#### Item 2.02 Results of Operations and Financial Condition

On July 31, 2013, MasterCard Incorporated ( MasterCard ) issued a press release announcing financial results for its second quarter ended June 30, 2013.

A copy of the press release is attached hereto as Exhibit 99.1. All information in the press release is furnished but not filed.

#### Non-GAAP Financial Information

In the attached press release, MasterCard discloses the following non-GAAP financial measures:

Total operating expenses, operating income, net income and earnings per diluted share presented on a pro forma basis giving effect to the exclusion of a charge related to the U.S. merchant litigations accrued during each of the three and six month periods ended June 30, 2012. MasterCard excluded this item because MasterCard s management monitors material litigation settlements separately from ongoing operations and evaluates ongoing performance without these amounts. MasterCard s management believes that these non-GAAP financial measures presented facilitate understanding of MasterCard s operating performance and meaningful comparison of its results between periods.

Effective tax rate presented on a pro forma basis giving effect to the exclusion of income tax benefits associated with a charge related to the U.S. merchant litigations during the three and six months ended June 30, 2012. MasterCard s management believes that the non-GAAP financial measures presented facilitate understanding of MasterCard s operating performance and meaningful comparison of its results between periods.

Presentation of growth rates adjusted for currency. Due to the impact of foreign currency rate fluctuations on reported results, MasterCard s management believes the presentation of certain growth rates adjusted for currency, calculated by remeasuring the prior period s results using the current period s exchange rates, provides relevant information.

MasterCard s management uses these non-GAAP financial measures to, among other things, evaluate its ongoing operations in relation to historical results, for internal planning and forecasting purposes and in the calculation of performance-based compensation.

Pursuant to the requirements of Regulation S-K, the attached press release includes reconciliations of the requisite non-GAAP financial measures to the most directly comparable GAAP financial measures. The presentation of non-GAAP financial measures should not be considered in isolation or as a substitute for the Company s related financial results prepared in accordance with GAAP.
