**Item 1.01 Entry into a Material Definitive Agreement.**

On June 19, 2008, Cytokinetics, Incorporated announced that it has agreed to extend the research term under its strategic alliance with GlaxoSmithKline (GSK) to continue research activities focused towards the mitotic kinesin centromere-associated protein E (CENP-E). The strategic alliance, initiated in June 2001, included an initial five-year research term and has been extended on two prior occasions, in each case with the objective to conduct joint research directed towards CENP-E. The companies have agreed again to extend the research program for an additional year, during which each company, at its own expense, will continue to perform translational research directed towards CENP-E in accordance with an agreed plan.
