One-fourth of the time-based restricted stock units are scheduled to vest on April 15 of each of 2019, 2020, 2021, and 2022, subject to continued employment with the Company.

The percentage of performance-based restricted stock units and cash-based incentive awards (collectively, "Performance-Based Awards") that vest will be determined based on the Company's adjusted diluted earnings per share for the three-year period commencing on the first day of the Company's 2018 fiscal year and ending on the last day of the Company's 2020 fiscal year, compared to the performance goals established by the Committee. The Performance-Based Awards that are earned based on achievement of the performance goals are scheduled to vest on April 15, 2021, subject to continued employment with the Company. The range of possible payouts for the Performance-Based Awards are set forth in the table above. The percentage of Performance-Based Awards that vest will be determined using straight line interpolation if adjusted diluted earnings per share over the performance period is an amount between the performance goals.

The Performance-Based Awards also include a relative total shareholder return ("TSR") modifier such that payouts may be increased or decreased pursuant to the table below based on Company TSR performance relative to TSR of the Dow Jones U.S. Retail Apparel Index ("Peer Group") for the three-year period commencing on the first day of the Company's 2018 fiscal year and ending on the last day of the Company's 2020 fiscal year.
