Item 1.01. Entry into a Material Definitive Agreement.

The information set forth under Item 2.01 of this Current Report on Form 8-K is hereby incorporated by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets

On January 30, 2015, NV5 Holdings, Inc., a Delaware corporation (the “Company”), entered into a Stock Purchase Agreement (the “Agreement”) with Joslin, Lesser & Associates, Inc., a Massachusetts corporation (“JLA”), each of the holders of issued and outstanding shares of JLA (“the Sellers”), and Stuart D. Lesser, solely in his capacity as the stockholder representative, to acquire all of the outstanding equity interests in JLA, a program management and owner’s representation consulting firm that primarily services government owned facilities and public K through 12 school districts in the Boston, MA area.

Prior to entering into the Agreement, there was no material relationship between the Sellers and JLA, on the one hand, and the Company, any affiliate of the Company, or any director or officer of the Company or any associate of any director or officer of the Company, on the other hand. The parties completed the transaction simultaneously with entering into the Agreement.

The aggregate purchase price consideration paid by the Company to the Sellers in connection with the acquisition was up to \$5.5 million, subject to customary Accounts Receivable/Work in Progress (as defined in the Agreement) adjustments in accordance with the terms of the Agreement. The Company funded the cash portion of the purchase price with cash on hand. Upon the closing of the JLA acquisition, the Company (i) paid cash in the aggregate amount of \$2.25 million, (ii) issued 89,968 shares of its common stock representing \$1.0 million, which shares are subject to a twelve-month lock-up provision, and (iii) issued promissory notes in the aggregate principal amount of \$1.25 million (the “Notes”). The Notes are payable in four aggregate annual installments of \$312,500 on each of January 30, 2016, 2017, 2018 and 2019. The Notes bear interest at the rate of 3.5% per annum, payable at the time the principal payments are due, and contain such other terms as are customary for promissory notes of this type. The purchase price also includes a non-interest bearing earn-out of up to \$1.0 million, subject to the achievement of certain agreed upon financial metrics for calendar year 2015, and is payable in cash, promissory notes and the Company’s common stock.

The Agreement also contains other customary provisions, covenants, representations, and warranties made by JLA, the Sellers, and the Company that are typical in transactions of this size, type, and complexity.

The foregoing description of the Agreement and the JLA acquisition does not purport to be complete and is qualified in its entirety by reference to the full text of the Agreement, which is filed herewith as Exhibit 2.1 and is incorporated by reference into this Item 2.01.

Item 8.01 Other Events.

On February 2, 2015, the Company issued a press release announcing the completion of the JLA acquisition. A copy of the press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference into this Item 8.01.
