Notice Concerning Additional Information of Hitachi Chemical Co., Ltd. to Commence

Tender Offer for Shares of its Listed Subsidiary, Shin-Kobe Electric Machinery Co., Ltd.

Hitachi Chemical Co., Ltd. (the Company or the Tender Offeror), today announced that, in relation to its intention to acquire shares of Shin-Kobe Electric Machinery Co., Ltd. (First Section of TSE and OSE: 6934; the Target Company), by way of a tender offer (the Tender Offer), it has amended certain contents of Hitachi Chemical Co., Ltd. to Commence Tender Offer for Shares of its Listed Subsidiary, Shin-Kobe Electric Machinery Co., Ltd. announced on November 25, 2011, as described below.

The amended parts are underlined.

2. Outline of the Tender Offer and Other Information

(6) Changes in the Shareholdings due to the Tender Offer
 (Before the Amendment)

Number of voting rights represented by shares held by the Tender Offeror immediately before the Tender Offer	29,672 units	(Shareholdings immediately before the Tender Offer: 58.45 %)
Number of voting rights represented by shares held by Special Related Parties immediately before the Tender Offer	<u>Yet to be determined</u>	(Shareholdings immediately before the Tender Offer: <u>yet to be determined</u>)
Number of voting rights represented by shares to be purchased by the Tender Offer	21,090 units	(Shareholdings after the Tender Offer: 100.00%)
Total number of voting rights held by all the shareholders et al. in the Target Company (Omitted)	50,418 units	

Notes: 2.

Edgar Filing: HITACHI LTD - Form 6-K

The Number of voting rights represented by shares held by Special Related Parties immediately before the Tender Offer, which is undetermined as of the date hereof, will be disclosed by December 1, 2011, the date of public notice of commencement of the Tender Offer, after an investigation. Because the shares held by the respective Special Related Parties (exclusive of the treasury stock held by the Target Company being a Special Related Party) are also subject to the Tender Offer, the Number of voting rights represented by shares held by Special Related Parties immediately before the Tender Offer is not included in the numerator of the calculation for Shareholdings after the Tender Offer. In addition, the number of voting rights (50,763 units) concerning Shin-Kobe Electric Machinery shares (50,763,083 shares), which is the sum of Shin-Kobe Electric Machinery shares held by the Tender Offeror as of the date hereof (29,672,816 shares) and the number of shares to be purchased in the Tender Offer (21,090,267 shares), is used as the numerator.

(Omitted)

Total number of voting rights held by all the shareholders et al. in the Target Company (Omitted)	50,418 units	

Notes: 2. The Number of voting rights represented by shares held by Special Related Parties immediately before the Tender Offer, represents the total of voting rights relating to shares held by respective Special Related Parties. Provided, however, that such Special Related Parties shall exclude those to be excluded from the category of Special Related Parties in accordance with Article 3, Paragraph 2, Item 1 of the Ordinance (defined in Item (9) Other conditions and methods of the Tender Offer below), in calculating the shareholdings, as set forth in the respective items of Article 27-2, Paragraph 1 of the Law (defined in Item (9) Other conditions and methods of the Tender Offer below). Because the shares held by the respective Special Related Parties (exclusive of the treasury stock held by the Target Company being a Special Related Party) are also subject to the Tender Offer, the Number of voting rights represented by shares held by Special Related Parties immediately before the Tender Offer is not included in the numerator of the calculation for Shareholdings after the Tender Offer. Cautionary Statement

Certain statements found in this document may constitute forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking statements reflect management's current views with respect to certain future events and financial performance and include any statement that does not directly relate to any historical or current fact. Words such as anticipate, believe, expect, estimate, forecast, intend, plan, project and similar expressions which indicate future events and trends may identify forward-looking statements. Such statements are based on currently available information and are subject to various risks and uncertainties that could cause actual results to differ materially from those projected or implied in the forward-looking statements and from historical trends. Certain forward-looking statements are based upon current assumptions of future events which may not prove to be accurate. Undue reliance should not be placed on forward-looking statements, as such statements speak only as of the date of this document.

Factors that could cause actual results to differ materially from those projected or implied in any forward-looking statement and from historical trends include, but are not limited to:

economic conditions, including consumer spending and plant and equipment investment in Hitachi's major markets, particularly Japan, Asia, the United States and Europe, as well as levels of demand in the major industrial sectors Hitachi serves, including, without limitation, the information, electronics, automotive, construction and financial sectors;

exchange rate fluctuations of the yen against other currencies in which Hitachi makes significant sales or in which Hitachi's assets and liabilities are denominated, particularly against the U.S. dollar and the euro;

uncertainty as to Hitachi's ability to access, or access on favorable terms, liquidity or long-term financing;

uncertainty as to general market price levels for equity securities in Japan, declines in which may require Hitachi to write down equity securities that it holds;

the potential for significant losses on Hitachi's investments in equity method affiliates;

increased commoditization of information technology products and digital media-related products and intensifying price competition for such products, particularly in the Components & Devices and the Digital Media & Consumer Products segments;

uncertainty as to Hitachi's ability to continue to develop and market products that incorporate new technologies on a timely and cost-effective basis and to achieve market acceptance for such products;

rapid technological innovation;

the possibility of cost fluctuations during the lifetime of, or cancellation of, long-term contracts for which Hitachi uses the percentage-of-completion method to recognize revenue from sales;

fluctuations in the price of raw materials including, without limitation, petroleum and other materials, such as copper, steel, aluminum, synthetic resins, rare metals and rare-earth minerals, or shortages of materials, parts and components;

Edgar Filing: HITACHI LTD - Form 6-K

fluctuations in product demand and industry capacity;

uncertainty as to Hitachi's ability to implement measures to reduce the potential negative impact of fluctuations in product demand, exchange rates and/or price of raw materials or shortages of materials, parts and components;

uncertainty as to Hitachi's ability to achieve the anticipated benefits of its strategy to strengthen its Social Innovation Business;

uncertainty as to the success of restructuring efforts to improve management efficiency by divesting or otherwise exiting underperforming businesses and to strengthen competitiveness and other cost reduction measures;

general socioeconomic and political conditions and the regulatory and trade environment of countries where Hitachi conducts business, particularly Japan, Asia, the United States and Europe, including, without limitation, direct or indirect restrictions by other nations on imports and differences in commercial and business customs including, without limitation, contract terms and conditions and labor relations;

- 2 -

Table of Contents

uncertainty as to the success of alliances upon which Hitachi depends, some of which Hitachi may not control, with other corporations in the design and development of certain key products;

uncertainty as to Hitachi's access to, or ability to protect, certain intellectual property rights, particularly those related to electronics and data processing technologies;

uncertainty as to the outcome of litigation, regulatory investigations and other legal proceedings of which the Company, its subsidiaries or its equity method affiliates have become or may become parties;

the possibility of incurring expenses resulting from any defects in products or services of Hitachi;

the possibility of disruption of Hitachi's operations in Japan by earthquakes, tsunamis or other natural disasters, including the possibility of continuing adverse effects on Hitachi's operations as a result of the earthquake and tsunami that struck northeastern Japan on March 11, 2011;

uncertainty as to Hitachi's ability to maintain the integrity of its information systems, as well as Hitachi's ability to protect its confidential information or that of its customers;

uncertainty as to the accuracy of key assumptions Hitachi uses to evaluate its significant employee benefit-related costs; and

uncertainty as to Hitachi's ability to attract and retain skilled personnel.

The factors listed above are not all-inclusive and are in addition to other factors contained in Hitachi's periodic filings with the U.S. Securities and Exchange Commission and in other materials published by Hitachi.
