Item 1.01. Entry into a Material Definitive Agreement.

On June 3, 2015, Molina Healthcare, Inc., a Delaware corporation (the Company), entered into an underwriting agreement (the Underwriting Agreement) with UBS Securities LLC, BofA Merrill Lynch and Wells Fargo Securities, LLC, as representatives (Representatives) of the underwriters named on Schedule A thereto (the Underwriters). The Underwriting Agreement relates to the public offering by the Company of 5,000,000 shares of the Company's common stock, par value \$0.001 per share, at a price to the public of \$67.75 per share (the Offering). The Company has also granted the Underwriters a 30-day option to purchase up to 750,000 additional shares of common stock at the public offering price, less the underwriting discount.

The Company expects that the net proceeds of the Offering, after deducting the underwriting discount and estimated expenses, will be approximately \$324.4 million (approximately \$373.1 million if the Underwriters' option to purchase additional shares is exercised in full). The Company intends to use the net proceeds of the Offering for general corporate purposes, which may include the repayment of indebtedness, funding for acquisitions such as the Company's recently announced expansion in the State of Michigan, capital expenditures, additions to working capital and to meet statutory capital requirements in new or existing states.

The Underwriting Agreement contains representations, warranties and covenants by the Company. It also provides for indemnification by the Company and the Underwriters against certain liabilities and contribution provisions in respect of those liabilities. In addition, the Company's executive officers and directors and certain significant stockholders have agreed, subject to certain limited exceptions, not to sell or transfer any common stock or securities convertible into, exchangeable for, exercisable for, or repayable with common stock for 60 days after the date of the Underwriting Agreement without the prior written consent of the Representatives.

The foregoing description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

The Offering is being made pursuant to the Company's automatic shelf registration statement on Form S-3 (File No. 333-204558) filed with the Securities and Exchange Commission on May 29, 2015, and the related prospectus supplement and accompanying prospectus. The Offering is expected to close on June 9, 2015, subject to customary closing conditions.

The opinion of the Company's counsel as to the legality of the common stock to be sold in the Offering is filed as Exhibit 5.1 to this Form 8-K.

Item 7.01. Regulation FD Disclosure.

In a press release dated June 4, 2015, the Company announced that it priced its previously announced underwritten public offering of 5,000,000 shares of its common stock. A copy of the press release is attached hereto as Exhibit 99.1, the text of which is incorporated herein by reference.

The information in this Item 7.01 of this Form 8-K and Exhibit 99.1 attached hereto shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference in such a filing.
