(1) Exercised shares are fully exercisable; remaining option shares vested at 1/48th of total grant per month.

This number reflects the correct number of shares that remain subject to this option after taking into account the transaction being report

(2) herein. The report filed on 11/15/2005 and 2/21/2006 inadvertently reflected only the number of shares then exercisable pursuant to the option rather than the total number of shares that remained subject to the option at that time.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
