## **CBS CORPORATION LAUNCHES THE SPLIT-OFF OF CBS OUTDOOR**

CBS Corporation (NYSE: CBS.A and CBS) today announced plans to fully divest its 81% ownership in CBS Outdoor Americas Inc. (NYSE: CBSO) through an exchange offer that is expected to be tax-free for participating shareholders in the U.S.

The exchange offer is anticipated to be the final step in the separation of CBS Outdoor following its initial public offering ( IPO ) in April. Upon the split-off, CBS Outdoor intends to convert into a real estate investment trust ( REIT ).

We are very pleased to be taking this step toward completing our strategic transaction, said Leslie Moonves, President and Chief Executive Officer, CBS Corporation. We fully believe that CBS Outdoor will continue to be successful as a stand-alone company. And for our part, CBS Corporation can focus on what we do best, which is invest, produce and distribute premium content across all platforms and all around the world.

CBS has been a great owner for many years, but as a wholly independent company, we believe we can take CBS Outdoor to new heights, said Jeremy Male, Chief Executive Officer, CBS Outdoor. Our expected REIT conversion is an opportunity to create additional long-term value for our shareholders. We re very excited about our future.

### **Details of the Exchange Offer**

CBS shareholders will have the opportunity to exchange all, some or none of their shares of CBS Class B common stock for shares of CBS Outdoor common stock at a 7% discount, subject to an upper limit of 2.1917 shares of CBS Outdoor common stock for every share of CBS Class B common stock. If the upper limit is not in effect, tendering shareholders would receive approximately \$107.53 of CBS Outdoor common stock for each \$100.00 of CBS Class B common stock accepted in the exchange offer.

The final exchange ratio used to determine the number of shares of CBS Outdoor common stock that tendering shareholders will receive for each share of CBS Class B common stock accepted in the exchange offer, subject to the upper limit, will be based upon the simple arithmetic average of the daily volume-weighted average prices of CBS Class B common stock and CBS Outdoor common stock on the NYSE during a three-day period currently expected to be July 7, 8, and 9, 2014. The final exchange ratio will be announced by press release no later than 4:30 ET on July 9, 2014, unless the exchange offer is extended or terminated. The final exchange ratio, as well as a daily indicative exchange ratio beginning at the end of the third day of the exchange offer period, will also be available at [www.cbscorpexchange.com](http://www.cbscorpexchange.com).

Shareholders of CBS Class A common stock may participate in the exchange offer either by converting their Class A shares to Class B shares in advance of the expiration of the exchange offer or by conditionally converting their Class A shares to Class B shares and following the procedures for tendering such shares set forth in the exchange offer prospectus.

The completion of the exchange offer is subject to certain conditions, including the distribution of at least 58.2 million shares of CBS Outdoor common stock, or 60% of CBS's holdings, in exchange for shares of CBS Class B common stock tendered in the exchange offer; the receipt of opinions of counsel with respect to certain requirements for tax-free treatment of the exchange offer to CBS and its participating U.S. shareholders; and the continued effectiveness and validity of a private-letter ruling received from the U.S. Internal Revenue Service regarding the exchange offer, among other things.

CBS owns 97 million shares of CBS Outdoor common stock, which represents approximately 81% of the outstanding common stock of CBS Outdoor. The largest possible number of shares of CBS Class B common stock that will be accepted in the exchange offer will be equal to 97 million divided by the final exchange ratio. The exchange offer is subject to proration if it is oversubscribed, therefore the number of shares of CBS Class B common stock that CBS accepts in the exchange offer may be less than the number of shares tendered. If the exchange offer is undersubscribed, CBS would distribute less than 97 million shares of CBS Outdoor common stock. In that case, CBS would use additional exchange offers or a special dividend to all CBS shareholders to complete the disposition of its CBS Outdoor shares.

The exchange offer is voluntary for CBS Class B shareholders. No action is necessary for CBS shareholders who choose not to participate, and their existing CBS shares will not be affected.

Goldman, Sachs & Co. and Morgan Stanley will serve as the dealer managers for the exchange offer, and J.P. Morgan will serve as a financial advisor.
