Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On May 27, 2009, Community Bancorp (Nasdaq:CBON) (the "Company") and its subsidiary bank, Community Bank of Nevada, entered into a written agreement with the Federal Reserve Board and the State of Nevada Financial Institutions Division to provide the agencies with plans, policies and procedures to strengthen board of director oversight, credit risk management, loan review, asset quality, allowance for loan and lease losses, capital planning, strategic planning and budgeting, liquidity management, and regulatory reporting. The written agreement also restricts the Company from increasing brokered deposits as well as paying dividends and interest on its outstanding trust preferred securities, incurring additional indebtedness and redeeming stock. The common goal of the agreement is to take affirmative action to improve the Company's and the subsidiary bank's operations and address the current challenges facing these institutions.

The Agreement also contains a requirement that the Company provide a capital plan to the FRB within 60 days to maintain sufficient capital at the Company and the subsidiary bank. The written agreement does not contain specific target capital ratios to be obtained or specific timelines. Based upon March 31, 2009 call report information, both the Company and the subsidiary bank were considered only "adequately capitalized" by regulatory standards. The Company has engaged investment bankers to assist in its ongoing efforts to increase capital.

A copy of the written agreement is attached hereto as Exhibit 10.1. The foregoing description of the written agreement is summary in nature, and reference is made to Exhibit 10.1 for the complete terms and conditions of the agreement.

Section 8 — Other Events.

Item 8.01 Other Events.

On May 27, 2009, the Company issued a press release announcing the written agreement discussed in Item 1.01, above, and other updates concerning the Company. A copy of the press release is attached hereto as Exhibit 99.1

On May 28, 2009, the Company issued a press release disclosing that it recently received notice from NASDAQ that it was not in compliance with NASDAQ's continued listing criteria because of its failure to file a 10-K for the year ended December 31, 2008, and a 10-Q for the quarter ended March 31, 2009. A copy of the press release is attached hereto as Exhibit 99.2.
