Item 1.01. Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 31, 2018, TSS, Inc. (“Borrower”) entered into a revolving line of credit (the “credit facility”) with Texas Capital Bank, National Association (“Lender”) pursuant to a Business Loan Agreement (Asset Based) (the “Loan Agreement”) by and among Borrower and Lender. The obligations under the credit facility are secured by substantially all of Borrower’s assets. Borrower’s subsidiaries, Vortech, L.L.C., VTC, L.L.C., Total Site Solutions Arizona LLC and Alletag Builders, Inc. (collectively, the “Guarantors”) jointly and severally guaranteed the obligations of Borrower under the credit facility.

The maximum principal amount of the credit facility is \$1,500,000. The credit facility is subject to a borrowing base of 80% of eligible accounts receivables, subject to customary exclusions and limitations. Borrowings under the credit facility will bear interest at LIBOR plus 3% (effective rate of 5.37% at December 31, 2018). Certain accounts receivables subject to a vendor payment program with a customer are excluded from the definition of eligible accounts receivables under the credit facility. In addition to interest payable on the principal amount of indebtedness outstanding from time to time under the credit facility, Borrower will pay a 0.25% unused facility fee, payable quarterly in arrears. The credit facility matures on December 31, 2020.

The credit facility requires that Borrower maintain a minimum liquidity of \$500,000 at all times excluding availability under the loan. It also requires Borrower to comply with certain financial covenants including a maximum Total Leverage Ratio of 3.00, a minimum Total Interest Coverage Ratio of 2.50, and a minimum Total Fixed Charge Coverage Ratio of 1.25. The credit facility also limits the amount of new indebtedness to \$250,000 per fiscal year without Lender’s prior written approval.

The Loan Agreement and ancillary documents include customary affirmative covenants for secured transactions of this type, including maintaining adequate books and records, periodic financial reporting, compliance with laws, maintenance of insurance, maintenance of assets, timely payment of taxes, and notice of adverse events. The Loan Agreement and ancillary documents include customary negative covenants, including incurrence of other indebtedness, mergers, consolidations and transfers of assets and liens on assets of the Borrower. The Loan Agreement and ancillary documents include customary events of default, including payment defaults, failure to perform or observe terms, covenants or agreements included in the Loan Agreement and ancillary documents, insolvency and bankruptcy defaults, judgment defaults, material adverse change defaults, and change of ownership defaults.

A copy of the Loan Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the attached Loan Agreement. Certain attachments to the Loan Agreement have been omitted. The Company agrees to provide a copy of

these attachments to the Securities and Exchange Commission upon request.
