Item 1.01. Entry into a Material Definitive Agreement.

On November 16, 2018, Atmos Energy Corporation ("Atmos Energy") entered into an equity distribution agreement (the "Equity Distribution Agreement") with the Managers (the "Managers") and Forward Purchasers (the "Forward Purchasers") named in Schedule A thereto and with respect to the offering and sale from time to time through the Managers, as Atmos Energy's sales agents, of shares of Atmos Energy's common stock, no par value, having an aggregate offering price of up to \$500,000,000 (including shares of common stock that may be sold pursuant to the forward sale agreements described below, the "Shares"). Sales of the Shares, if any, will be made by means of ordinary brokers' transactions through the facilities of the New York Stock Exchange at market prices, in block transactions or as otherwise agreed between Atmos Energy and the Managers. Under the terms of the Agreement, Atmos Energy may also sell Shares from time to time to a Manager as principal for its own account at a price to be agreed upon at the time of sale. The Agreement provides that each Manager, when it is acting as Atmos Energy's sales agent, will be entitled to a commission of 1.00% of the gross offering proceeds of the Shares sold through such Manager. Atmos Energy has no obligation to offer or sell any Shares under the Agreement, and may at any time suspend offers and sales under the Agreement.

The Equity Distribution Agreement provides that, in addition to the issuance and sale of shares by Atmos Energy to or through the Managers, Atmos Energy may enter into forward sale agreements under the master forward sale confirmations (the "Master Forward Sale Confirmations") dated November 16, 2018 between Atmos Energy and each Forward Purchaser and the related supplemental confirmations to be entered into between Atmos Energy and the relevant Forward Purchaser. In connection with each such forward sale agreement, the relevant Forward Purchaser will, at Atmos Energy's request, borrow from third parties and, through the relevant Manager, sell a number of Shares equal to the number of Shares underlying the particular forward sale agreement to hedge the forward sale agreement (each such Manager, when acting as agent for a Forward Purchaser, a "Forward Seller").

Atmos Energy will not initially receive any proceeds from the sale of borrowed shares of Atmos Energy's common stock by a Forward Seller. Atmos Energy expects to receive proceeds from the sale of Shares by a Forward Seller upon future physical settlement of the relevant forward sale agreement with the relevant Forward Purchaser on dates specified by Atmos Energy on or prior to the maturity date of the relevant forward sale agreement. If Atmos Energy elects to cash settle or net share settle a forward sale agreement, Atmos Energy may not (in the case of cash settlement) or will not (in the case of net share settlement) receive any proceeds, and Atmos Energy may owe cash (in the case of cash settlement) or shares of common stock (in the case of net share settlement) to the relevant Forward Purchaser. In connection with each forward sale agreement, the relevant Forward Seller will receive, in the form of a reduced initial forward sale price payable by the relevant Forward Purchaser under its forward sale agreement, a commission of 1.00% of the volume weighted average of the sales prices of all borrowed shares of common stock sold during the applicable period by it as a Forward Seller.

In the ordinary course of business, certain of the Managers or their respective affiliates have provided and may in the future provide commercial, financial advisory or investment banking services for Atmos Energy and its subsidiaries for which they have received or will receive customary compensation. For example, affiliates of certain of the Managers are lenders under Atmos Energy's revolving credit facilities and dealers under Atmos Energy's commercial paper program. To the extent Atmos Energy uses the proceeds from the offering to repay any indebtedness under its revolving credit facilities or commercial paper program, such affiliates of certain Managers will receive a portion of the proceeds from the offering.

The Shares will be issued pursuant to Atmos Energy's automatic shelf registration statement on Form S-3 filed with the Securities and Exchange Commission on November 13, 2018 (Registration No. 333-228342).

Pursuant to an equity distribution agreement dated as of November 14, 2017, Atmos Energy previously offered shares of its common stock having an aggregate offering price of \$500,000,000 by means of a prospectus supplement dated November 14, 2017 (the Prior ATM Offering). The Prior ATM Offering has been terminated, with shares of common stock having an aggregate offering price of \$500,000,000 remaining unsold.

The summary of the Equity Distribution Agreement and the Master Forward Sale Confirmations in this report does not purport to be complete and is qualified by reference to the full text of the Equity Distribution Agreement and the form of Master Forward Sale Confirmation, which are filed as Exhibits 1.1 and 1.2, respectively, to this Current Report on Form 8-K, and are incorporated herein by reference.
