### **Item 8.01 Other Events.**

Puma Biotechnology, Inc. (the Company) announced that the Committee for Medicinal Products for Human Use (CHMP) of the European Medicines Agency (EMA) has adopted a positive trend vote recommending the approval of the Marketing Authorization Application (MAA) for neratinib for the extended adjuvant treatment of early stage HER2-positive hormone receptor positive breast cancer. The decision follows a reexamination of the negative opinion announced by the CHMP at its formal meeting with the Company to discuss the MAA on February 23, 2018. The CHMP communicated its intention to hold a final vote at its next meeting.

### **Forward-Looking Statements**

This Current Report on Form 8-K contains forward-looking statements, including statements regarding the CHMP opinion, the basis for its opinion regarding the Company's MAA, and steps the Company may take in the future to gain marketing approval in Europe. All statements other than historical facts are forward looking statements and are based on the Company's current expectations, forecasts and assumptions. Forward looking statements involve risks and uncertainties that could cause the Company's actual results to differ materially from the anticipated results and expectations expressed in these forward-looking statements. These risk and uncertainties are identified in the Company's Annual Report on Form 10-K for the year ended December 31, 2017, the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2018 and any subsequent documents the Company files with the Securities and Exchange Commission. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company assumes no obligation to update these forward-looking statements except as required by law.

**SIGNATURE**
