Item 7.01 Regulation FD Disclosure.

On March 22, 2016, MGM Growth Properties LLC ("MGP"), a subsidiary of MGM Resorts International (the "Company") filed a Registration Statement on Form S-11 (the "Registration Statement") with the Securities and Exchange Commission (the "SEC"). The Registration Statement disclosed certain information that supplements or updates certain prior disclosures of the Company. Pursuant to Regulation FD, the Company is furnishing herewith such information, excerpted from the Registration Statement, as Exhibit 99.1 to this Form 8-K (the "Supplement").

The Supplement contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995 that involve risks and/or uncertainties, including those described in the Company's public filings with the Securities and Exchange Commission. The Company has based forward-looking statements on management's current expectations and assumptions and not on historical facts. Examples of these statements include, but are not limited to, the Company's ability to generate future cash flow growth, to meet certain financial objectives with respect to its MGM National Harbor and MGM Springfield projects, to execute on future development and other projects, such as the Profit Growth Plan, the expected results of the Profit Growth Plan, amounts the Company expects to receive as a result of dividends and distributions by joint ventures (including MGM China and CityCenter), the completion of the initial public offering of MGM Growth Properties and, if completed, the value realized by the Company from such transaction. These forward-looking statements involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated in such forward-looking statements include effects of economic conditions and market conditions in the markets in which the Company operates and competition with other destination travel locations throughout the United States and the world, the design, timing and costs of expansion projects, risks relating to international operations, permits, licenses, financings, approvals and other contingencies in connection with growth in new or existing jurisdictions and additional risks and uncertainties described in the Company's Form 10-K, Form 10-Q and Form 8-K reports (including all amendments to those reports). In providing forward-looking statements, the Company is not undertaking any duty or obligation to update these statements publicly as a result of new information, future events or otherwise, except as required by law. If the Company updates one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those other forward-looking statements.

The information contained in this Item 7.01, including the Exhibit hereto, shall not be deemed to be filed for purposes of the Securities Exchange Act of 1934, as amended, and it shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, except as expressly set forth by specific reference in such filing.
