Explanatory Note

The sole purpose of this Amendment No. 1 to the quarterly report on Form 10-Q for the period ended December 31, 2010 filed by Harman International Industries Incorporated with the Securities and Exchange Commission on February 3, 2011, is to correct on the cover page the number of shares of our common stock outstanding as of January 31, 2011. The cover page of this amendment correctly states that the number of shares of common stock outstanding on January 31, 2011 was 69,668,963. Because the information formatted in XBRL (Extensible Business Reporting Language) filed as Exhibit 101 to the Form 10-Q also included the incorrect statement of the amount of shares of our common stock outstanding, revised XBRL information with the correct statement of the number of shares outstanding is included as an exhibit to this amendment. In addition, as required by Rule 12b-15 of the Securities Exchange Act of 1934, new certifications by our principal executive officer and principal financial officer are included as exhibits to this amendment.

Except as specifically noted above, no other changes have been made to the Form 10-Q. This amendment speaks as of the original filing date of the Form 10-Q, does not reflect events that may have occurred subsequent to the original filing date, and does

not modify or update in any way disclosures made in the Form 10-Q.
