## Section 1 Registrant's Business and Operations

### Item 1.01. Entry into a Material Definitive Agreement *Underwriting Agreement*

On November 18, 2014, Lear Corporation (the Company) and certain of its wholly-owned subsidiaries (the Subsidiary Guarantors) entered into an underwriting agreement (the Underwriting Agreement) with Citigroup Global Markets Inc., as representative of the several underwriters (the Underwriters), relating to the issuance and sale by the Company of \$650 million in aggregate principal amount of 5.25% senior notes due 2025 (the Notes). The Notes were issued at par. The Notes were offered and sold pursuant to the Company's automatic shelf registration statement on Form S-3 filed with the Securities and Exchange Commission on March 11, 2014 (Registration No. 333-194478).

The Company intends to use \$350 million of the net proceeds from the offering, along with proceeds of its \$500 million delayed draw term loan facility, to finance the previously announced acquisition of Everett Smith Group Ltd., the parent of Eagle Ottawa, LLC (Eagle Ottawa). The Eagle Ottawa acquisition is expected to close in the first quarter of 2015 subject to customary conditions, including regulatory approvals. The Company intends to use the remainder of the net proceeds from the offering to redeem the remaining outstanding aggregate principal amount of its 8.125% Senior Notes due 2020 (the 2020 Notes) and for general corporate purposes, including the payment of fees and expenses associated with the Eagle Ottawa acquisition and related financing transactions. The board of directors of the Company has authorized, contingent upon the closing of the offering, the redemption of the remaining outstanding aggregate principal amount of the 2020 Notes on or after March 15, 2015, the first available optional redemption date under the indenture governing the 2020 Notes.

The Underwriting Agreement includes customary representations, warranties and covenants by the Company and the Subsidiary Guarantors. It also provides for customary indemnification by each of the Company, the Subsidiary Guarantors and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities. Certain of the Underwriters and their affiliates have engaged in, and may in the future engage in, securities trading, commercial banking, investment banking, investment management, investment research, principal investment, hedging, financing, brokerage and advisory services for the Company from time to time.

The Underwriting Agreement is filed as Exhibit 1.1 hereto and incorporated herein by reference. The above description of the material terms of the Underwriting Agreement is not complete and is qualified in its entirety by reference to Exhibit 1.1.

### *Indenture*

The Notes were issued as a new series of Notes under an Indenture, dated March 26, 2010 (the Base Indenture), among the Company, the subsidiary guarantors party thereto and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee), as amended and supplemented by the Fifth Supplemental Indenture, dated November 21, 2014, between the Company, the Subsidiary Guarantors and the Trustee (the Supplemental Indenture and together with the Base Indenture, the Indenture).

The Indenture provides, among other things, that the Notes will be senior unsecured obligations of the Company. Interest is payable on the Notes on January 15 and July 15 of each year, beginning on July 15, 2015. The Notes will mature on January 15, 2025.

The Company may redeem the Notes in whole or in part on or after January 15, 2020 at redemption prices of 102.625%, 101.750% or 100.875% of the principal amount thereof if the redemption occurs during the 12-month

Edgar Filing: LEAR CORP - Form 8-K

period beginning January 15, 2020, 2021 or 2022, respectively, and a redemption price of 100% of the principal amount thereof on or after January 15, 2023, in each case plus accrued and unpaid interest to the redemption date. Prior to January 15, 2020, the

Company may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the aggregate principal amount thereof plus a make-whole premium as of, and accrued and unpaid interest to, the redemption date. Prior to January 15, 2018, the Company may redeem up to 40% of the aggregate principal amount of the Notes, in an amount not to exceed the amount of net cash proceeds of one or more equity offerings, at a price equal 105.25% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date, *provided* that (i) at least 50% of the original aggregate principal amount of the Notes remains outstanding after the redemption and (ii) any such redemption is made within 120 days after the closing of such equity offering.

In addition, upon the first occurrence of either (i) the termination of the Purchase Agreement relating to the Eagle Ottawa acquisition at any time prior to the consummation of such acquisition or (ii) November 14, 2015, if the Eagle Ottawa acquisition is not consummated prior to such date (each, a Mandatory Redemption Event), the Company will be required to redeem \$350 million aggregate principal amount of the Notes at a redemption price equal to the initial offer price plus accrued and unpaid interest to, but not including, the redemption date (the Special Redemption Price). If at any time the Company determines that a Mandatory Redemption Event is reasonably likely to occur, the Company may, at its option, redeem \$350 million aggregate principal amount of the Notes at the Special Redemption Price.

The Company's payment obligations under the Notes are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Subsidiary Guarantors.

The Indenture contains restrictive covenants that, among other things, limit the ability of the Company and the Subsidiary Guarantors to create or permit liens and consolidate or merge or sell all or substantially all of the Company's assets. The foregoing limitations are subject to exceptions as set forth in the Supplemental Indenture.

The Indenture provides for customary events of default that include, among other things (subject in certain cases to customary grace and cure periods): (i) non-payment of principal or interest, (ii) breach of certain covenants contained in the Supplemental Indenture or the Notes, (iii) failure to pay certain other indebtedness within the applicable grace period or the acceleration of any such indebtedness by the holders thereof because of a default prior to maturity if the total amount of such indebtedness unpaid or accelerated exceeds \$200 million or its foreign currency equivalent, (iv) the failure of the guarantees by the Subsidiary Guarantors to be in full force and effect in all material respects and (v) certain events of bankruptcy or insolvency. Generally, if an event of default occurs (subject to certain exceptions), the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all of the Notes to be due and payable.

The Base Indenture is filed as Exhibit 4.1 to the Company's Form 8-K filed with the Securities and Exchange Commission on March 29, 2010 and is incorporated by reference herein. The Fifth Supplemental Indenture is filed as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated by reference herein. The above description of the Indenture does not purport to be complete and is qualified in its entirety by reference to the Base Indenture and the Fifth Supplemental Indenture.
