## **Item 2.06 Material Impairments**

On December 29, 2014, the Registrant announced the closure of its three underperforming company-owned restaurants located in and around Richmond, Virginia. Additionally, the Registrant anticipates impairing the assets of up to four additional restaurants that underperformed during fiscal 2014. The impairment charges primarily relate to the write-off of the book value of the related assets, net of estimated proceeds from the sale of these assets (primarily derived from the sale of real property). The Registrant is currently in the process of determining the fair market value of these assets and expects to complete its valuation in the first quarter of 2015. Based on preliminary analysis, the Registrant expects to recognize expenses during the fiscal 2014 fourth quarter of up to approximately \$4.5 million as a result of these charges.

A copy of the Registrant's press release dated December 29, 2014 announcing the these charges is furnished as Exhibit 99.1 to this report.
