PROXY STATEMENT

Annual Meeting of Shareholders to be Held

May 2, 2017

VOTING AND REVOCATION OF PROXY

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Famous Dave s of America, Inc. to be used at the annual meeting of shareholders of the Company (the Annual Meeting) to be held on Tuesday, May 2, 2017, at 3:00 p.m., at the Company s office at 12701 Whitewater Drive, Minnetonka, Minnesota. Throughout this Proxy Statement, the terms the Company, Famous Dave s, we, our, us, and similar terms refer to Famous Dave s of America, Inc.

The Annual Meeting is being held for the purpose of considering and taking appropriate action with respect to the following:

1. The election of six directors;
2. The ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for fiscal 2017;
3. Advisory approval of the Company s executive compensation (say-on-pay); and
4. The transaction of any other business as may properly come before the Annual Meeting or any adjournments thereof.

The approximate date on which this Proxy Statement and the accompanying proxy were first sent or provided to shareholders was March 23, 2017.

PROXIES AND VOTING

Registered shareholders may vote in one of three ways: By completing and returning the enclosed proxy card via regular mail or by voting via the Internet or telephone. Specific instructions for using these methods are set forth on the enclosed proxy card. The Internet and telephone procedures are designed to authenticate the shareholder s identity and to allow shareholders to vote their shares and confirm that their instructions have been properly recorded.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

The Board of Directors has set the close of business on March 7, 2017 as the Record Date for the Annual Meeting. Only holders of the Company's common stock as of the Record Date, or their duly appointed proxies, are entitled to notice of and will be entitled to vote at the Annual Meeting or any adjournments thereof. On the Record Date, there were 6,957,628 shares of the Company's common stock outstanding. Each such share entitles the holder thereof to one vote upon each matter to be presented at the Annual Meeting. A quorum, consisting of a majority of the outstanding shares of the Company's common stock entitled to vote at the Annual Meeting, must be present in person or represented by proxy before action may be taken at the Annual Meeting.

Each proxy returned to the Company will be voted in accordance with the instructions indicated thereon. If no direction is given by a shareholder, the shares will be voted as recommended by the Company's Board of Directors. If any nominee for the Board of Directors should withdraw or otherwise become unavailable for reasons not presently known, the proxies that would have otherwise been voted for such nominee will be voted for such substitute nominee as may be selected by the Board of Directors. If a shareholder abstains from voting on any matter, the abstention will be counted for purposes of determining whether a quorum is present at the Annual Meeting for the transaction of business as well as shares entitled to vote on that matter. On matters other than the election of directors, an action of the shareholders generally requires the affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter. Accordingly, an abstention on any matter other than the election of

directors will have the same effect as a vote against that matter. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Broker non-votes on a matter are counted as present for purposes of establishing a quorum for the Annual Meeting, but are not considered entitled to vote on that particular matter. Consequently, non-votes generally do not have the same effect as a negative vote on the matter.

A shareholder giving a proxy may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of the Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. Presence at the Annual Meeting of a shareholder who has signed a proxy does not, alone, revoke that proxy; revocation must be announced by the shareholder at the time of the Annual Meeting. Unless so revoked, the shares represented by each proxy will be voted at the Annual Meeting and at any adjournments thereof.

NOTICE TO BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS:

New York Stock Exchange Rule 452 prohibits NYSE member organizations from giving a proxy to vote with respect to an election of directors (Proposal No. 1) without receiving voting instructions from a beneficial owner. Because NYSE Rule 452 applies to all brokers that are members of the NYSE, this prohibition applies to the Annual Meeting even though the Company is not listed on the New York Stock Exchange. Therefore, brokers will not be entitled to vote shares at the Annual Meeting with respect to Proposal No. 1 without instructions by the beneficial owner of the shares. **AS A RESULT, BENEFICIAL OWNERS OF SHARES HELD IN BROKER ACCOUNTS ARE ADVISED THAT, IF THEY DO NOT TIMELY PROVIDE INSTRUCTIONS TO THEIR BROKER, THEIR SHARES WILL NOT BE VOTED IN CONNECTION WITH THESE PROPOSALS.**

PROPOSALS

PROPOSAL No. 1 Election of Directors

The shareholders have set the size of the Board of Directors at eight and we currently have seven directors. Six of these directors have been nominated for re-election at the Annual Meeting, leaving two vacancies. If elected, each nominee has consented to serve as a director of the Company and to hold office until the next annual shareholders' meeting, and until his or her successor is elected and shall have qualified, or until his or her earlier death, resignation, removal or disqualification.

The following paragraphs provide information as of the date of this Proxy Statement about each nominee. The information presented includes information that each nominee has given us about his or her age, all positions he or she holds within the Company, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led our Board to the conclusion that he or she should serve as a director, our director nominees have experience in developing and overseeing businesses and implementing near term and long range strategic plans. We also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. Collectively, they have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our Company and our Board. Although we don't believe that share ownership alone qualifies any person to serve as a director of our Company, we believe that the beneficial ownership of our Board nominees (collectively 27% as of the Record Date) aligns their interests with those of our shareholders and will drive our Board's focus on maximizing shareholder value.

Vote Required

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six nominees named above. If you do not vote for a particular nominee, or you withhold authority for one or all nominees, your vote will not count either for or against the nominee, although it will be counted for purposes of determining whether there is a quorum. If any director nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for that director nominee may be voted for a substitute director nominee selected by the Company's Board of Directors.

The Board recommends that you vote FOR the election of each named nominee.

PROPOSAL No. 2 Ratification of the Appointment of Independent Registered Public Accounting Firm

The Board of Directors and management of the Company are committed to the quality, integrity and transparency of the Company's financial reports. In accordance with the duties set forth in its written charter, the Audit Committee of the Company's Board of Directors has appointed Grant Thornton LLP as the Company's independent registered public accounting firm for the 2017 fiscal year. A representative of Grant Thornton LLP is expected to attend this year's Annual Meeting and be available to respond to appropriate questions from shareholders, and will have the opportunity to make a statement if he or she desires to do so.

Fees Billed to Company by Its Independent Registered Public Accounting Firm

The following table presents fees for professional audit services and 401(k) audit services, tax services and other services rendered by Grant Thornton LLP during fiscal years 2016 and 2015:

| | 2016 | 2015 |
|------------------------|-------------------|-------------------|
| Audit Fees (1) | \$ 361,643 | \$ 303,342 |
| Audit-Related Fees (2) | \$ 19,500 | \$ 16,353 |
| Tax Fees (3) | | |
| All Other Fees (4) | | |
| Total Fees | \$ 381,143 | \$ 319,695 |

(1) Audit Fees consist of fees for professional services rendered for the audit of the Company's consolidated annual financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided in connection with statutory and regulatory filings or engagements.

(2) Audit-Related Fees consist principally of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements but not reported under the caption *Audit Fees* above, including the 401(k) audit.

(3) Tax Fees consist of fees for tax compliance, tax advice, and tax planning.

(4) All Other Fees typically consist of fees for permitted non-audit products and services provided.

The Audit Committee of the Board of Directors has reviewed the services provided by Grant Thornton LLP during fiscal year 2016 and the fees billed for such services. After consideration, the Audit Committee has determined that the receipt of these fees by Grant Thornton LLP is compatible with the provision of independent audit services. The Audit Committee discussed these services and fees with Grant Thornton LLP and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Pre-Approval Policy

The Company's Audit Committee charter (a copy of which is available at the Company's website at www.famousdaves.com) provides that all audit and non-audit accounting services that are permitted to be performed by the Company's independent registered public accounting firm under applicable rules and regulations must be pre-approved by the Audit Committee or by designated members of the Audit Committee, other than with respect to de minimus exceptions permitted under the Sarbanes-Oxley Act of 2002. During fiscal 2016, all services performed by Grant Thornton LLP were pre-approved in accordance with the Audit Committee charter.

Prior to or as soon as practicable following the beginning of each fiscal year, a description of the audit, audit-related, tax, and other services expected to be performed by the independent registered public accounting firm in the following fiscal year is presented to the Audit Committee for approval. Following such approval, any requests for audit, audit-related, tax, and other services not presented and pre-approved must be submitted to the Audit Committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, has been delegated to the chairman of the Audit Committee. The chairman must update the Audit Committee at the next regularly scheduled meeting of any services that were granted specific pre-approval. In addition, the Audit Committee has granted pre-approval for the Chief Executive Officer and the Chief Financial Officer to spend up to \$5,000 annually in additional permitted audit fees with Grant Thornton LLP, which authority and amount will be reviewed and approved annually.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for fiscal 2017. If the shareholders do not ratify the appointment of Grant Thornton LLP, the Audit Committee may reconsider its selection, but is not required to do so. Notwithstanding the proposed ratification of the appointment of Grant Thornton LLP by the shareholders, the Audit Committee, in its discretion, may direct the appointment of new independent auditors at any time during the year without notice to, or the consent of, the shareholders, if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

The Board recommends that you vote FOR the ratification of Grant Thornton LLP

as the independent registered public accounting firm of the Company for fiscal 2017.

PROPOSAL No. 3 Advisory Vote on Executive Compensation

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, our shareholders are entitled to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the rules of the Securities and Exchange Commission. This say-on-pay vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy and policies described in this Proxy Statement.

At the Company's 2013 annual shareholders meeting, the shareholders were asked to cast an advisory vote on how frequently we should seek an advisory say-on-pay vote. In particular, we asked whether the say-on-pay vote should occur every three years, every two years, or every one year. As stated in the proxy statement for our 2013 annual shareholders meeting, our Board recommended that shareholders vote for an annual say-on-pay vote to best enable the Board and the Compensation Committee to understand and incorporate the views of our shareholders in structuring our executive compensation programs. At the 2013 annual shareholders meeting, the option of an annual say-on-pay vote received the highest number of votes cast by shareholders. Consistent with this desire for an annual say-on-pay vote, we are asking shareholders to indicate their support at the Annual Meeting for the compensation of our named executive officers as described in this Proxy Statement by casting an advisory vote FOR the following resolution:

RESOLVED, that the shareholders approve the compensation of the named executive officers of Famous Dave's of America, Inc., as disclosed in the section entitled Executive Compensation in the Proxy Statement for the Famous Dave's of America, Inc. 2017 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The compensation of our named executive officers is disclosed in the section entitled Executive Compensation below.

Vote Required

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve, on an advisory basis, the compensation of our named executive officers as described herein. Because the vote is advisory, it will not be binding on the Company, the Board or the Compensation Committee. Nevertheless, the views expressed by our shareholders, whether through this vote or otherwise, are important to us and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

*The Board recommends that you vote FOR the proposal to approve the compensation of our
named executive officers, as described in this Proxy Statement.*

Other Matters

The Board of Directors is not aware of any matter to be presented for action at the Annual Meeting other than the three proposals described above. Although the Board of Directors knows of no other matters to be presented at the Annual Meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxy holders.

In the event of a Corporate Transaction (as defined in the 2015 Plan), at the option of the Board, Mr. Lister must exercise the stock option or such failure to exercise will result in termination of the stock option. Also in the event of a Corporate Transaction, in exchange for the termination of the stock option, the Board may make a cash payment to Mr. Lister in an amount equal to the product obtained by multiplying (i) the amount (if any) by which the transaction proceeds per share exceed the exercise price per share covered by the stock option by (ii) the number of shares of common stock covered by the stock option. Description of Additional Compensation Plans and Practices

Deferred Stock Unit Plan

We maintain an Executive Elective Deferred Stock Unit Plan (the "Deferred Stock Unit Plan"), in which executives can elect to defer all or part of their annual incentive compensation or commissions, or their receipt of any compensation in the form of stock grants under the Company's equity incentive plans or otherwise, for a specified period of time. During 2015 and 2016, no executives elected to defer amounts under the Deferred Stock Unit Plan. To the extent elections are made, the amount of compensation that is deferred is converted into a number of stock units, as determined by the share price of our common stock on the effective date of the election. These units are converted back into a cash amount at the expiration of the deferral period based on the share price of our common stock on the expiration date and paid to the executive in cash in accordance with the payout terms of the plan. Accordingly, we recognize compensation expense throughout the deferral period to the extent that the share price of our common stock increases, and reduce compensation expense throughout the deferral period to the extent that the share price of our common stock decreases.

Deferred Compensation Plan

We maintain a Non-Qualified Deferred Compensation Plan (the "Deferred Compensation Plan") in which employees who are at the director level and above are eligible to participate. Participants must complete a deferral election each year and submit it to the Company, prior to the beginning of the fiscal year for which the compensation pertains, indicating the level of compensation (salary, bonus and commissions) they wish to have deferred for the coming year. This deferral election is irrevocable except to the extent permitted by the Deferred Compensation Plan's administrator, and the applicable regulations promulgated by the Internal Revenue Service. For fiscal 2015 and 2016, the Company matched 25.0% of the first 4.0% contributed by participants and paid declared interest rates of 6.0% on balances contributed during fiscal 2015 and 2016. For fiscal 2017, the Company will again match 25% of the first 4.0% contributed by participants and will pay a declared interest rate of 6.0% on contributions. The Board of Directors or the Compensation Committee administers the Deferred Compensation Plan and can change the Company match, interest rate or any other aspects of the plan at any time.

Deferral periods are defined as the earlier of termination of employment or not less than three calendar years following the end of the applicable Deferred Compensation Plan Year. Extensions of the deferral period for a minimum of five years are allowed, provided the election is made at least one year before the first payment affected by the change. Payments can be in a lump sum or in equal payments over a two-, five- or ten-year period, plus interest from the commencement date.

The Deferred Compensation Plan assets are kept in an unsecured account that has no trust fund. In the event of bankruptcy, any future payments would have no greater rights than that of an unsecured general creditor of the Company and they confer no legal rights for interest or claim on any assets of the Company. Benefits provided by the Deferred Compensation Plan are not insured by the Pension Benefit Guaranty Corporation (PBGC) under Title IV of the Employee Retirement Income Security Act of 1974 (ERISA), because the pension insurance provisions of ERISA do not apply to the Deferred Compensation Plan.

For the plan year ended December 31, 2016, named executive officers contributed \$7,500 to the Deferred Compensation Plan and the Company provided matching funds and interest of \$936.

Stock Ownership Expectations

In accordance with the desire to better align the long-term objectives of our executives and the Board with our shareholders, our Board has adopted minimum stock ownership guidelines that set forth the levels of ownership expected of Board members and top executives of the Company. Board members are expected to own shares of our common stock equal in value to at least three times their annual Board of Directors compensation. Our Chief Executive Officer is expected to own shares of our common stock and vested options equal in value to at least four times his annual salary, while our Chief Financial Officer is expected to own shares of our common stock and vested options equal in value to at least two times his annual salary. Other Vice Presidents are expected to own shares of our common stock and vested options equal in value to at least their respective annual salaries. For purposes of determining compliance with the minimum stock ownership guidelines, share ownership is defined to include stock owned directly by the director or executive and vested stock options. The Board acknowledges that the value of directors and executives share ownership will fluctuate based on the market price of our stock and, therefore, deficiencies in share ownership levels may exist from time to time. The Board also acknowledges that newly elected directors and newly hired executives may require a transition period to build share ownership in compliance with the guidelines. Shares owned directly by directors and executives in compliance with the minimum ownership guidelines represent investments in our common stock. Therefore, gains or losses resulting from appreciation or depreciation of these shares are not taken into account when calculating compensation amounts reported in this Proxy Statement.

Other Benefits

We provide additional benefit plans to employees, including the named executive officers, such as medical, dental, life insurance and disability coverage, flex benefit accounts, 401(k) plan, and an employee assistance program and. We also provide vacation and other paid holidays to employees, including the named executive officers, which are comparable to those provided at other companies of comparable size.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one year with respect to each of its five most highly paid executive officers. There is an exception to the \$1,000,000 limitation for performance-based compensation meeting certain requirements. Incentive compensation, including equity incentive awards, has not generally been structured to meet all of such requirements and, as such, may not be fully deductible.

INFORMATION REGARDING THE BOARD OF DIRECTORS

AND CORPORATE GOVERNANCE

Board of Directors

The size of our Board of Directors is set at eight by the shareholders. We currently have seven members serving as directors, with one vacancy and will have two vacancies after this 2017 Annual Meeting of Shareholders. The following directors, constituting a majority of the Board, are independent directors as such term is defined in Rule 5605(a)(2) of the NASDAQ Stock Market's Marketplace Rules: Joseph M. Jacobs, Jonathan P. Lennon, Charles W. Mooty, Richard A. Shapiro, Patrick D. Walsh, and Bryan L. Wolff. The Board of Directors held five formal meetings during fiscal 2016 and took action by written consent in lieu of a meeting on eight occasions.

Currently, the Company has appointed an independent director, Charles W. Mooty, as non-executive Chairman of the Company's Board of Directors, a position he has held since March 2017, after joining the Board in December 2016. The Board separates the Board chair function from that of the Chief Executive Officer, who serves as the Company's principal executive officer, based on a belief that separating these functions, and empowering an independent director to chair the Board meetings, will result in increased Board oversight of management activities.

Board of Directors Role in Risk Oversight

The Audit Committee of the Board of Directors has been delegated the responsibility for risk oversight. In overseeing the Company's risk management, the Audit Committee adheres to a detailed committee responsibilities calendar that addresses various risk-related matters. These matters include but are not limited to:

meeting with management and the Company's independent registered public accountant in separate executive sessions;

interacting with management and the internal audit function;

considering and reviewing with the Company's independent registered public accountant the Company's assessment and any related attestation (including related reports) on internal control over financial reporting, the adequacy of such controls and recommendations for improvements;

inquiring of the Company's finance and accounting function managers and the Company's independent registered public accountant about significant risks or exposures, and any significant accounts that require management judgment;

reviewing the Company's policies for risk assessment and risk management, and assessing steps taken or to be taken to control such risk;

assessing the oversight and management of the information risks, including those related to Company Information Technology projects; and

overseeing the Company's investment policies.

Committees of the Board of Directors

The Company has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. During fiscal 2016, each member of the Board of Directors attended at least 75% of the Board meetings and meetings of committees to which they belong during the period in which such member served as a director. Although the Company has no formal policy regarding directors' attendance at the Company's annual shareholders meetings, the Company encourages such attendance by members of the Board of Directors. All seven of the

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form DEF 14A

Company directors serving on the Board of Directors at the time of the Company's most recent annual shareholders' meeting, held May 3, 2016, were in attendance at that meeting.

Below is a summary of the Company's board committee structure and current committee membership information. Effective as of the date of the Annual Meeting, Jonathan P. Lennon will no longer be a director or member of any committee and Charles W. Mooty will become a member of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee.

Audit Committee of the Board of Directors

The Company has established a three-member Audit Committee within the Board of Directors that currently consists of Chairman Bryan L. Wolff, Jonathan P. Lennon and Patrick D. Walsh. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The charter reflects the Audit Committee's increased responsibilities as a result of the Sarbanes-Oxley Act of 2002, as well as the NASDAQ Stock Market corporate governance standards. As set forth in the charter, the primary responsibilities of the Audit Committee include: (i) serving as an independent and objective party to monitor the Company's financial reporting process and internal control system; (ii) reviewing and appraising the audit performed by the Company's independent registered public accounting firm; and (iii) providing an open avenue of communication among the independent registered public accounting firm, financial and senior management and the Board of Directors. The charter also requires that the Audit Committee review and pre-approve the performance of all audit and non-audit accounting services to be performed by the Company's independent registered public accounting firm, as well as tax work performed by the Company's tax firm, other than certain de minimus exceptions permitted by Section 202 of the Sarbanes-Oxley Act of 2002.

The Board of Directors has determined that at least one member of the Audit Committee, Bryan L. Wolff, qualifies as an audit committee financial expert as that term is defined in Item 407(d)(5) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended. In addition, each member of the Audit Committee is an independent director, as such term is defined in Rule 5605(a)(2) of the NASDAQ Stock Market's Marketplace Rules, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board of Directors has also determined that each of the Audit Committee members is able to read and understand fundamental financial statements and that at least one member of the Audit Committee has past employment experience in finance or accounting. The Audit Committee held four formal meetings during fiscal 2016 and took action by written consent in lieu of a meeting on one occasion.

Report of the Audit Committee

The Company's management has primary responsibility for the Company's internal controls and preparing the Company's consolidated financial statements. The Company's independent registered public accounting firm, Grant Thornton LLP, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board. The primary function of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting, internal controls, and audit functions.

The Audit Committee has reviewed the Company's audited consolidated financial statements for the last fiscal year and discussed them with management.

The Audit Committee has discussed with the Company's independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, as amended, Communications with Audit Committees (AICPA, Professional Standards, Vol. 1. AU section 380) as Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding such firm's communications with the Audit Committee concerning independence, and has discussed with the independent accountants their independence.

The Audit Committee, based on the review and discussions described above, has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 1, 2017 for filing with the Securities and Exchange Commission.

THE AUDIT COMMITTEE

BRYAN L. WOLFF, Chairman

JONATHAN P. LENNON

PATRICK D. WALSH

Compensation Committee of the Board of Directors

The Company has established a Compensation Committee within the Board of Directors that currently consists of Chairman Patrick D. Walsh, Jonathan P. Lennon and Bryan L. Wolff. The Compensation Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The Compensation Committee reviews the Company's remuneration policies and practices, makes recommendations to the full Board in connection with all compensation matters affecting the Company and administers the Company's incentive compensation plans. The Compensation Committee of the Board of Directors has direct oversight and responsibility for the Company's executive compensation policies and programs. The Compensation Committee has the authority to obtain advice and assistance from internal or external legal, accounting or other advisors, and has the authority to retain, terminate and approve the fees payable to any external compensation consultant to assist in the evaluation of director, and senior executive compensation. The Compensation Committee assesses the independence of any compensation consultant that it elects to engage.

Compensation Philosophy

Our executive compensation philosophy has been based on adopting compensation programs driven by short and long-term financial performance metrics designed to ensure management is incented to increase shareholder value over time. The Company's executive compensation policies and programs are designed to provide:

a means for the Company to attract, motivate, reward and retain qualified executives in a competitive environment;

competitive levels of compensation that integrate with the Company's annual objectives and long-term goals;

incentives that promote sustained short- and long-term financial growth and return in order to increase intrinsic value per share;

a reward system for extraordinary performance that recognizes individual initiative and achievements; and

a means to optimize performance without encouraging unreasonable risks or incentivizing behavior that would be reasonably likely to result in a material adverse effect on the Company.

The Compensation Committee believes that the total compensation program for executives should consist of the following elements, each determined by individual and corporate performance:

Base salary compensation; and

Incentive compensation, both in the form of annual cash bonus and long-term stock-based incentive awards.

In addition to the compensation program elements listed above, we have established a Deferred Stock Unit Plan and a Non-Qualified Deferred Compensation Plan in which our executives are entitled to participate. The Compensation Committee believes that the availability of these plans, each of which are discussed below, adds to the attractiveness of the Company's overall compensation program and positively impacts the Company's ability to hire and retain qualified executives.

Compensation Procedures

Our Compensation Committee approves, on an annual basis, the competitiveness of our overall executive compensation programs, including the appropriate mix between cash and non-cash compensation as well as annual and long-term incentives. As set forth in its written charter, our Compensation Committee has access to resources it deems appropriate to accomplish its responsibilities, including the sole authority to retain (with funding provided by the Company) legal counsel and experts in the field of executive compensation after taking into consideration the independence related factors required under applicable NASDAQ listing

standards. The Compensation Committee has the sole authority to retain and to terminate such advisors, and to approve the fees and other retention terms. During fiscal 2016, the Compensation Committee primarily relied upon internal Company resources to generate information on which to benchmark the Company's compensation practices.

Generally, our Chief Executive Officer has provided input to our Compensation Committee regarding executive compensation and participated in the ultimate determination of compensation for the Company's other executives. However, our Chief Executive Officer does not have direct involvement in the determination of his own compensation, the determination and structure of which is the sole responsibility of the Compensation Committee.

The Compensation Committee held two meetings during fiscal 2016 and took action by written consent in lieu of a meeting on seven occasions.

Corporate Governance and Nominating Committee of the Board of Directors

The Company has established a Corporate Governance and Nominating Committee within the Board of Directors that consists of Chairman Bryan L. Wolff and Jonathan P. Lennon. Messrs. Wolff and Lennon satisfy the independence requirements of the NASDAQ Stock Marketplace Rules. The Corporate Governance and Nominating Committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.famousdaves.com. The primary role of the Corporate Governance and Nominating Committee is to consider and make recommendations to the full Board of Directors concerning the appropriate size, function and needs of the Board, including establishing criteria for Board membership and considering, recruiting and recommending candidates (including those recommended by shareholders) to fill new Board positions. The Corporate Governance and Nominating Committee also considers and advises the full Board on matters of corporate governance and monitors and recommends the functions of, and membership on, the various committees of the Board.

The Corporate Governance and Nominating Committee (or a subcommittee thereof) recruits and considers director candidates and presents all qualified candidates to the full Board for consideration. Qualified candidates will be considered without regard to race, color, religion, sex, ancestry, national origin, disability, marital or veteran status, or any other legally protected status.

In identifying and evaluating potential candidates to be nominees for directors, the Corporate Governance and Nominating Committee has the flexibility to consider such factors as it deems appropriate under relevant circumstances. These factors may include education, general business and industry experience, ability to act on behalf of shareholders and build long term shareholder value, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. The Corporate Governance and Nominating Committee believes that a Board comprised of directors with diverse skills and experiences relevant to the Company's industry will result in efficient and competent oversight of the Company's various core competencies, which include restaurant operations, franchise operations, real estate, marketing and financial and accounting. As such, the Corporate Governance and Nominating Committee considers the interplay of a director candidate's experience with that of other members of the Board of Directors.

If the Corporate Governance and Nominating Committee approves a candidate for further review following an initial screening, the Corporate Governance and Nominating Committee will establish an interview process for the candidate. Generally, the candidate will meet with at least a majority of the members of the Corporate Governance and Nominating Committee, along with the Company's Chief Executive Officer. Contemporaneously with the interview process, the Corporate Governance and Nominating Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Corporate Governance and Nominating Committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The Corporate Governance and Nominating Committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to the Company and concern for its success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in the Company's good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

The Corporate Governance and Nominating Committee will consider recommendations by shareholders of candidates for election to the Board of Directors. Any shareholder who wishes that the Corporate Governance and Nominating Committee consider a candidate must follow the procedures set forth in our Bylaws. Under our Bylaws, if a shareholder plans to nominate a person as a director at a meeting, the shareholder is required to place a proposed director's name in nomination by written request delivered to or

All shareholder communications sent in care of the Company's Secretary will be forwarded promptly to the applicable director(s).

Policies and Procedures for the Consideration and Determination of Director Compensation

Each year, the Corporate Governance and Nominating Committee reviews the Board's compensation in relation to other companies nationwide and recommends any changes in Board compensation to the full Board of Directors for approval. As needed, the Compensation Committee will also review and make recommendations to the Board. The Compensation Committee also approves any grants of equity incentives to directors under the Company's equity incentive plans.

PROPOSALS OF SHAREHOLDERS

Proposals by shareholders (other than director nominations) that are submitted for inclusion in our proxy statement for our 2018 annual shareholders' meeting must follow the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934 and our Bylaws. To be timely under Rule 14a-8, a shareholder proposal must be received by our Corporate Secretary at Famous Dave's of America, Inc., 12701 Whitewater Drive, Suite 200, Minnetonka, Minnesota, 55343, by November 23, 2017.

Under our Bylaws, if a shareholder does not submit a proposal for inclusion in our proxy statement but does wish to propose an item of business to be considered at an annual shareholders' meeting (other than director nominations), that shareholder must deliver notice of the proposal at our principal executive offices not less than 60 nor more than 120 calendar days prior to the first anniversary of the date on which we first mailed proxy materials for the preceding year's annual meeting. For our 2018 annual shareholders' meeting, notices must be received not prior to November 23, 2017 and not later than January 22, 2018.

If a shareholder plans to nominate a person as a director at an annual shareholders' meeting, our Bylaws require that the shareholder place a proposed director's name in nomination by written request delivered to or mailed and received at our principal executive offices not less than 60 nor more than 120 calendar days prior to the first anniversary of the date on which we first mailed proxy materials for the preceding year's annual meeting. If the date of our 2018 annual shareholders' meeting is advanced more than 30 calendar days prior to or delayed by more than 30 calendar days after the anniversary of the Annual Meeting, timely notice of shareholder proposals and shareholder nominations for directors may be delivered to or mailed and received at our principal executive offices not later than the close of business on the 10th calendar day following the earlier of the date that we mail notice to our shareholders that the 2018 annual shareholders' meeting will be held or the date on which we issue a press release, filed a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that the 2018 annual shareholders' meeting will be held.

Notices of shareholder proposals and shareholder nominations for directors must comply with the informational and other requirements set forth in our Bylaws as well as applicable statutes and regulations. Due to the complexity of the respective rights of the shareholders and the Company in this area, any shareholder desiring to propose actions or nominate directors is advised to consult with his or her legal counsel with respect to such rights. The Company suggests that any such proposal be submitted by certified mail return receipt requested.

HOUSEHOLDING

The SEC permits a procedure called householding for the delivery of proxy information to shareholders. Under this procedure, certain shareholders who share the same last name and address and do not participate in electronic delivery will receive only one copy of the proxy materials unless one or more of such shareholders notifies us that they would like to receive individual copies. Shareholders who participate in householding will continue to receive separate proxy cards. We initiated householding to reduce printing costs and postage fees.

We will promptly deliver, upon written or oral request, a separate copy of the proxy statement and annual report in a separate envelope, as applicable, to a shareholder at a shared address to which a single copy of these documents was delivered. If you prefer to receive separate copies of the proxy materials in a separate envelope either now or in the future, please contact Broadridge Financial Solutions, Inc. at (800) 542-1061 or in writing at Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717.

If you are currently receiving separate copies and wish to receive only one copy of future proxy materials for your household, in one envelope, please contact Broadridge at the above phone number or address.

SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the Proxy, Proxy Statement, Annual Report and other material which may be sent to the shareholders in connection with this solicitation. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of stock, in which case they may be reimbursed by the Company for their expenses in doing so. Proxies may be solicited personally, by telephone, by telegram or by special letter.

The Board of Directors does not intend to present to the meeting any other matter not referred to above and does not presently know of any matters that may be presented to the meeting by others. However, if other matters come before the meeting, it is the intent of the persons named in the enclosed proxy to vote the proxy in accordance with their best judgment.
