Background

On March 14, 2016 Allison Transmission Holdings, Inc. (the Company) announced that its Board of Directors (the Board) is implementing a number of corporate governance enhancements, including:

Appointing two new independent directors, effective immediately:

Stan A. Askren, Chairman, President and Chief Executive Officer of HNI Corporation, and

Richard P. Lavin, former President and Chief Executive Officer of Commercial Vehicle Group, Inc. and former Group President, Caterpillar Inc.;

Announcing James A. Star, President and Chief Executive Officer of Longview Asset Management, LLC, as one of the Company's nominees standing for election at the 2016 annual meeting of stockholders;

Seeking stockholder approval to declassify the Board, so that the entire Board will be annually elected beginning at the 2017 annual meeting of stockholders;

Amending its bylaws to adopt a majority voting standard for the election of directors in uncontested elections, effective immediately; and

Amending its bylaws to make proxy access available to Allison stockholders beginning at the 2017 annual meeting of stockholders.

The Company also announced that its 2016 annual meeting of stockholders will be held on May 12, 2016. The Company's definitive proxy statement and WHITE proxy card will be mailed in advance of the 2016 annual meeting of stockholders to stockholders of record as of March 28, 2016.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On March 11, 2016, the Board, upon the recommendation of the Company's Nominating and Corporate Governance Committee, appointed Stan Askren to serve as a Class II member of the Board and Rich Lavin to serve as a Class III member of the Board, increasing the size of the Board to eleven members. Mr. Askren's term is set to expire at the Company's 2017 annual meeting of stockholders and Mr. Lavin's term is set to expire at the Company's 2018 annual meeting of stockholders. Mr. Lavin has consented to stand for election at the Company's 2017 annual meeting of stockholders if the Company's stockholders approve the declassification of the Board.

As non-employee directors, Mr. Askren and Mr. Lavin will receive compensation in accordance with the Company's Second Amended and Restated Non-Employee Director Compensation Policy (the Policy). (See the Policy filed as Exhibit 10.44 to the Company's Annual Report on Form 10-K for the year ended December 31, 2015 with the Securities and Exchange Commission (SEC) on February 19, 2016.) In addition, it is expected that Mr. Askren and

Mr. Lavin will execute the Company's standard form of director indemnification agreement. (See the Form of Director Indemnification Agreement filed as Exhibit 10.9 to Amendment No. 2 to the Company's Registration Statement on Form S-1 filed with the SEC on May 16, 2011.) There are no related party transactions between the Company and Mr. Askren or between the Company and Mr. Lavin. There were no arrangements or understandings pursuant to which Mr. Askren or Mr. Lavin were elected as directors.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective March 11, 2016, the Board amended and restated the Company's bylaws (the Amended and Restated Bylaws). The Amended and Restated Bylaws include the following amendments:

Implementing Proxy Access

Section 1.12 of the Amended and Restated Bylaws permits a stockholder, or a group of up to 20 stockholders, owning 3% or more of the Company's outstanding common stock continuously for at least three years to nominate and include in the Company's proxy materials directors constituting up to 25% of the board or two individuals, whichever is greater, provided that the stockholder(s) and nominee(s) satisfy the requirements specified in Section 1.12 of the Amended and Restated Bylaws.

Implementing Majority Voting

Section 1.08 of the Amended and Restated Bylaws changes the voting standard for the election of directors in uncontested elections from a plurality standard to a majority voting standard. The Amended and Restated Bylaws provide that, in an uncontested election, a nominee for director is elected only if the number of votes cast FOR a nominee's election exceeds the number of votes cast AGAINST the nominee's election. For this purpose, abstentions and broker non-votes will not count as a vote cast. The majority voting standard would not apply in contested elections, which means an election in which there are more nominees for director than available seats on the Board. In these elections, the voting standard will continue to be a plurality standard.

The Company also adopted amendments to its Corporate Governance Guidelines outlining a director resignation policy in connection with elections of directors. Prior to the mailing of the proxy materials for any meeting at which directors are to be elected, each director seeking election must tender an irrevocable resignation that will become effective upon the occurrence of both (1) a failure of the nominee to receive the requisite votes to be elected as a director and (2) Board acceptance of such resignation. If any director fails to receive the required votes for election (each a Subject Director), the Nominating and Corporate Governance Committee will make a recommendation to the Board as to whether to accept or reject the Subject Director's previously tendered resignation, or whether other action should be taken. The Board, not including any Subject Director, will make a final decision as to whether to accept or reject the resignation based on factors it deems relevant and taking into consideration the recommendation of the Nominating and Corporate Governance Committee. If a Subject Director's tendered resignation is not accepted by the Board, the Subject Director will continue to serve until his or her successor is duly elected and qualified, or his or her earlier resignation or removal. In the event that the Board decides to accept a resignation, the Board would be permitted to fill the resulting vacancy or decrease the size of the Board in accordance with the Amended and Restated Bylaws.

Additional Bylaw Changes

The Amended and Restated Bylaws also include certain technical, conforming and clarifying changes, including splitting the role of Chief Executive Officer and President.

The foregoing description of the Amended and Restated Bylaws is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws attached hereto as Exhibit 3.1 and the information set forth therein is incorporated herein by reference.

Item 8.01 Other Events

The Company announced that the Company's 2016 annual meeting of stockholders will be held on May 12, 2016. The Company's definitive proxy statement and WHITE proxy card will be mailed in advance of the 2016 annual meeting of stockholders to stockholders of record as of March 28, 2016.

The Company also announced that the Board determined to nominate James Star to stand for election on the Company's slate at the 2016 annual meeting of stockholders. Mr. Star will stand in the place of Gregory Ledford, who, as previously announced, has decided to retire from the Board when his current term expires at the 2016 annual meeting. The Board also determined to nominate two independent continuing directors, David F. Denison and David C. Everitt, for re-election to the Board.

The Company also announced that the Board approved, and will seek stockholder approval at the 2016 annual meeting of stockholders to adopt, an amendment to the Company's charter to declassify the Board, such that all directors will be elected annually commencing at the Company's 2017 annual meeting of stockholders.

A copy of the Company's press release is attached hereto as Exhibit 99.1, and the information set forth therein is incorporated herein by reference.
