PROXY STATEMENT FOR 2012 ANNUAL MEETING

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Who can attend the annual meeting?

All shareholders as of the record date, January 18, 2012.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on January 18, 2012. A total of 10,207,390 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock. We do not recognize cumulative voting for the election of our directors. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote for each of the seven directors and for the ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, any proxies returned to us will be voted as the proxyholders see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our Secretary a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. Attendance at the annual meeting will not, by itself, revoke your proxy card.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person. If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. Votes will be tabulated by an inspector of election appointed by our Board of Directors. Abstentions from voting, which you may specify on the ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm, will have the effect of a negative vote.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares (so-called “broker nonvotes”), the nominee may vote them on the proposal to ratify the appointment of HoganTaylor LLP as our independent registered public accounting firm. Uninstructed nominees are no longer permitted to vote for directors. Broker nonvotes will be counted as present to determine if a quorum exists.

What percentage of stock are the directors and executive officers entitled to vote at the annual meeting?

Together, they beneficially own 4,962,128 shares of our common stock, or 48.3% of the stock entitled to vote at the Annual Meeting.

Who are the largest principal shareholders?

David E. Chymiak, our Chairman of the Board, beneficially owns 2,617,644 shares of our common stock, or 25.6% of the stock entitled to vote at the Annual Meeting. Kenneth A. Chymiak, our President and Chief Executive Officer, beneficially owns

2,233,743 shares of our common stock, or 21.8% of the stock entitled to vote at the Annual Meeting.

Who pays for this proxy solicitation?

The accompanying proxy is solicited by and on behalf of our Board of Directors, and the entire cost will be paid by us. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this, but they may be reimbursed for their out-of-pocket expenses incurred while assisting us in soliciting your proxy.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the election of each nominee.

Board of Directors

Board Independence. The Board of Directors has determined that Messrs. Franz, Largess, McGill and Tyde have no relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that such individuals are independent under the rules and listing standards of The NASDAQ Stock Market ("NASDAQ") and the rules of the Securities and Exchange Commission implemented pursuant to the Sarbanes-Oxley Act of 2002.

Board Leadership Structure. The Board of Directors does not have a current requirement that the roles of Chief Executive Officer and Chairman of the Board be either combined or separated, because the Board of Directors believes it is in our best interests to make this determination based on our current position and direction and the constitution of the Board of Directors and management team. The Board of Directors evaluates whether the roles of Chief Executive Officer and Chairman of the Board should be combined or separated. The Board of Directors has determined that having the positions of Chairman and Chief Executive Officer separated is in the best interest of our shareholders at this time. The Chief Executive Officer is primarily responsible for our overall management and the development and implementation of our strategy, and he has access to the people, information and resources necessary to facilitate that function. The Chairman of the Board has extensive product and industry knowledge in the cable television industry and is primarily responsible for management of our overall inventory. The Board of Directors believes that separating the roles of Chief Executive Officer and Chairman is an appropriate leadership structure as it promotes the strengths and expertise of these two executive officers currently serving on the Board of Directors.

Oversight of Risk Management. It is management's responsibility to manage our enterprise risks on a day-to-day basis. The Board of Directors is responsible for risk oversight by focusing on our overall risk management strategy

and the steps management is taking to manage our risk.

While the Board of Directors as a whole maintains the ultimate oversight responsibility, the Board of Directors has delegated certain risk management oversight responsibilities to its various committees. The Audit Committee reviews and discusses our major financial risk exposures and the steps management has taken to identify, monitor, and control such risks. The Compensation Committee is responsible for overseeing risks related to our compensation programs, including structuring and reviewing our executive compensation programs, considering whether such programs are in line with our strategic objectives and incentivizing appropriate risk-taking. The Corporate Governance and Nominating Committee is tasked with risks associated with corporate governance and compliance.

Committees of the Board. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The following section describes the functions and membership of each committee and the number of times it met during our fiscal year ended September 30, 2011.

AUDIT COMMITTEE

The functions and members of the Audit Committee are set forth below. The members of the Audit Committee are Paul F. Largess (Chairman), Thomas J. Franz, James C. McGill and Stephen J. Tyde. The Audit Committee met four times during fiscal year 2011. All of the meetings were held prior to the reporting of our quarterly financial results.

The Audit Committee of our Board of Directors is comprised of four directors who are not officers. Under currently applicable rules, each member is an independent director of the Company and meets the independence standards applicable for audit committee members under the rules of NASDAQ as well as under rules adopted by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002.

The Audit Committee reviews our financial reporting process on behalf of the Board of Directors. The Audit Committee's policy is to review and pre-approve all proposed engagements for audit or non-audit services rendered by our independent registered public accounting firm. Under its pre-approval policy, the Audit Committee approved 100% of the services provided by HoganTaylor LLP ("HoganTaylor") in 2011 as those services are described in the section entitled "Principal Accounting Fees and Services." Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In connection with its function to oversee and monitor our financial reporting process, the Audit Committee has done the following:

-

selected HoganTaylor as our independent registered public accounting firm for the audit of the fiscal 2011 financial statements and the review of the interim quarterly financial statements;

- reviewed and discussed the audited financial statements for the fiscal year ended September 30, 2011, with management;
- discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), adopted by the Public Company Accounting Oversight Board in Rule 3200T;
- received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and
- based on the reviews and discussions referred to above, recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2011 for filing with the Securities and Exchange Commission (the "SEC").

Thomas J. Franz Paul F. Largess James C. McGill Stephen J. Tyde

Audit Committee Financial Expert

The SEC has adopted rules pursuant to the provisions of the Sarbanes-Oxley Act requiring audit committees to include an "audit committee financial expert," defined as a person who has the following attributes:

- 1) an understanding of generally accepted accounting principles and financial statements;
- 2) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves;
- 3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the registrant's financial statements, or experience actively supervising one or more persons engaged in such activities;
- 4) an understanding of internal control over financial reporting; and
- 5) an understanding of audit committee functions.

The financial expert will have to possess all of the attributes listed above to qualify as an audit committee financial expert.

Our Board of Directors has determined that each of Thomas J. Franz, Paul F. Largess, James C. McGill and Stephen J. Tyde meets the definitions of an audit committee financial expert.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Stephen J. Tyde (Chairman), Thomas J. Franz and James C. McGill. The Compensation Committee met three times during fiscal 2011. The functions of the Compensation Committee are set forth below.

Functions

- Evaluates performance and sets compensation and benefits of Chief Executive Officer and Chairman of the Board of Directors;

11

- Approves compensation and benefits programs of our other named executive officer(s);
- Approves compensation and benefits of our non-employee Board of Directors; and
- Performs the other functions listed in the Charter of the Compensation Committee, a current copy of which may be found on our website at www.addvantagetechologies.com.

Composition and Delegation

The Compensation Committee of our Board of Directors is comprised of three directors who are not officers. All functions of the Compensation Committee are to be performed by the Committee members and are not authorized to be delegated outside of the Committee. Under currently applicable rules, each member is an “independent director” as defined under Rule 5605(a)(2) of NASDAQ, a “non-employee director” (within the meaning of Rule 16b-3(b)(3) of the Securities Exchange Act of 1934) and satisfies the requirements of an “outside director” as defined by Section 162(m) of the Internal Revenue Code.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The functions and members of the Corporate Governance and Nominating Committee are set forth below. The members of the Corporate Governance and Nominating Committee are Thomas J. Franz (Chairman), Paul F. Largess and James C. McGill. The Committee met once during fiscal year 2011.

Functions

- Provides oversight of the governance of the Board of Directors;
- Makes recommendations to the Board as a whole concerning board size, composition and compensation;
- Identifies individuals qualified to become Board members;
- Selects or recommends that the Board select the director nominees to stand for election at the annual meeting of shareholders;
- Recommends to the Board nominees for the positions of Chairman of the Board, chairmen of the various committees of the Board, and members of the various committees of the Board; and
- Performs other functions listed in the Charter of the Corporate Governance and Nominating Committee, a current copy of which may be found on our website at www.addvantagetechologies.com.

The Corporate Governance and Nominating Committee is comprised of three directors who are not officers. Under currently applicable rules, each member is an “independent director” as defined under the NASDAQ rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002.

The Corporate Governance and Nominating Committee’s criteria and process for identifying and evaluating the candidates that it selects, or recommends to the full Board for selection, as director nominees, are: (i) regular review of composition and size of the board; (ii) review of qualifications of candidates properly recommended or nominated by any qualifying shareholder; (iii) evaluation of the performance of the Board and qualification of members of the Board eligible for re-election; and (iv) consideration of the suitability of each candidate, including current members of the Board, in light of the size and composition of the Board. After such review and consideration, the Corporate

Governance and Nominating Committee will recommend a slate of director nominees.

While the Corporate Governance and Nominating Committee has not established specific minimum

requirements for director candidates, other than they be at least 21 years of age, the Committee believes that candidates and nominees must reflect a board that is comprised of directors who: (i) are predominantly independent; (ii) are of high integrity; (iii) have qualifications that will increase overall board effectiveness; and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. The Committee does not have a formal policy regarding the consideration of diversity in identifying director nominees, but the Committee does consider, among other things, a director nominee's potential contribution to the diversity of background and experience of our Board of Directors, including with respect to age, gender, international background, race and specialized experience.

The Corporate Governance and Nominating Committee has adopted a policy with regard to the consideration of director candidates recommended by shareholders. The Corporate Governance and Nominating Committee will consider director candidates recommended by any shareholder holding 10,000 shares of our common stock for at least 12 months prior to the date of submission of the recommendation or nomination. Additionally, a recommending shareholder shall submit a written statement in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, judgment, age, independence, expertise, corporate experience, other commitments and the like, personal references, and a written indication by the candidate of his or her willingness to serve, if elected, and evidence of the recommending person's ownership of our stock sufficient to meet the stock ownership requirements described above.

Senior Management Incentive Compensation Plan

In Fiscal 2010, the plan provided for an annual cash payment to the named executive officers based upon the achievement by the Company of a set target of earnings before interest and income tax (EBIT). The cash payment that could be earned was a sliding scale based upon the amount by which the Company exceeded the EBIT target. The Chairman and CEO were eligible to be awarded 15% of their respective base salaries upon achieving the EBIT target up to a maximum of 55% of their respective base salaries. The CFO was eligible to be awarded 7.5% of his base salary upon the Company's achieving the EBIT target up to a maximum of 27.5% of his base salary.

In Fiscal 2011, the Compensation Committee increased the number of company financial performance targets from one to seven within the guidelines of the existing plan. For each of the seven financial targets achieved, each named executive officer could earn a cash payment ranging from 1% of base salary to a maximum of 5% of base salary, depending upon the amount by which the target is exceeded. Therefore, the maximum cash payment that each named executive officer could earn is 35% of his base salary.

2) Audit-Related Fees represent reimbursements of travel and other costs associated with audit services.

3) Tax Fees represent fees for annual tax return preparation and research of tax related matters.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. During the year, the Audit Committee approved all of the services performed by the independent registered public accounting firm. The fees billed for these services approximated 100% of the pre-approved amounts.

Before engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the following four categories of services to the Audit Committee for approval:

1. Audit services include audit work performed on the financial statements, internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.
2. Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.
3. Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting

other tax related regulatory requirements; and tax compliance and reporting.

4. Other Fees are those associated with services not captured in the other categories. We generally don't request such services from the independent registered public accounting firm other than the annual audit of our Defined Contribution Plan.

Before engagement, the Audit Committee pre-approves the independent registered public accounting firm's services within each category. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the

original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
