our transfer agent with contrary instructions.

This practice, known as householding, is designed to reduce our printing and postage costs. We will promptly provide you with an additional copy of this proxy statement, enclosed proxy card and our 2008 Annual Report upon your written request to MEMSIC, Inc., One Tech Drive, Suite 325, Andover, Massachusetts 01810, Attention: Corporate Secretary. If you hold your shares through a broker or other nominee and wish to discontinue householding or to change your householding election, you may do so by calling (800) 542-1061 or writing to Broadridge Investor Communications, 51 Mercedes Way, Edgewood, New York 11717. If you hold shares in your own name and wish to discontinue householding or change your householding election, you may do so by calling (212) 936-5100 or writing to American Stock Transfer & Trust Company, 6201 15th Avenue, 2nd Floor, Brooklyn, New York 11219.

At the Annual Meeting, two Class II directors will be elected to serve until the 2012 annual meeting and until such directors' successors are duly elected and qualified, or until their earlier death, resignation, removal or disqualification. The board of directors has nominated Roger W. Blethen and Yang Zhao, Ph.D. for re-election as Class II directors. Both nominees have agreed to serve if elected, and we have no reason to believe that either will be unable to serve. Table of Contents

Chairman of the Board and Lead Director

Yang Zhao, Ph.D., our president and chief executive officer, is also the chairman of our board of directors. In that capacity, he presides over all meetings of the board. In March 2008, our board of directors established the additional position of lead director and appointed Roger Blethen to serve in that position. Our lead director is a non-employee director whose responsibilities are to:

preside over board meetings in the absence of the chairman and lead executive sessions of the board (i.e., sessions without management present);

consult with other directors concerning corporate governance matters and identification of issues for board meeting discussions and set the board meeting agenda in consultation with the chairman;

advise the chief executive officer on organizational development, business strategy and corporate governance; and

advise the chief executive officer and chief financial officer on appropriate communications policies and procedures.

Director Independence

A majority of our directors are independent within the meaning of the applicable rules of the SEC and The Nasdaq Stock Market, LLC. Specifically, our board of directors has determined that each of Messrs. Blethen, Kaufman, Tung, Yang and Zavracky is an independent director.

Each executive officer serves at the discretion of the board of directors and holds office until his or her successor is elected and qualified or until his or her earlier resignation or removal. There are no family relationships among any of our directors and executive officers.

Committees of the Board of Directors

Our board of directors has established an audit committee, a compensation committee and a nominating committee, which are the only standing committees of the board of directors.

Audit committee. Our audit committee consists of Messrs. Tung, Yang and Zavracky, with Mr. Tung serving as chair. Our audit committee oversees our corporate accounting and financial reporting process and internal controls over financial reporting. Our audit committee evaluates the qualifications, independence and performance of our independent registered public accounting firm, Ernst & Young LLP; engages and determines the compensation of the independent auditor; approves the retention of the independent auditor to perform any proposed permissible non-audit services; reviews our financial disclosures, including our critical accounting policies and internal controls over financial reporting; prepares an annual report to our stockholders for inclusion in our proxy statement; reviews and approves in advance any proposed related party transactions; and discusses with management and the independent auditor the results of the annual audit and our financial statements. We believe that our audit committee members meet the requirements for independence and financial literacy under the current requirements of the Sarbanes-Oxley Act of 2002, The Nasdaq Global Market and SEC rules and regulations. In addition, the board of directors has determined that Mr. Tung is qualified as an audit committee financial expert within the meaning of the SEC rules and regulations.

Compensation committee. Our compensation committee consists of Messrs. Blethen, Yang and Zavracky, with Mr. Blethen serving as chair. Our compensation committee administers our stock option plans and employee stock purchase plans; recommends to our board of directors the compensation of our executive officers; prepares a report of the committee required by the rules of the SEC to be included in our proxy statement; recommends to our board of directors any performance-based awards to be granted to any of our executive officers or other employees; recommends to our board of directors the terms and conditions of any employment agreement and any arrangements regarding severance or change of control payments with any of our

Table of Contents

executive officers; recommends to our board of directors, and reviews periodically, the compensation of our directors, recommends to our board of directors, and reviews periodically, the composition of our plans and programs for employee compensation. We believe that each member of our compensation committee meets the requirements for independence under the rules of The Nasdaq Global Market.

Nominating committee. Our nominating committee currently consists of Messrs. Kaufman, Tung and Zavracky, with Dr. Zavracky serving as chair. Our nominating committee identifies individuals qualified to become members of the board and recommends to our board of directors nominees for election as directors. We believe that Messrs. Tung and Zavracky meet the independence requirements under the rules of The Nasdaq Global Market.

2008 Director Compensation

Historically, we have not provided cash compensation to directors for their services as directors or members of committees of our board of directors, nor have we compensated our directors who are affiliated with venture capital firms that are significant stockholders of the Company for their services as directors. Messrs. Blethen and Zavracky received compensation in the form of non-qualified stock options. We reimbursed directors for their reasonable expenses incurred in attending meetings of our board of directors and of committees of our board of directors.

In February 2008, our board of directors adopted a new policy for compensation of our non-employee directors, under which they receive cash retainers (payable quarterly in arrears), per meeting fees and annual stock option awards, as follows:

each non-employee director receives a cash retainer in the amount of \$20,000 per year;

our lead director and chairpersons of our standing committees receive additional annual cash retainers, as follows: lead director, \$20,000; audit committee chair, \$10,000; compensation committee chair, \$7,500; and nominating committee chair, \$5,000;

each incumbent non-employee director receives annually a non-qualified stock option to purchase 12,000 shares of our common stock, and any newly elected non-employee director will receive upon such election a non-qualified stock option to purchase 20,000 shares of our common stock; and

our non-employee directors also receive cash fees for each meeting of the board of directors or of any committee of which they are members that they attend, as follows: all non-employee directors, \$2,500 per board meeting; audit committee chair, up to \$1,500 per audit committee meeting; compensation committee chair, \$2,500 per compensation committee meeting; and other members of our standing committees, \$1,000 per committee meeting.

The following table details the compensation paid to our directors, other than Dr. Zhao, during the year ended December 31, 2008.

Meetings of the Board of Directors

Our board of directors met in person or by telephone 12 times during the year ended December 31, 2008. All of our directors attended at least 75% of the aggregate of the total number of meetings of the board of directors and meetings held by all committees of the board on which they served in 2008.

Policy Regarding Board Attendance

Our directors are expected to attend meetings of the board of directors and meetings of committees on which they serve. Our directors are expected to spend the time needed at each meeting and to meet as frequently as necessary to properly discharge their responsibilities. We encourage members of our board of directors to attend annual meetings of stockholders, but we do not have a formal policy requiring them to do so.

Director Candidates and Selection Process

Our nominating committee is responsible for identifying and reviewing candidates to fill open positions on the board of directors, including positions arising as a result of the expiration of the term, removal, resignation or retirement of any director, an increase in the size of the board or otherwise, and recommending to our full board candidates for nomination for election to the board. In recommending new directors, the committee will consider any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to the composition of the board (including its size and structure), principles of diversity, and such other factors as the committee deems to be appropriate.

The committee is responsible for reviewing from time to time the appropriate skills and characteristics required of board members in the context of the current make-up of the board, including such factors as business experience, diversity, and personal skills in technology, finance, marketing, sales, financial reporting and other areas that contribute to an effective board.

Stockholders may recommend individuals to the nominating committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to our nominating committee, c/o Corporate Secretary, MEMSIC, Inc., One Tech Drive, Suite 325, Andover, Massachusetts 01810. Assuming that appropriate biographical and background

Table of Contents

material has been provided on a timely basis, the nominating committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy card for the next annual meeting. Any recommendation of a potential director nominee should also include a statement signed by the proposed nominee expressing a willingness to serve on our board if elected. As part of this responsibility, the committee will be responsible for conducting, subject to applicable law, any and all inquiries into the background and qualifications of any candidate for the board and such candidate's compliance with the independence and other qualification requirements established by the committee or imposed by applicable law or listing standards.

Stockholder Communications with the Board

Stockholders wishing to communicate with our board should send correspondence to the attention of the Chairman of the Board of Directors, c/o Corporate Secretary, MEMSIC, Inc., One Tech Drive, Suite 325, Andover, Massachusetts 01810, and should include with the correspondence evidence that the sender of the communication is one of our stockholders. Satisfactory evidence would include, for example, contemporaneous correspondence from a brokerage firm indicating the identity of the stockholder and the number of shares held. The Chairman will review all correspondence confirmed to be from stockholders and decide whether or not to forward the correspondence or a summary of the correspondence to the full board or a committee of the board, or if the Chairman determines in accordance with his best judgment that the matter can be addressed by management, then to the appropriate officer of the Company. The Chairman will review all stockholder correspondence, but the decision to relay that correspondence to the full board or a committee will rest entirely within his discretion. Our board believes that this process will suffice to handle the relatively low volume of communications we have historically received from our stockholders. If the volume of communications increases such that this process becomes burdensome to the Chairman, our board may elect to adopt more elaborate screening procedures.

Code of Conduct and Code of Ethics

Our board of directors has adopted a code of conduct, which establishes the standards of ethical conduct applicable to all of our directors, officers and employees. Our code of conduct addresses issues relating to, among other things, conflicts of interest, related party transactions, use of company funds and sensitive payments, corporate opportunities, internal controls over financial reporting, and confidential information. In addition, our board of directors has adopted a code of ethics applicable to our chief executive officer and chief financial officer. Our code of ethics sets guidelines for these individuals to implement policies and procedures to enhance disclosure and reporting at our company. Our code of conduct is publicly available on our website at <http://www.memsic.com>. Any waiver of our code of conduct or code of ethics with respect to our chief executive officer, chief financial officer, controller or persons performing similar functions may only be authorized by our audit committee and will be disclosed as required by applicable law.

Director and Officer Indemnification and Limitation on Liability

Our Certificate of Incorporation provides that, to the fullest extent permitted by the Delaware General Corporation Law and except as otherwise provided in our bylaws, none of our directors shall be liable to us or our stockholders for monetary damages for a breach of fiduciary duty. In addition, our Certificate of Incorporation provides for indemnification of any person who was or is made, or threatened to be made, a party to any action, suit or other proceeding, whether criminal, civil, administrative or investigative, because of his or her status as a director or officer of our company, or service as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise at our request to the fullest extent authorized under the Delaware General Corporation Law against all expenses, liabilities and losses reasonably incurred by such person, if (i) he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, our best interests, and (ii) with respect to any criminal action or proceeding, he had no reasonable cause to believe his

conduct was unlawful. Furthermore, we maintain directors and officers liability insurance which covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers, including liabilities under the Securities Act of 1933, as amended.

PROPOSAL TWO AMENDMENT TO CERTIFICATE OF INCORPORATION

Description of the Amendment

Stockholders are being asked to approve a proposed amendment to the first paragraph of Article FOURTH of our Certificate of Incorporation to decrease the number of authorized shares of capital stock from a total of 110,000,000 shares, divided into 100,000,000 shares of common stock and 10,000,000 shares of preferred stock, to a total of 50,000,000 shares, divided into 45,000,000 shares of common stock and 5,000,000 shares of preferred stock. The board of directors has adopted a resolution setting forth the proposed amendment, declaring its advisability and directing that the proposed amendment be submitted to our stockholders for their consideration and approval at the Annual Meeting. The text of the proposed amendment is as follows:

RESOLVED, that it is advisable to amend the first paragraph of Article FOURTH of the Company's Certificate of Incorporation to reduce the number of shares of capital stock that the Company is authorized to issue, from a total of 110 million shares divided into 100 million shares of common stock and 10 million shares of preferred stock, each with a par value of \$.00001, to a total of 50 million shares divided into 45 million shares of common stock and 5 million shares of preferred stock, with no change in the par value of either, such that the first paragraph of Article FOURTH as so amended shall read as follows in its entirety:

FOURTH: The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 50,000,000, consisting of (i) 45,000,000 shares of Common Stock, \$0.00001 par value per share (Common Stock), and (ii) 5,000,000 shares of Preferred Stock, \$0.00001 par value per share (Preferred Stock).

and that the proposed amendment be submitted to the Company's stockholders for their consideration at their 2009 annual meeting.

Purposes and Effects of the Proposed Amendment

The board of directors believes it is desirable to decrease the number of authorized shares of our capital stock in order to reduce the amount of the Delaware franchise tax payable by us, which is determined, in part, by the number of our authorized shares of capital stock. Based on current tax rates, the board of directors estimates that our Delaware franchise tax will be reduced by approximately \$85,000 on an annual basis as a result of the amendment.

As of August 20, 2009, 23,755,675 shares of our common stock were outstanding and an additional 2,901,792 shares of common stock were reserved for issuance under our equity incentive plans. The board believes that 45,000,000 shares of authorized common stock will provide us sufficient flexibility with regard to future financing and acquisition transactions, employee benefit plans, and other general corporate purposes. If the board believes it to be in our best interest to issue shares of our authorized common stock in the future, the board will retain the authority to determine the terms of the issuance and would not seek further authorization by vote of the stockholders except as required by applicable law.

If the proposed amendment is approved by the stockholders at the Annual Meeting, we will cause a Certificate of Amendment to our Certificate of Incorporation to be filed with the Secretary of State of the State of Delaware. We expect that such filing would be made promptly following the Annual Meeting.

In order to pass, this proposal must receive the affirmative vote of a majority of the shares of our common stock outstanding and entitled to vote at the meeting.

Board of Directors Recommendation

Our board of directors recommends that you vote *FOR* the proposal to amend our Certificate of Incorporation.

**PROPOSAL THREE RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Ernst & Young LLP currently serves as our independent registered public accounting firm and audited our consolidated financial statements for the year ended December 31, 2008. Our audit committee has appointed Ernst & Young LLP to serve as our independent registered public accounting firm for 2009 and to audit our consolidated financial statements for the year ending December 31, 2009.

Our audit committee is responsible for selecting and appointing our independent registered public accounting firm, and this appointment is not required to be ratified by our stockholders. However, our audit committee has recommended that the board of directors submit this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the audit committee will reconsider whether to retain Ernst & Young LLP, and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the audit committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company and stockholders.

In order to pass, this proposal must receive a majority of the votes cast with respect to this matter.

Board of Directors Recommendation

Our board of directors recommends that you vote *FOR* the proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2009.

and 2007 consolidated financial statements in accordance with SFAS 123(R), except that we have disregarded any estimate of future forfeitures related to service-based vesting conditions with respect to such option awards. Except for the forfeiture of stock options to purchase 157,500 shares of our common stock held by our former Vice President Marketing and Business Development, Patrick Chiumiento, and 275,000 shares of our common stock held by our former Chief Financial Officer, Shang Hsiao, there were no actual forfeitures of stock options by any named executive officer in 2008. The other assumptions used to calculate the expense amounts shown for stock options granted in 2008 and 2007 are described in Note 10 to the consolidated financial statements in our Annual Report on Form 10-K. All options awards disclosed in this table vest as to 25% of the maximum number of shares issuable pursuant to such award on the first anniversary of the vesting start date, as set by our board of directors, and vest as to an additional 25% of the shares on each subsequent anniversary of the vesting start date, such that each option will be fully vested on the fourth anniversary of the vesting start date.

Employment Arrangements with Named Executive Officers

Change in Control Agreements. On March 26, 2009, we entered into Senior Executive Change in Control Agreements, or the Change in Control Agreements, with Yang Zhao and Patricia Niu. These agreements provide for the acceleration of vesting of stock options held by Dr. Zhao and Ms. Niu if, after a change in control, we terminate the executive's employment without cause or the executive terminates his or her employment due to a breach by us (as each event is defined in the Change in Control Agreements). Once the acceleration provisions of the Change in Control Agreements are triggered, the vesting of each option held by the executive shall be accelerated such that a portion of such options equal to the portion that would otherwise have vested during the last year of the vesting schedule shall become exercisable immediately. This acceleration shall be applied after, and not in lieu of, any accelerated vesting that may be provided for under the terms of such option and any plan under which such option was granted and by any resolution of our board of directors or any committee thereof. However, to the extent that the total acceleration of vesting that each executive would receive exceeds a combined total of twenty-four (24) months then the provisions of these Change in Control Agreements shall not apply.

Separation Agreement with Patrick Chiumiento. On December 22, 2008, Patrick Chiumiento resigned as our Vice President of Marketing and Business Development. In connection with Mr. Chiumiento's resignation, we entered into a Separation Agreement with him pursuant to which Mr. Chiumiento provided us with a release and customary confidentiality, non-solicitation and other covenants and in exchange received severance pay in an amount equal to three months' base salary.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who beneficially own more than ten percent of a registered class of our equity securities, to file reports of ownership of, and transactions in, our securities with the Securities and Exchange Commission. These directors, executive officers and ten-percent stockholders are also required to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms received by us, and on written representations from certain reporting persons, we believe that during 2008 our directors, officers and ten-percent stockholders complied with all applicable Section 16(a) filing requirements.

INFORMATION ABOUT OUR AUDIT COMMITTEE AND OUR AUDITORS

Our Auditors

Ernst & Young LLP have been selected by the audit committee of the board of directors as the independent registered public accounting firm to audit our financial statements for the year ending December 31, 2009. Ernst & Young LLP also served as our auditors in 2008. We expect that representatives of Ernst & Young LLP will attend our annual meeting, will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Audit Committee Report

The primary role of our audit committee is to assist our board of directors in fulfilling its oversight responsibilities by reviewing the financial information proposed to be provided to stockholders and others, the adequacy of the system of internal control over financial reporting and disclosure controls and procedures established by management and the board, and the audit process and the independent auditors' qualifications, independence and performance.

Management is responsible for establishing and maintaining the Company's system of internal controls and for preparation of the Company's financial statements. Our independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing an opinion on the financial statements. The audit committee has met and held discussions with management and our independent auditors, and has also met separately with our independent auditors, without management present, to review the adequacy of our internal controls, financial reporting practices and audit process.

The audit committee has reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2008 with management and the independent auditors. As part of this review, the audit committee discussed with Ernst & Young LLP the communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The audit committee has received from Ernst & Young LLP a written statement describing all relationships between that firm and the Company that might bear on the auditors' independence, consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The audit committee has discussed the written statement with the independent auditors, and has considered whether the independent auditors' provision of any consultation and other non-audit services to the Company is compatible with maintaining the auditors' independence.

Based on the above-mentioned reviews and discussions with management and the independent auditors, the audit committee recommended to the board of directors that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2008, as filed with the Securities and Exchange Commission.

The foregoing report is provided by the undersigned members of the audit committee.

Michael Tung, *Chair*
David Yang
Paul M. Zavracky
