On April 26, 2018, the Board of Directors (the Board) of HCA Healthcare, Inc. (the Company) approved a revised Board of Directors compensation program, effective immediately, pursuant to which each non-management director will receive quarterly payment of the following cash compensation, as applicable (prorated for partial years):

\$110,000 annual retainer for service as a Board member;

\$35,000 annual retainer for service as the non-management and independent presiding director;

\$15,000 annual retainer for service as a member of the Audit and Compliance Committee;

\$10,000 annual retainer for service as a member on each of the Compensation Committee, Finance and Investments Committee, Nominating and Corporate Governance Committee or Patient Safety and Quality of Care Committee;

\$30,000 annual retainer for service as Chair of the Audit and Compliance Committee;

\$20,000 annual retainer for service as Chair of the Compensation Committee; and

\$17,500 annual retainer for service as Chair of each of the Finance and Investments Committee, Nominating and Corporate Governance Committee or Patient Safety and Quality of Care Committee.

In addition to the director compensation described above, each non-management director will receive an annual board equity award with a value of \$175,000, awarded upon joining the Board (prorated for months of service) and at each annual meeting of the stockholders thereafter. These equity grants consist of restricted share units ultimately payable in shares of the Company's common stock and vest as to 100% of the award on the sooner of the date of the Company's next annual stockholders' meeting or the first anniversary of the grant date, subject to the director's continued service on the Board. The restricted share units will also immediately vest upon the occurrence of a Change in Control (as defined in the applicable grant agreement). The directors may elect to defer receipt of shares under the restricted share units. Directors will also be reimbursed for their reasonable expenses incurred in connection with their service. Each non-management director is expected to directly or indirectly acquire a number of shares of the Company's common stock with a value of five times the value of the annual cash retainer for a director's service on the Board within three years from the date on which they are elected to the Board.
