The Reporting Persons may discuss transactions contemplated by the Investors' Rights Agreement with Ceres before exercising their rights under such agreement, which discussions may lead to the exercise or forbearance from exercise of such rights by the Reporting Persons and may alter the terms on which the Reporting Persons are willing to exercise such rights.

Other than as described in this Statement, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the other persons named in Item 2 hereof, has any present plans or proposals that relate to or would otherwise result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D; provided that the Reporting Persons may, at any time, review or reconsider their position with respect to Ceres and reserve the right to develop such plans or proposals.

Lock-Up Agreement

On May 30, 2011, Artal Luxembourg S.A. entered into a Lock-Up Agreement (the "Lock-Up Agreement") with Goldman, Sachs & Co. and Barclays Capital Inc., as representatives of the underwriters in the IPO. The following is a summary of selected provisions of the Lock-Up Agreement. While the Reporting Persons believe this description covers the material terms of the Lock-Up Agreement, it is qualified in its entirety by reference to the Lock-Up Agreement, a copy of which is included as Exhibit 99.2 to this Statement and is incorporated herein by reference.

Pursuant to the Lock-Up Agreement, Artal Luxembourg S.A. agreed, subject to certain exceptions, not to dispose of or hedge any of the Common Stock or securities convertible into or exchangeable for shares of Common Stock during the period from February 21, 2012 continuing through the date 180 days after such date, except with the prior written consent of Goldman, Sachs & Co. and Ceres.

The 180-day restricted period described in the preceding paragraph will be automatically extended if: (1) during the last 17 days of the 180-day restricted period Ceres issues an earnings release or announces material news or a material event; or (2) prior to the expiration of the 180-day restricted period, Ceres announces that it will release earnings results during the

15-day period following the last day of the 180-day period, in which case the restrictions described in the preceding paragraph will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release of the announcement of the material news or material event.

Amended and Restated Investors Rights Agreement

On June 25, 2010, Ceres, Artal Luxembourg S.A. and the other stockholders named therein entered into the Amended and Restated Investors Rights Agreement (the Investors Rights Agreement). Pursuant to the Investors Rights Agreement, Artal Luxembourg S.A. has certain registration rights with respect to the shares of Common Stock held by it. Subject to certain restrictions, these registration rights may be transferred to a transferee or assignee of such shares who, after such assignment or transfer, holds at least 16,667 shares (subject to appropriate adjustments for stock splits, stock dividends and other recapitalizations). The following is a summary of selected provisions of the Investors Rights Agreement. While the Reporting Persons believe this description covers the material terms of the Investors Rights Agreement, it is qualified in its entirety by reference to the Investors Rights Agreement, a copy of which is included as Exhibit 99.3 to this Statement and is incorporated herein by reference.

Registration Rights

Under the Investors Rights Agreement, Ceres agreed to provide Artal Luxembourg S.A. and the other stockholders party thereto certain rights to register the shares of Common Stock (1) issuable upon conversion of outstanding convertible preferred stock, (2) issued as a dividend or other distribution related to the convertible preferred stock, (3) currently held or later acquired and (4) issuable upon the exercise of warrants held by any stockholder that is party to such agreement. Ceres bears all expenses incurred in connection with any underwritten registration of the shares of Common Stock, including, without limitation, all registration, filing and qualification fees, printers and accounting fees and the reasonable fees of counsel for the selling holders, but excluding underwriting discounts and commissions.

The registration rights provided for under the Investors Rights Agreement terminate after the earlier of (1) five years following the consummation of the IPO and (2) any such time as the holder would be able to dispose of all of its registrable securities in any three month period under Rule 144 promulgated by the SEC under the Securities Act.

Demand Registration Rights

Pursuant to the Investors Rights Agreement, at any time after six months from the effective date of the registration statement for the IPO, upon the written request of the holders of at least 15% of the securities covered by the Investors Rights Agreement that Ceres file a registration statement under the Securities Act covering the registration of at least 15% of the securities covered by the Investors Rights Agreement, Ceres will be required to file a registration statement covering the resale of the shares of Common Stock requested to be registered. Ceres will no longer be obligated to file a registration statement after it has effected

SCHEDULE 13D

Page 15 of 15 Pages

five registration statements pursuant to the Investors Rights Agreement or during certain periods prior to and after a registration statement has been filed by Ceres or for a period of 90 days in the event the board of directors of Ceres, in its judgment, makes the determination that it would be seriously detrimental to Ceres and its stockholders for such registration statement to be filed and is therefore essential to defer the filing of such registration statement.

If an underwriter selected for an underwritten offering advises the holders demanding registration that marketing factors require a limitation on the number of shares to be underwritten, then, subject to certain limitations, the number of shares of registrable securities that may be included in the underwriting will be allocated among all holders of registrable securities in proportion to the amount of the registrable securities of Ceres owned by each holder.

Piggyback Registration Rights

Pursuant to the Investors Rights Agreement, if, subject to certain exceptions, Ceres proposes to register any of the shares of Common Stock or other securities under the Securities Act in connection with the public offering of such securities solely for cash, Ceres will be required to promptly give such holders written notice of such registration.
