If ☒ Yes is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b):

Exhibits

99.1 ASML Confirms Completion of the Synthetic Buyback, press release dated December 4, 2012

99.2 Update on share buy-back program

99.3 Final minutes of the 2012 Annual General Meeting of Shareholders

99.4 Draft minutes of the 2012 Extraordinary General Meeting of Shareholders

Safe Harbor Statement under the US Private Securities Litigation Reform Act of 1995: the matters discussed in this document may include forward-looking statements, including statements made about development of EUV and 450mm technologies and timing for introduction of new systems and benefits of 450mm and EUV technology, whether R&D funding commitments by Intel and other customers in ASML will occur and the terms and conditions of any such funding commitments, purchases of 450mm and EUV tools by Intel and other customers and statements regarding our share repurchase program. These forward looking statements are subject to risks and uncertainties including, whether the 450mm and EUV research and development programs will be successful, ASML's ability to hire additional workers as part of the 450mm and EUV programs, economic conditions, product demand and semiconductor equipment industry capacity, worldwide demand and manufacturing capacity utilization for semiconductors (the principal product of our customer base), including the impact of general economic conditions on consumer confidence and demand for our customers' products, competitive products and pricing, the impact of manufacturing efficiencies and capacity constraints, the continuing success of technology advances and the related pace of new product development and customer acceptance of new products, our ability to enforce patents and protect intellectual property rights, the risk of intellectual property litigation, availability of raw materials and critical manufacturing equipment, trade environment, changes in exchange rates, available cash, distributable reserves for dividend payments and share repurchases, our ability to successfully complete acquisitions, including the Cymer transaction or the expected benefits of the Cymer transaction and other risks indicated in the risk factors included in ASML's Annual Report on Form 20-F and other filings with the US Securities and Exchange Commission.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
