On October 20, 2014, as described in the Issuer's Registration Statement on Form S-1 (Registration No. 333-194864) and pursuant to the Contribution Agreement, dated October 10, 2014, among the Issuer, Dominion, Cove Point, Holdco and the other parties thereto (which is filed as Exhibit 2 hereto and is incorporated herein by reference) (the First Contribution Agreement), the Reporting Persons (with the exception of Holdco II) contributed certain assets to the Issuer immediately following the closing of the Issuer's initial public offering. In exchange, Holdco received 11,847,789 Common Units and 31,972,789 subordinated units of the Issuer (the Subordinated Units and, together with the Common Units, the Units).

On October 20, 2014, in connection with the First Contribution Agreement, the Issuer entered into a registration rights agreement (which is filed as Exhibit 3 hereto and is incorporated herein by reference) (the First Registration Rights Agreement) with Holdco. Pursuant to the Second Registration Rights Agreement, the Issuer is required to file a registration statement to register the Common Units issued to Holdco II in the related transaction at its request. The Second Registration Rights Agreement also includes provisions dealing with holdback agreements, indemnification and contribution and allocation of expenses. These registration rights are transferable to affiliates and, in certain circumstances, to third parties.

**Item 4. Purpose of Transaction.**

The information provided in Item 3 of this Schedule 13D is incorporated herein by reference.

The Reporting Persons acquired the Units reported in this Schedule 13D solely for investment purposes and may acquire additional Units in the open market, in private transactions or otherwise depending on the Reporting Persons business, prospects and financial condition, the market for the Units, general economic conditions, stock market conditions and other future developments.

The following describes the plans or proposals that the Reporting Persons may have with respect to the matters set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D:

(a) None.

(b) None.

(c) None.

(d) Dominion Midstream GP, LLC (the General Partner) serves as the general partner of the Issuer and manages the Issuer's operations and activities on the Issuer's behalf through the General Partner's directors and executive officers. The General Partner is ultimately controlled by Dominion and some of Dominion's executive officers also serve as directors and executive officers of the General Partner. Due to its ultimate control of the General Partner, Dominion has the right to appoint the board of directors of the General Partner. Dominion has no current intention of changing the board of directors or management of the General Partner.

(e) Dominion, as the direct and indirect owner of the General Partner, may cause the Issuer to change its dividend policy or its capitalization, through the issuance of debt or equity securities, from time to time in the future. Dominion, however, has no current intention of changing the present capitalization or dividend policy of the Issuer.

(f) None.

(g) None.

(h) None.

(i) None.

(j) Except as described in this Item 4, the Reporting Persons do not have, as of the date of this Schedule 13D, any other plans or proposals that relate to or would result in any actions or events similar to those specified in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The Reporting Persons may change their plans or proposals with respect to the items discussed above in the future. In determining from time to time whether to sell the Units reported as beneficially owned in this Schedule 13D (and in what amounts) or to

retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional Units of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.

**Item 5. Interest in Securities of the Issuer.**

(a) Items 11 and 13 of each Cover Page state the aggregate number and percentage of Units beneficially owned by the applicable Reporting Person. Such information is incorporated herein by reference.

The Subordinated Units may be converted into Common Units on a one-for-one basis upon the expiration of the Subordination Period, which is defined in the Issuer's First Amended and Restated Agreement of Limited Partnership (which is filed as Exhibit 1 hereto and is incorporated herein by reference) (the Partnership Agreement). Because the Subordinated Units were acquired in connection with transactions having the effect of changing or influencing the control of the Issuer, such Subordinated Units are considered converted for the purposes of certain beneficial ownership calculations contained herein pursuant to Rule 13d-3(d)(1)(i) of the Securities Exchange Act of 1934, as amended. Accordingly, the numbers reported in Items 7 through 11 of each Cover Page include both the Common Units and the Subordinated Units beneficially owned by the applicable Reporting Person. Similarly, the percentage reported in Item 13 of each Cover Page is based on the approximate number of Common Units (37,092,305) and Subordinated Units (31,972,789) issued and outstanding as of April 1, 2015, with the exception of the percentage reported in Item 13 of the Cover Page for Holdco II, which is based solely on the approximate number of Common Units issued and outstanding as of April 1, 2015.

Holdco is the record holder of 43,820,578 Units (11,847,789 Common Units and 31,972,789 Subordinated Units), over which it shares voting and dispositive power with Cove Point and Dominion due to Cove Point's ownership of 100% of the membership interests of Holdco and Dominion's ownership of 100% of the common stock of Cove Point. Holdco II is the record holder of 5,112,139 Common Units over which it shares voting and dispositive power with Dominion due to Dominion's ownership of 100% of the common stock of Holdco II.

The number of Units held by each of the Reporting Person's directors and executive officers, all of which are Common Units, is set forth on Schedule A and is incorporated herein by reference.

Each of the Reporting Persons disclaims beneficial ownership of the securities held by others, including the other Reporting Persons, except to the extent of such Reporting Person's pecuniary interest therein, if any.

(b) The information provided in Item 5(a) of this Schedule 13D is incorporated herein by reference.

(c) Except as otherwise stated herein, none of the Reporting Persons has engaged in any transactions involving Units during the past 60 days. To the best of the Reporting Persons' knowledge, all transactions engaged in by the Reporting Persons' directors and executive officers during the past 60 days that involved Units are disclosed on Schedule A.

(d) No person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or proceeds from the sale of, the Units reported as being beneficially owned by the Reporting Persons on this Schedule 13D.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.**

The information provided in Items 3 and 4 of this Schedule 13D is incorporated herein by reference.

The General Partner, as the sole general partner of the Issuer, and Dominion, Holdco and Holdco II, as limited partners of the Issuer together with all other limited partners of the Issuer, are party to the Partnership Agreement. Among other things, the Partnership Agreement sets forth the rights of the parties thereto with respect to distributions of cash, allocation of profits and losses, the terms of the conversion of the Subordinated Units into Common Units and voting rights.

Subject to the terms and conditions of the Registration Rights Agreements, Dominion, Holdco and Holdco II have the right to cause the Issuer to register for resale under the Securities Act of 1933 and applicable state securities laws any Common Units that they hold.

Under the Limited Liability Company Agreement of the General Partner amended as of March 11, 2014, and as a result of owning the General Partner, Dominion has the power to appoint all members of the Board of Directors of the General Partner.

On April 1, 2015, the Reporting Persons entered into a Joint Filing Agreement relating to the filing of this Schedule 13D, a copy of which attached hereto as Exhibit 6.
