MEDIA RELEASE
MOODY'S ASSIGNS GOLD FIELDS INVESTMENT
GRADE CREDIT RATING

Johannesburg, 17 September 2010: Moody's Investor Services ("Moody's") today assigned Gold Fields Limited ("Gold Fields") (JSE, NYSE, NASDAQ Dubai: GFI) a firsttime 'Baa3' senior unsecured issuer rating. This investment grade rating comes with a stable outlook.

Moody's said that the rating reflected Gold Fields' position as the world's fourth-largest gold producer as well as the group's very sizeable reserve base and industry-leading reserve life in excess of 20 years. The stable outlook was based on the expectation that Gold Fields would maintain healthy operating margins and a conservative financial profile, Moody's added. Since March 2009, Standard & Poor's Ratings Services ("S&P") has maintained an investment grade rating on Gold Fields of 'BBB-' with a stable outlook.

Paul Schmidt, Chief Financial Officer of Gold Fields said: "We are pleased with Moody's rating of Gold Fields as an investment grade company. The rating supports our solid operating margins, low financial gearing and conservative financial policy and will allow us to diversify our sources of funding."
