Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 29, 2006, Johnson Controls, Inc. (the "Company") issued a press release announcing that it had committed to a restructuring plan as part of its continuing efforts to reduce costs and improve the efficiency of its global operations. The restructuring actions relate to cost reduction initiatives, including workforce reductions and plant consolidations, mainly in the Company's interior experience and building efficiency businesses. The restructuring actions, which are expected to be substantially completed over the next 12 months, are the result of management's ongoing review of the Company's cost structure.

The total estimated costs associated with this action amount to approximately \$190 to \$210 million on a pre-tax basis, which is comprised of employee related costs of approximately \$140 to \$150 million, asset impairment charges of approximately \$45 to \$55 million and other miscellaneous costs of approximately \$5 million. Future cash expenditures for these restructuring actions are expected to be approximately \$145 to \$155 million.
