Section 8 – Other Events

Item 8.01 Other Events.

BioNitrogen Holdings Corp. is referred to herein as "we", "our" or "us."

On September 9, 2014, our then President/Chief Financial Officer, Bryan B. Kornegay, Jr. ("Kornegay"), was criminally charged by the Office of State Attorney for the 10th Judicial District of Florida with grand theft in excess of \$100,000. Following the publication of those charges, on or about September 19, 2014, Kornegay took a leave of absence from his positions as our President/Chief Financial Officer. The leave of absence was approved by our Board of Directors. The criminal matter was ultimately dismissed.

In January 2015, we engaged legal counsel to conduct an internal investigation of Kornegay's handling and issuance of our securities, funds paid by investors, bank accounts into which the investor funds were deposited and related transactions. On March 23, 2015 and April 8, 2015, our legal counsel presented preliminary findings of the internal investigation to our Board of Directors, including Kornegay. In response to these preliminary findings, which included allegations of misconduct by Kornegay, Kornegay resigned from our Board of Directors effective April 10, 2015. Thereafter, we continued (and continue to this date) to conduct an internal investigation of damages that we have suffered from Kornegay's misconduct.

We made a preliminary report of our internal investigation's findings to the United States Securities and Exchange Commission and we will cooperate with federal regulators to identify potential violations of the federal securities laws and to recover identifiable losses that we have suffered.
