**Item 1.01. Entry into a Material Definitive Agreement.**

Global Defense Technology & Systems, Inc. (the Company), together with its subsidiaries, Global Strategies Group (North America) Inc. and The Analysis Corp., collectively as Borrowers, entered into that certain Loan and Security Agreement, dated as of February 3, 2010 (the Loan Agreement), with SunTrust Bank as Administrative Agent and Lender, and SunTrust Robinson Humphrey as Lead Arranger and Book Manager.

The Loan Agreement provides for a revolving credit facility of up to \$50 million and the extension of letters of credit up to an aggregate amount of \$2.5 million. The revolving credit facility matures on January 31, 2013.

Loans under either facility will take the form of, at the Company's election, an index rate loan, a base rate loan, or a LIBOR loan, with the interest rate determined by the form of the loan. An index rate loan will bear interest at a rate equal to the one-month LIBOR plus the applicable margin. A base rate loan will bear interest at a rate equal to the highest of the prime rate, the federal funds rate plus 50 basis points, or the one-month LIBOR, each plus the applicable margin. A LIBOR loan will bear interest at a rate equal to the one-, two-, three- or six-month LIBOR plus the applicable margin. For all loans, the applicable margin will be 2.50% at the outset of the Loan Agreement and thereafter will be adjusted quarterly based on the Borrowers' funded debt ratio. The maximum applicable margin is 3.00%. The funded debt ratio is the ratio of debt to EBITDA for the Borrowers and their subsidiaries on a consolidated basis.

Loans made under the Loan Agreements are collateralized by a security interest in substantially all of the Borrowers' assets.

The Loan Agreement replaces that certain Loan and Security Agreement dated as of February 9, 2007 by and among the Borrowers and SunTrust Bank as Administrative Agent and Lender (as amended, the Old Loan Agreement). The Old Loan Agreement provided for a revolving credit facility of up to \$29 million and a swingline facility of up to \$7.5 million and was scheduled to terminate on February 28, 2011.

The Loan Agreement contains, as did the Old Loan Agreement, certain (a) restrictive covenants, including, but not limited to, restrictions on the incurrence of additional indebtedness and liens, on the ability to make certain payments and investments, and the ability to enter into certain merger, consolidation, asset sale and affiliate transactions and (b) financial maintenance covenants, including, but not limited to, a level of minimum net worth, a level of minimum EBITDA, a maximum funded debt ratio, and a minimum fixed charges coverage ratio. The Loan Agreement also contains, as did the Old Loan Agreement, representations and warranties, affirmative covenants and events of default, including certain cross defaults with any other indebtedness held by a Borrower, customary for an agreement of its type. As is customary, certain events of default could result in an acceleration of the Company's obligations under the Loan Agreement.

The foregoing summary is not an exhaustive description of the terms of the Loan Agreement, which is attached hereto as Exhibit 10.1, and such summary is qualified in its entirety by reference to the attached Loan Agreement.
