### **EXPLANATORY NOTE**

This Registration Statement on Form S-8 is being filed for the purpose of registering an additional 32,357,013 Class A shares of Apollo Global Management, LLC (the "Company") reserved for issuance under the Apollo Global Management, LLC 2007 Omnibus Equity Incentive Plan (the "Plan"). These additional Class A shares are of the same class as other securities for which an original registration statement (File No. 333-173161) on Form S-8 was filed with the Securities and Exchange Commission on March 30, 2011. Of these additional Class A shares, (i) 7,344,308 have become reserved for issuance as a result of the operation of the "evergreen" provision of the Plan, which provides that the total number of units subject to the Plan shall be increased on the first day of each fiscal year pursuant to a specified formula, and (ii) the balance have become reserved for issuance as a result of the operation of the section of the Plan that provides that if shares subject to an award that are forfeited, cancelled, exchanged or surrendered, or if an award otherwise terminates or expires without a distribution of shares to the participant, such shares will again be available for outstanding or new awards under the Plan. Applicable authority is not settled on whether shares described in clause (ii), if previously subject to restricted share units, must be registered on Form S-8. The Company is registering such shares under this Registration Statement out of an abundance of caution.

Pursuant to General Instruction E to Form S-8, the contents of such earlier registration statements are incorporated by reference into this Registration Statement, except that the provisions contained in Part II of such earlier registration statement are modified as set forth in this Registration Statement.
