Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On December 10, 2009, the Human Resources Committee (the Committee) of the Board of Directors (the Board) of Ameren Corporation (Ameren) approved and on December 11, 2009, the Board ratified the establishment of the 2010 Ameren Executive Incentive Plan (the 2010 EIP) to provide for the payment of cash awards to the Named Executive Officers identified below based on Ameren earnings per share (EPS) and individual performance in 2010. The 2010 EIP is attached as Exhibit 10.1 and is incorporated herein by reference. For 2010, a target award under the 2010 EIP was established for each Named Executive Officer as a percent of 2010 base salary as shown below.

NAMED EXECUTIVE OFFICER	TARGET SHORT-TERM INCENTIVE COMPENSATION AS PERCENT OF BASE SALARY
Voss	90%
Rainwater	60%
Lyons	60%
Baxter	60%
Sullivan	60%
Naslund	60%

Under the 2010 EIP, EPS (as determined in accordance with generally accepted accounting principles) is the primary metric used to establish award opportunities. The range of EPS achievement levels for the 2010 EIP (threshold, target and maximum) will be established by the Committee in February 2010. EPS achievement levels may be adjusted to include or exclude specified items of an unusual or non-recurring nature as determined by the Committee at its sole discretion and as permitted by the Ameren Corporation 2006 Omnibus Incentive Compensation Plan (the Omnibus Plan). In the event Ameren EPS is below the threshold achievement level, as determined by the Committee, no award will be paid.

The 2010 EIP award based on achievement of 2010 Ameren EPS (the base award) for Named Executive Officers may be adjusted up or down by up to 50% (the individual performance modifier) based on the Named Executive Officers individual contributions and performance during the year, in the Committee's discretion. The individual performance modifier will take into consideration the Named Executive Officers' performance on key performance variables, including leadership, business results, customer satisfaction, reliability, plant availability, safety and/or other performance metrics, as applicable and as determined by the Committee. The actual individual incentive payout, determined by modifying the base award by the individual performance

modifier, is capped at 200% of target short-term incentive compensation with the ability to pay zero for non-performance.

On December 10, 2009, the Committee also authorized the issuance pursuant to the Omnibus Plan of performance share unit awards for each of the Named Executive Officers identified on Exhibit 99.1 attached hereto. The target number of performance share units to be issued to each such Named Executive Officer for 2010 pursuant to the Omnibus Plan will be determined as of January 1, 2010 in accordance with the formula set forth in Exhibit 99.1 attached hereto.

Each performance share unit represents the right to receive a share of Ameren's common stock assuming certain performance criteria are achieved. The actual number of performance share units which may be earned will vary from 0% to 200% of the target number of performance share units granted to each Named Executive Officer, based primarily on Ameren's 2010-2012 three-year total shareholder return (TSR) relative to a utility peer group and continued employment during such three-year period (the Performance Period). In the event Ameren's TSR relative to utility peers during the Performance Period is below the 30th percentile, no performance share units will be earned unless the three-year average Ameren EPS reaches or exceeds the average of the Ameren Executive Incentive Plan threshold levels in 2010, 2011 and 2012.

Dividends on performance share units will accrue and be reinvested into additional performance share units throughout the Performance Period. Because these performance share units will be earned only if performance goals over the Performance Period are attained, the amounts, if any, that will be payable to the Named Executive Officers pursuant to the performance share unit awards described above are not determinable at this time. The Committee has the ability to amend the terms of the performance share unit awards, including the performance criteria, to the extent not adverse to the holders of an award.

The form of performance share unit award agreement for 2010 is attached as Exhibit 10.2 and is incorporated herein by reference.

The award agreements between Ameren and each of the Named Executive Officers provide that upon the occurrence of a Change of Control if Ameren continues to exist and its common stock is traded on the New York Stock Exchange (NYSE) or NASDAQ Stock Market (NASDAQ) (i) voluntary terminations of employment prior to the end of the performance period or terminations for Cause at any time prior to pay out of shares result in forfeiture of awards and (ii) a qualifying termination (as defined in the award agreement) of employment during the performance period does not change the manner in which awards are earned and become vested on December 31, 2012 and such awards will be paid in shares of Ameren common stock on January 1, 2013 or as soon as practicable thereafter.

The award agreements referenced above also provide that upon a Change of Control which occurs on or before December 31, 2012, if Ameren ceases to exist or its common

stock is no longer traded on the NYSE or NASDAQ (i) the target number of performance share units together with accrued dividends thereon will be converted into nonqualified deferred compensation which will accrue interest at the prime rate as provided in the award agreement and, assuming continued employment, such amount will be paid out on January 1, 2013 or as soon as practicable thereafter, (ii) voluntary terminations of employment or terminations for Cause result in forfeiture of the amounts described above in (i) of this paragraph and (iii) qualifying terminations of employment result in an immediate payment of the amounts described above in (i) of this paragraph (except as otherwise provided in the awards).

The terms Change of Control and Cause have the meanings given them in the Second Amended and Restated Ameren Corporation Change of Control Severance Plan, a copy of which was filed as Exhibit 10.37 to Ameren's Annual Report filed on Form 10-K for the 2008 fiscal year.
