PROXY STATEMENT

The Board of Directors (the "Board of Directors" or "Board") of BankUnited, Inc. (the "Company," "we," "us" or "our") is soliciting your proxy to vote at the 2015 Annual Meeting of Stockholders to be held on Wednesday, May 18, 2016, at 10:00 a.m., Eastern Time, and at any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be held at the BankUnited Corporate Center, Building 3, Social Events Room, 7815 NW 148th Street, Miami Lakes, Florida 33016. This Proxy Statement and the accompanying proxy card, the Notice of Annual Meeting of Stockholders and the 2015 Annual Report to Stockholders (the "Annual Report") were first mailed on or about April [DATE], 2016, to stockholders of record as of March 18, 2016 (the "Record Date").

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

We are providing these proxy materials to you in connection with the solicitation, by the Board of Directors of BankUnited, Inc., of proxies to be voted at the Company's Annual Meeting. You are receiving this Proxy Statement A: because you were a BankUnited, Inc. stockholder as of the close of business on the Record Date. This Proxy Statement provides notice of the Annual Meeting, describes the three proposals presented for stockholder action and includes information required to be disclosed to stockholders.

Q: How do I get electronic access to the proxy materials?

This Proxy Statement and the Company's Annual Report to Stockholders are available on our website at <http://ir.bankunited.com>. If you are a stockholder of record, you may elect to receive future annual reports or proxy statements electronically by registering your email address at www.proxyvote.com. If you hold your shares in street A: name, you should contact your broker, bank or other nominee for information regarding electronic delivery of proxy materials. An election to receive proxy materials electronically will remain in effect for all future annual meetings unless revoked. Stockholders requesting electronic delivery may incur costs, such as telephone and internet access charges, that must be borne by the stockholder.

Q: What proposals will be voted on at the Annual Meeting?

A: There are four proposals scheduled to be voted on at the Annual Meeting:

To elect ten directors identified in this Proxy Statement to the Board of Directors to serve until the next annual meeting of stockholders or until that person's successor is duly elected and qualified;

To ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2016;

To approve an amendment to the Amended and Restated Certificate of Incorporation of BankUnited, Inc., as amended, to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable; and

To hold an advisory vote on a stockholder proposal regarding majority voting in uncontested director elections.

Q: What is the Board of Directors' voting recommendation?

A: The Company's Board of Directors recommends that you vote your shares:

•"FOR" each of the nominees to the Board of Directors;

•"FOR" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2016; and

•"FOR" the approval of an amendment to the Amended and Restated Certificate of Incorporation of BankUnited, Inc.

to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable.

Our Board of Directors makes no recommendation on the stockholder proposal regarding majority voting in uncontested elections of directors.

Q: Who is entitled to vote?

All shares owned by you as of the close of business on March 18, 2016 (the "Record Date"), may be voted by you.

A: You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are:

•held directly in your name as the stockholder of record; and

•held for you as the beneficial owner through a broker, bank or other nominee.

On the Record Date, BankUnited, Inc. had approximately 104,154,464 shares of common stock issued and outstanding.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their

A: own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Computershare, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to certain officers of BankUnited, Inc. or to vote in person at the Annual Meeting. The Company has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner. If your shares are held in an account by a broker, bank or other nominee, like many of our stockholders, you are considered the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that is the stockholder of record of your shares giving you the right to vote the shares at the Annual Meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy.

You may vote by proxy over the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Q: How can I vote my shares in person at the Annual Meeting?

Stockholder of Record. Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to vote your shares in person at the Annual Meeting, please bring proof of identification. Even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: What must I do if I want to attend the Annual Meeting in person?

Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date, and admission will be on a first-come, first-served basis. Registration and seating will begin at 9:30 a.m. Eastern Time. Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the Record Date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Q: How can I vote my shares without attending the Annual Meeting?

Whether you hold your shares directly as the stockholder of record or beneficially own your shares in street name, you may direct your vote without attending the Annual Meeting by voting in one of the following manners:

Internet. Go to the website listed on your proxy card or voting instruction card and follow the instructions there. You will need the control number included on your proxy card or voting instruction form;

Telephone. Dial the number listed on your proxy card or your voting instruction form. You will need the control number included on your proxy card or voting instruction form; or

Mail. Complete and sign your proxy card or voting instruction card and mail it using the enclosed, prepaid envelope. If you vote on the internet or by telephone, you do not need to return your proxy card or voting instruction card. Internet and telephone voting for stockholders will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 17, 2016.

Q: What is the quorum requirement for the Annual Meeting?

A quorum is necessary to hold a valid Annual Meeting. A quorum exists if the holders of a majority of the Company's capital stock issued and outstanding and entitled to vote thereat are present in person or represented by proxy. Abstentions and broker non-votes are counted as present for determining whether a quorum exists. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

Q: What happens if I do not give specific voting instructions?

Stockholder of Record. If you are a stockholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations

of the Board of Directors on all matters presented in this Proxy Statement. With respect to any other matters properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of the New York Stock Exchange (the "NYSE"), the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters such as the election of directors. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker. Shares represented by such broker non-votes will be counted in determining whether there is a quorum. Because broker non-votes are not considered entitled to vote, they will have no effect on the outcome on non-routine matters other than reducing the number of shares present in person or by proxy and entitled to vote from which a majority is calculated for proposals that require the approval of a majority of the shares represented at the meeting and entitled to vote on the proposal. However, because approval of the amendment to the Amended and Restated Certificate of Incorporation of BankUnited, Inc. to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable requires the affirmative vote of a majority of the outstanding shares of common stock of the Company, broker non-votes will have the same effect as negative votes against this proposal.

Q: Which proposals are considered "routine" or "non-routine"?

The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2016 A: (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2. The election of directors (Proposal No. 1, the approval of an amendment to the Amended and Restated Certificate of Incorporation to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable (Proposal No. 3) and the stockholder proposal regarding majority voting (Proposal No. 4) are matters considered non-routine under applicable rules. A broker, bank or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal Nos. 1, 3 and 4.

Q: What is the voting requirement to approve each of the proposals?

Proposal 1: Ten directors have been nominated for election at the Annual Meeting. Each director will be elected by A: a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the ten nominees who receive the largest number of "FOR" votes cast will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on this proposal.

Proposal 2: The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter.

Proposal 3: The approval of an amendment to the Amended and Restated Certificate of Incorporation of BankUnited, Inc., as amended, to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable requires the affirmative vote of a majority of the outstanding shares of common stock of BankUnited, Inc. Abstentions and broker non-votes will have the effect of a vote against approval of the amendment to the Amended and Restated Certificate of Incorporation of BankUnited, Inc.

Proposal 4: The approval of the stockholder proposal regarding majority voting requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. Abstentions will have the same effect as a vote against the proposal.

Q: What does it mean if I receive more than one proxy or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: Who will count the vote?

A: A representative of Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate the votes and act as the inspector of election.

Q: Can I revoke my proxy or change my vote?

A: Yes. You may revoke your proxy or change your voting instructions at any time prior to the vote at the Annual Meeting by:

- providing written notice to the corporate secretary of the Company;
- delivering a valid, later-dated proxy or a later-dated vote on the internet or by telephone; or
- attending the Annual Meeting and voting in person.

Please note that your attendance at the Annual Meeting in person will not cause your previously granted proxy to be revoked unless you specifically so request. Shares held in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its A: transfer agent, brokerage firms and other persons representing beneficial owners of shares of BankUnited, Inc.'s common stock for their expenses in forwarding solicitation material to such beneficial owners. We have also retained Innisfree M&A Incorporated to assist in the solicitation of proxies at an anticipated approximate cost of \$10,000 plus reasonable out-of-pocket expenses. Stockholders can contact Innisfree M&A Incorporated at 888-750-5834 to answer any questions they may have regarding voting.

Q: I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

The Company has adopted a procedure called "householding," which the Securities and Exchange Commission (the "SEC") has approved. Under this procedure, we deliver a single copy of this Proxy Statement and the Annual A: Report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces the Company's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be

able to access and receive separate proxy cards. Upon written or oral request, a separate copy of this Proxy Statement and the Annual Report will be promptly delivered to any stockholder at a shared address to which the Company delivered a single copy of any of these documents. To receive a separate copy of this Proxy Statement or the Annual Report, or to receive a separate copy of our proxy materials in the future, stockholders may write or call the Company at the following address and telephone number:

BankUnited, Inc.

Attn: Investor Relations

14817 Oak Lane

Miami Lakes, FL 33016

(305) 231-6400

Stockholders who hold shares in street name (as described above) may contact their broker, bank or other nominee to request information about householding. Stockholders sharing an address can request delivery of a single copy of our proxy materials if they are currently receiving multiple copies by following the same procedures outlined above.

Q: How can I obtain a copy of BankUnited, Inc.'s Annual Report on Form 10-K?

A: Copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2015, as filed with the SEC, are available to stockholders free of charge on BankUnited, Inc.'s website at <http://ir.bankunited.com> or by writing to BankUnited, Inc., Investor Relations, 14817 Oak Lane, Miami Lakes, FL 33016. The Company's 2015 Annual Report on Form 10-K accompanies this Proxy Statement.

Q: Where can I find the voting results of the Annual Meeting?

A: BankUnited, Inc. will announce preliminary voting results at the Annual Meeting and publish preliminary results, or final results if available, in a Current Report on Form 8-K within four business days of the Annual Meeting.

BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Role of Board of Directors

The Company's business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to the Company's stockholders. The Board of Directors' mission is to maximize long-term stockholder value. The Board of Directors establishes the Company's overall corporate policies, evaluates the Company's CEO and the senior leadership team and acts as an advisor and counselor to senior management. The Board of Directors also oversees the Company's business strategy and planning, as well as the performance of management in executing the Company's business strategy, assessing and managing risks and managing the Company's day-to-day operations.

Director Independence

Under the NYSE listing standards, in order to consider a director independent, the Board of Directors must affirmatively determine that he or she has no material relationship with the Company. The standards specify the criteria for determining whether directors are independent and contain guidelines for directors and their immediate family members with respect to employment or affiliation with the Company or its independent registered public accounting firm. The Board of Directors also has adopted independence standards to assist it in making independence determinations. The Company's Director Independence Standards contain the formal director qualification and independence standards adopted by the Board of Directors, and are available as part of the Company's Corporate Governance Guidelines on the Company's website at <http://ir.bankunited.com>.

The Board of Directors determines annually whether a director is independent at the time the Board of Directors approves director nominations for inclusion in the Company's proxy statement and when a director joins the Board of Directors between annual meetings. Although the determination of whether a director is independent relies on the Board's subjective assessment of all of the relevant facts and circumstances, the Company's Director Independence Standards provide that a director will not qualify as independent if:

within the last three years, (i) the director has been an employee of the Company or an immediate family member of the director has been an executive officer of the Company; (ii) the director or an immediate family member of the director has received, during any twelve-month period, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other deferred compensation for prior service (provided that such compensation is not contingent in any way on continued service) and compensation received by a family member for service as a non-executive employee of the Company; (iii) the director or an immediate family member of the director was a partner or employee of the Company's independent registered public accounting firm and personally worked on the Company's audit within that time; and (iv) the director or an immediate family member of the director has been employed as an executive officer of a company in which a present executive officer of the Company at the same time served on the compensation committee of that company's board of directors; the director is a current partner or employee of the Company's independent registered public accounting firm or an immediate family member of the director is a current partner of such firm or a current employee of such firm who personally works on the Company's audit; or the director or an immediate family member of the director is a current executive officer of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such company's consolidated gross revenue.

The Board undertook its annual review of director independence in March 2016. As a result of this review, the Board affirmatively determined that all of the directors and nominees are independent of the Company and its management under the corporate governance standards of the NYSE, with the exception of John A. Kanas, Rajinder P. Singh and Douglas J. Pauls. Messrs. Kanas and Singh are considered not independent because of their

employment as senior executives of the Company. Mr. Pauls is considered not independent because of his previous employment as a senior executive of the Company within the last three years. In making the determination that Dr. Sobti is independent of the Company and its management, the Board of Directors considered that Dr. Sobti is a senior advisor to Credit Suisse, which is a full-service financial institution that, with its affiliates, had directly and indirectly engaged, and may in the future engage, in financial advisory, investment banking and commercial banking services for us and our affiliates, for which it received, or may receive, customary compensation, fees and expense reimbursement. The Board considered that Dr. Sobti is not an employee of Credit Suisse and also has had an independent consulting business since 2007.

Board of Directors Meetings and Attendance

The Board of Directors held 11 meetings during 2015 and acted by written consent six times. All of the directors attended at least 75% or more of the total of all the meetings of the Board of Directors and Board committees on which they served during 2015.

Board Leadership Structure

The Board is responsible for overseeing the exercise of corporate power and seeing that our business and affairs are managed to meet our stated goals and objectives and that the long-term interests of our stockholders are served. The Board of Directors regularly reviews and assesses the effectiveness of the Company's leadership structure in the context of the Company's specific circumstances, culture, strategic objectives and challenges.

The Board of Directors does not have a fixed policy regarding the separation of the offices of Chairman and CEO because it believes that it should maintain flexibility to select the Chairman and determine the Board leadership structure, from time to time, based on criteria that it deems to be in the best interests of the Company and its stockholders. Currently, the Board of Directors believes that having a combined Chairman and CEO, along with a Lead Independent Director and a substantial majority of independent directors, provides the most effective and appropriate leadership structure for the Company. In particular, the Board of Directors believes that combining the Chairman and CEO roles fosters unified leadership and direction for the Board of Directors and executive management and allows for alignment and clear accountability in the development and execution of the Company's strategic initiatives and business plans. Based on Mr. Kanas' extensive experience in the banking industry, including serving as our CEO since May 2009, and his familiarity with the Company's business and industry, the Board of Directors believes that Mr. Kanas is best suited to serve as our Chairman and CEO. Mr. Kanas' historical performance as our Chairman and CEO has demonstrated his ability to effectively lead the Company in pursuit of its strategic objectives.

Although the Board of Directors believes that, at this time, it is more effective to have one person serve as the Company's Chairman and CEO, the Board also believes that independent, objective oversight of management's performance is a critical aspect of effective Board leadership. Accordingly, the Board of Directors has appointed Mr. DeMark to serve as our Lead Independent Director. Mr. DeMark, who has served as Lead Independent Director since November 2012, provides an independent voice on important issues facing the Company and ensures that those issues are fully considered by the Board of Directors. In his role as Lead Independent Director, Mr. DeMark's duties include, but are not limited to, presiding over regularly scheduled executive sessions of the non-management directors, serving as a liaison between the non-management directors and executive management and assisting the Board of Directors and executive management to ensure compliance with the Company's Corporate Governance Guidelines.

In addition, our Corporate Governance Guidelines provide for additional independent oversight of our operations, risks, business strategy and compensation practices. Consistent with our Corporate Governance Guidelines, the Board of Directors currently consists of a substantial majority of independent directors. Our Corporate Governance Guidelines also require that the non-management directors meet regularly in executive session without the presence of management, which provides an opportunity for the independent directors to freely express their views on important issues. In addition, the independent directors regularly evaluate Mr. Kanas' performance in his dual capacities of Chairman and CEO.

Through the Company's overall governance structure described above, the Board of Directors believes it has effectively balanced the need for strategic leadership by the Company's Chairman and CEO with the oversight and objectivity of the independent directors and has created an effective and appropriate leadership structure that is conducive to the risk oversight process. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate and in the best interests of the Company. Accordingly, the Board of Directors has the discretion to modify the Company's leadership structure if it believes doing so would be in the best interests of the Company.

Committees of the Board of Directors

The Board of Directors maintains three standing committees: the Audit and Risk Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. A description of each Board committee is set forth below.

The Audit and Risk Committee, the Compensation Committee and the Nominating and Corporate Governance Committee operate under a written charter. The Audit and Risk Committee is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In carrying out its oversight role, the Audit and Risk Committee, among other things: (i) reviews the audit plans and findings of our independent registered public accounting firm and our internal audit team, as well as the results of regulatory examinations, and tracks management's corrective action plans where necessary; (ii) reviews our financial statements, including any significant financial items and changes in accounting policies, with our senior management and independent registered public accounting firm; (iii) reviews our financial risk and control procedures, compliance programs and significant tax, legal and regulatory matters; and (iv) reviews our policies and practices with respect to the assessment and management of material categories of risk. In addition, the Audit and Risk Committee has the sole discretion to appoint annually our independent registered public accounting firm, evaluate its independence and performance and set clear hiring policies for employees or former employees of the independent registered public accounting firm.

The current members of the Audit and Risk Committee are Messrs. DeMark (Chairman) and Towbin, Ms. Wines and Dr. Sobti, each of whom the Board of Directors has determined qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE. The Board also has determined that Mr. DeMark qualifies as an "audit committee

Mr. Demark holds a B.B.A. degree from Hofstra University, is a Certified Public Accountant and is a member of the American Institute of Certified Public Accountants (AICPA) and the New York State Society of Certified Public Accountants.

Compensation Committee

In accordance with the terms of the Compensation Committee charter, our Compensation Committee is responsible for such matters as the determination of incentive awards, if any, to be paid to our executive officers and the administration of the BankUnited, Inc. equity incentive plans, including the determination of grant amounts and vesting terms, as well as the approval of any employment agreements with our executive officers and the administration of the BankUnited, Inc. Annual Incentive Plan (the "Annual Incentive Plan"). In addition, the Compensation Committee is responsible for the adoption of and any amendments to the Company's qualified and non-qualified plans. The Compensation Committee reviews and approves corporate goals and objectives relevant to compensation of our CEO and other executive officers, evaluates the performance of these officers in light of those goals and objectives and recommends the compensation of these officers based on such evaluations. The Compensation Committee held six meetings during 2015. The Compensation Committee is currently comprised of Messrs. Dowling (Chairman) and DeMark, Ms. Blanca and Dr. Sobti, each of whom qualifies as "independent" under the applicable rules and regulations of the SEC and the NYSE.

Ambassador Sue M. Cobb was a member of the Board of Directors and served as a member of the Compensation Committee until May 13, 2015. Ambassador Cobb did not seek reelection at the 2015 annual meeting.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to our Board of Directors concerning governance matters. The Nominating and Corporate Governance Committee, in consultation with our CEO, also reviews the Company's management succession plans to ensure that an effective succession process is in place and to discuss potential internal successors for both emergency and long-term executive succession. The succession planning activities of the Nominating and Corporate Governance Committee are discussed with the full Board of Directors.

The Nominating and Corporate Governance Committee held four meetings and acted by written consent once during 2015. The Nominating and Corporate Governance Committee is currently comprised of Ms. Blanca (Chairman), Judge Prudenti and Messrs. Dowling and Towbin, each of whom qualifies as an "independent" director as defined under the applicable rules of the NYSE.

Ambassador Cobb served as Chairman of the Nominating and Corporate Governance Committee until May 13, 2015.

Risk Management and Oversight

Our Board of Directors oversees our risk management process, including the company-wide approach to risk management, carried out by our management. Our full Board of Directors determines the appropriate levels of risk for the Company generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas.

In particular, the Audit and Risk Committee plays a key role in the Board of Directors' exercise of its risk oversight function. The Audit and Risk Committee is primarily responsible for overseeing matters involving the

Company's financial and operational risks and the guidelines, policies and processes for managing such risks, including internal controls. The Audit and Risk Committee conducts its risk oversight in a variety of ways, including reviewing management's assessment of the Company's internal control over financial reporting, reviewing the results of regulatory examinations and receiving quarterly reports on legal and regulatory matters. Additionally, the Company's independent registered public accounting firm regularly discusses risks and related mitigation measures that may arise during its regular reviews of the Company's financial statements with the Audit and Risk Committee. To ensure candid and complete reporting, the Audit and Risk Committee regularly meets in separate executive sessions with management, the head of the Company's internal audit department and the Company's independent registered public accounting firm.

Additionally, the Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, as well as the incentives created by the compensation awards it administers, and the Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board. Pursuant to our Board's instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Corporate Governance Guidelines, Code of Conduct and Code of Ethics

Our Board has adopted Corporate Governance Guidelines, which set forth a flexible framework within which our Board, assisted by Board committees, directs the affairs of the Company. The Corporate Governance Guidelines address, among other things, the composition and functions of the Board, director independence, compensation of directors, management succession and review, Board committees and selection of new directors.

We also have a Code of Conduct, which is applicable to all directors, officers, employees, agents (including consultants and contractors) and temporary personnel of the Company. We have a separate Code of Ethics for Principal Executive and Senior Financial Officers, which contains provisions specifically applicable to our principal executive officer, principal financial officer, principal accounting officer and controller (or persons performing similar functions).

The Corporate Governance Guidelines, the Code of Conduct and the Code of Ethics for Principal Executive and Senior Financial Officers are available on our website at <http://ir.bankunited.com>. We expect that any amendments to these codes, or any waivers of their requirements, will be disclosed on our website.

Director Compensation

We use a combination of cash and stock-based incentive compensation to attract and retain independent, qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties, as well as the skill level we require of members of our Board. Directors who are also our employees have not received and will not receive any compensation from us for service on our Board or Board committees.

The following table shows compensation paid, earned or awarded to each of the non-employee members of our Board for 2015.

Director Expenses

The Company also reimburses expenses incurred by directors to attend Board and committee meetings, educational seminars and other expenses directly related to the Company's business.

Director Nominating Process and Diversity

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for Board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee and the Board of Directors believe that diversity along multiple dimensions, including opinions, skills, perspectives, personal and professional experiences and other differentiating characteristics, is an important element of nomination for Board membership. The Nominating and Corporate Governance Committee has not identified any specific minimum qualifications that must be met for a person to be considered as a candidate for director. However, Board candidates are selected based on various criteria including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board of Directors. Although the Board of Directors does not have a formal diversity policy, the Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to

prepare for, attend and participate in all Board of Directors and applicable committee meetings and the Company's annual meetings of stockholders.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit and Risk Committee has appointed KPMG LLP to serve as BankUnited, Inc.'s independent registered public accounting firm for its fiscal year ending December 31, 2016. The Audit and Risk Committee and the Board of Directors seek to have the stockholders ratify the Audit and Risk Committee's appointment of KPMG LLP, which has served as BankUnited, Inc.'s independent registered public accounting firm or independent auditor since 2009. Although BankUnited, Inc. is not required to seek stockholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of KPMG LLP is not ratified by the stockholders, the Audit and Risk Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of KPMG LLP.

Representatives of KPMG LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2016.

Report of the Audit and Risk Committee

The Audit and Risk Committee reviews the Company's financial reporting process on behalf of the Board of Directors. The Audit and Risk Committee consists of directors who have been determined by the Board of Directors to be independent of the Company as prescribed by the NYSE and the SEC. The Company's management has the primary responsibility for the financial statements and for the reporting process, including the establishment and maintenance of the system of internal control over financial reporting. KPMG LLP, the Company's independent registered public accounting firm, is responsible for auditing the financial statements prepared by management, expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and auditing the Company's internal control over financial reporting and expressing an opinion on the effectiveness thereof. In this context, the Audit and Risk Committee has reviewed the audited financial statements and met and held discussions with management and KPMG LLP regarding the fair and complete presentation of those financial statements and the assessment of the Company's internal control over financial reporting.

The Audit and Risk Committee has discussed with KPMG LLP matters required to be discussed by Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board (the "PCAOB") and has reviewed and discussed KPMG LLP's independence from the Company and its management. As part of that review, the Audit and Risk Committee has received the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit and Risk Committee concerning independence. The Audit and Risk Committee also has considered whether KPMG LLP's provision of non-audit services to the Company is compatible with the auditor's independence. The Audit and Risk Committee has concluded that KPMG LLP is independent from the Company and its management.

The Audit and Risk Committee meets with the Chief Financial Officer and representatives of KPMG LLP, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting and compliance programs.

In reliance on the reviews and discussions referred to above, the Audit and Risk Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the SEC.

Overview of our Executive Compensation Program

Our executive compensation philosophy focuses on paying for performance while retaining executives who are critical to the long-term success of our Company and increasing stockholder value. Accordingly, our executive compensation program is designed to achieve the following objectives:

Pay for performance. To properly align incentives with the financial, operational and strategic objectives and long-term success of the Company, a meaningful portion of overall compensation for our NEOs is subject to the performance of the Company.

Create long-term value for our stockholders. We believe the interests of our executives should be aligned with our stockholders over both the short- and long-term. To this end, a substantial portion of overall compensation for the NEOs is paid in the form of incentive awards that vest over several years, and our NEOs are subject to stock ownership requirements.

Balance risk and reward. Our focus and goal is to build a safe and sound institution through prudent growth. As such, our compensation program is designed and governed to appropriately balance compensation with risk management.

Compensation Best Practices

The Company employs a number of practices that reflect our executive compensation program's philosophy and objectives, many of which are disclosed below:

What we do

Predetermined Performance metrics used to calculate incentive pay for our CEO and COO

Performance thresholds and caps included in our incentive plans

Peer group market data considered when making executive compensation decisions

Responsibly manage allocation of equity compensation

Stock ownership requirements for senior executives

Multi-year vesting periods of equity awards

Adopted a recoupment policy for incentive compensation

Engage with stockholders on compensation and governance matters

Engage an independent compensation advisor

Have a compensation committee composed entirely of independent directors

Mitigate undue risk in compensation programs

Response to 2015 Say-on-Pay Vote

All of the elements of our NEOs' 2015 compensation program were determined prior to the 2015 advisory vote on executive compensation ("Say-on-Pay"). Our Board and the Compensation Committee take the opinions of our stockholders very seriously and consider feedback from the stockholders when making compensation program decisions. At the 2015 annual stockholder meeting only approximately 31% of votes cast were in favor of our advisory Say-on-Pay proposal. Although stockholders are not being asked to vote on a Say-on-Pay proposal at this Annual Meeting since a triennial vote has previously been approved by stockholders, the results of the Say-on-Pay proposal last year caused us to initiate a constructive dialogue with our stockholders on the subject of compensation, including the substantial majority of our significant institutional stockholders.

While a minority of the stockholders with whom we spoke shared concerns similar to those voiced by the proxy advisory firms relating to differentiating short-term and long-term performance goals, the majority of the stockholders with whom we spoke expressed confidence in our senior management and acknowledged the unique

No gross-ups to cover income or excise taxes

No re-pricing or backdating of options

No excessive perquisites for executives

Prohibition on hedging and pledging by executive officers

No excessive severance payments

No guaranteed retention bonuses

No pension plans or special retirement programs

Our employment agreements apply to a limited number of executives and apply for a specified term

No liberal change in control definitions

alignment of interests between themselves and Messrs. Kanas and Singh as stockholders, as well as a focus on the continued retention of Messrs. Kanas and Singh. None of the stockholders with whom we spoke expressed a concern about the total amount of compensation provided to Messrs. Kanas and Singh.

In July 2015, our Compensation Committee engaged an independent compensation consultant, Deloitte Consulting LLP (“Deloitte Consulting”) and spent considerable time reviewing our compensation programs to design a framework that was more directly performance-based to be implemented beginning in 2016. In order to address any stockholders’ concerns about the performance-based approach to compensation, we adopted the modifications to our compensation programs summarized below which are being implemented in 2016.

What We Heard	Applies to	Modifications Beginning in 2016
We use the same metrics for the short-term and long-term incentives.	Messrs. Kanas and Singh	We will utilize different performance metrics for our annual incentive (short-term) and long-term incentive plans.
No performance metric is directly tied to stockholder return.	Messrs. Kanas and Singh	The long-term incentive award will include a relative three-year total stockholder return metric. 50% of the executive’s long-term incentive award will be awarded in performance shares measured over a three-year performance period.
Performance based only on one-year period.	Messrs. Kanas and Singh	The remaining 50% will be awarded in restricted stock units that vest over three years based on continued service.
Performance periods are not aligned with the fiscal year.	Messrs. Kanas and Singh	All performance periods will be based on the Company’s fiscal year. All NEOs will be compensated under performance-based plans and have a substantial portion of their compensation tied to performance.

HOW WE SET COMPENSATION

Role of Compensation Committee in Setting Named Executive Officer Compensation

Our Compensation Committee, which is composed entirely of independent directors, is responsible for overseeing the development and approving compensation and benefits amounts paid to our NEOs and non-employee directors, and administering our incentive plans, which includes the determination of grant amounts and vesting terms of awards under such plans. In addition, our Compensation Committee is responsible for the development and approval of employment agreements with our NEOs. Our Compensation Committee is responsible for determining whether our executive compensation policies are reasonable and appropriate, meet the stated objectives of those policies and effectively serve the best interests of the Company and our stockholders. Our

Compensation Committee has discretion to approve, disapprove or modify recommendations made by our Chief Executive Officer. However, our Chief Executive Officer is not present during deliberations or voting by our Compensation Committee relating to his own compensation.

Role of Compensation Consultant

Pursuant to its charter, our Compensation Committee may, in its sole discretion, retain or obtain the advice and assistance of a compensation consultant, legal counsel or other adviser. Our Compensation Committee may retain or obtain the advice of an adviser only after taking into consideration factors related to that person's independence from management, including each of the factors it is required to take into consideration under the Corporate Governance Standards of the New York Stock Exchange, subject to limited exceptions. Our Compensation Committee is responsible for the appointment, compensation, and oversight of any adviser it retains. The Company is obligated to provide appropriate funding for the compensation of any such adviser.

In July 2015, our Compensation Committee engaged an independent executive compensation consultant, Deloitte Consulting. Deloitte Consulting conducted a review of industry-specific employment agreements and assisted in the redesign of the Chief Executive Officer and Chief Operating Officer employment agreements including target compensation levels, and the annual and long-term incentive ("LTI") plan framework for 2016 and future compensation decisions. Deloitte Consulting further developed an industry peer group of 17 companies that are similar in business model and size in terms of total assets and market capitalization and conducted a competitive assessment of our executive compensation program and provided advice on compensation design, pay mix and competitive market levels.

COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Messrs. Kanas and Singh have a compensation structure that is different from our other NEOs. Messrs. Kanas and Singh entered into employment agreements with us initially in July 2009. In August 2012, these employment agreements were amended and restated, and at that time, these employment agreements were negotiated with and approved by our four largest stockholders, who owned approximately 55% of our stock. These employment agreements expired on June 30, 2015 and our Compensation Committee engaged Deloitte Consulting to assist with providing guidance on the compensation to be paid to Messrs. Kanas and Singh during the period of July 1, 2015 to December 31, 2015 (the "Interim Period"), as well as recommendations for the design of the new employment agreements that would commence on January 1, 2016 to align the agreements with the Company's fiscal year. For additional information regarding to Messrs. Kanas and Singh's employment agreements see "—2016 Compensation of Our Named Executive Officers—Employment Agreements with Messrs. Kanas and Singh."

Our other NEOs do not have employment agreements. As such, in 2015, their compensation was determined by our Compensation Committee in its discretion and designed to balance financial, operational and strategic results with proper risk management. Effective January 1, 2016, Ms. Lunak and Messrs. Cornish and Roberto will have a substantial portion of their compensation tied to performance.

2015 COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Overview

Our compensation philosophy is designed to retain talent and align pay with performance of the Company. The following table lists and describes the purpose of the key elements of compensation for our NEOs:

Element of Pay	Description	Purpose
Base Salary	Fixed cash compensation	To attract and retain key executive talent by providing a stable source of compensation for services rendered during the fiscal year
Short-Term Cash Incentive Award	Performance-based cash payment based on financial, operational and strategic metrics	To motivate executive officers to achieve the Company's annual strategic and financial goals and reward individual performance
Long-term equity-based compensation	Performance-based share awards with multi-year vesting periods; awards are based on financial and operational and strategic metrics	To align long-term interests of executives and stockholders and provide appropriate balance of at-risk compensation that incentivizes long-term value creation and retention

Performance Peer Group

For certain of the performance criteria related to Messrs. Kanas' and Singh's performance-based compensation, the Compensation Committee measured performance compared with the Company's peers (the "Performance Peer Group"). In 2015, the Performance Peer Group included publicly traded U.S. banks and thrifts with assets between \$10 billion and \$25 billion, and market capitalization from \$1 billion to \$5 billion. The Performance Peer Group was modified from the year prior (which was all publicly traded U.S. banks and thrifts with assets between \$5 billion and \$25 billion) because of our balance sheet size and growth. For the performance period from July 1, 2014 to June 30, 2015 (the "2015 Performance Period"), the Performance Peer Group was composed of the following banks:

Astoria Financial Corp.	Old National Bancorp
BancorpSouth	PacWest Bancorp
Bank of Hawaii Corp.	PrivateBancorp
Cathay General Bancorp	Prosperity Bancshares
Commerce Bancshares	Sterling Bancorp
EverBank Financial Corp.	TCF Financial Corp.
F.N.B. Corporation	Texas Capital Bancshares
First BanCorp	Trustmark Corp.
Flagstar Bancorp	UMB Financial Corp.
Fulton Financial Corporation	Umpqua Holdings Corp.
Hancock Holding Company	United Bankshares
Hilltop Holdings Inc.	Valley National Bancorp
IBERIABANK Corporation	Washington Federal
International Bancshares Corporation	Webster Financial Corp.
Investors Bancorp	Western Alliance Bancorporation
MB Financial	Wintrust Financial Corp.

For the Interim Period, the same Performance Peer Group was used except EverBank was removed from the list because it exceeded the asset size threshold.

Components of Our Compensation Program

Base Salary

Base salaries for our NEOs are designed to compensate each executive for the experience, education, responsibilities and other qualifications of the executive that are essential to the specific role the executive serves within our Company, while remaining competitive in the labor market.

Consistent with their employment agreements, Mr. Kanas did not receive a base salary in 2015 while Mr. Singh's base salary remained \$500,000 per year. For our other NEOs, the Compensation Committee, with the assistance of the Messrs. Kanas and Singh, generally reviews salaries in the early part of each year and, if appropriate adjusts them to reflect changes in considerations and to remain competitive in the labor market. After reviewing their base salaries, the Compensation Committee determined that none of our NEOs would receive a base salary increase in 2015.

Short-Term Cash Incentive Awards

All performance-based short-term cash incentive awards granted to our NEOs are granted pursuant to our Annual Incentive Plan and are determined by the Compensation Committee. The Annual Incentive Plan was last approved by our stockholders at our 2013 annual meeting.

Messrs. Kanas and Singh received cash incentive awards in 2015 for both the 2015 Performance Period and the Interim Period, during the latter of which they were not employed pursuant to the employment agreements.

The Compensation Committee set the performance criteria of top quartile results as compared to the Performance Peer Group in the following four metrics: year-over-year deposit growth, year-over-year loan growth, non-performing assets ratio (excluding covered assets) and reserve coverage ratio (excluding covered assets). These metrics were used as the basis for compensation for both the 2015 Performance Period and for the Interim Period. The Compensation Committee believes that the performance metrics appropriately aligned Messrs. Kanas and Singh with the overall long-term objectives of the Company and with the interests of stockholders.

The opportunity for the cash incentive award for the 2015 Performance Period was as follows:

Performance Period: July 1, 2014 - June 30, 2015

Number of Performance Metrics at Top Quartile or Higher	Total Incentive Opportunity	
	Mr. Kanas	Mr. Singh
0-1	\$—	\$—
2	\$1,190,000	\$250,000
3 (Target)	\$1,530,000	\$375,000
4 (Maximum)	\$1,870,000	\$500,000

The Compensation Committee, working with Deloitte Consulting, determined that the payout schedule for performance during the Interim Period would be similar to what Messrs. Kanas and Singh had been historically compensated under their prior employment agreements.

The three-year average total compensation for the duration of the employment agreements was \$5,890,000 and \$3,000,000 for Messrs. Kanas and Singh, respectively. The Compensation Committee determined that during the Interim Period, the target total compensation for Messrs. Kanas and Singh would be equal to the total compensation each executive historically received on a pro-rata basis. Based upon their historical compensation,

the Compensation Committee established that the opportunity for the cash incentive during the Interim Period for Messrs. Kanas and Singh would be as follows:

Interim Performance Period: July 1, 2015 - December 31, 2015

Number of Performance Metrics at Top Quartile or Higher	Total Incentive Opportunity	
	Mr. Kanas	Mr. Singh
0-1	\$—	\$—
2	\$1,559,000	\$625,000
3 (Target)	\$2,252,000	\$938,000
4 (Maximum)	\$2,945,000	\$1,250,000

For the 2015 Performance Period, as well as the Interim Period, the Compensation Committee determined that the Company achieved top quartile performance for all four performance metrics and Messrs. Kanas and Singh were paid out the maximum amount for both performance periods. . The following table indicates the Company's actual performance with respect to each metric and the top quartile threshold relative to the Performance Peer Group:

Performance Metric	2015 Performance Period		Interim Period	
	Company Performance	Top Quartile of Peers Performance	Company Performance	Top Quartile of Peers Performance
Year-over-year total deposit portfolio growth rate	27%	17%	22%	12%
Year-over-year total loan and lease (including operating leases) portfolio growth rate	37%	22%	32%	15%
Non-performing assets ratio (excluding covered assets)	0.29%	0.69%	0.26%	0.50%
Reserve coverage ratio	171%	122%	204%	131%

An overriding feature of this performance-based cash incentive program (as well as any long-term equity-based compensation) is that in the event BankUnited fails to be well-capitalized in any year, as defined by the applicable federal banking regulator for purposes of the prompt corrective action provisions of the Federal Deposit Insurance Act, no cash incentive (or long-term equity-based compensation) will be payable to Messrs. Kanas and Singh, regardless of the Company having met the established performance criteria.

Short-term cash incentive awards for our other NEOs, Ms. Lunak and Messrs. Cornish and Roberto, were discretionary. Incentive amounts was determined in accordance with the Company's Policy on Incentive Compensation Arrangements, which provides that incentive amounts are to be based on the past, present and expected future contributions of an employee or group of employees to the overall success, safety and soundness of the organization. Factors considered in evaluating those contributions include, among other things: overall individual performance, overall organizational performance, individual contribution to organizational performance, business segment performance, successful completion of projects or initiatives and level of individual responsibilities. The Company's Policy on Incentive Compensation Arrangements is designed to balance risk and financial, operational and strategic results in a manner that does not encourage employees to expose the Company to imprudent risks.

The Compensation Committee reviewed discretionary cash incentive awards for Ms. Lunak and Messrs. Cornish and Roberto in February 2016 and approved cash incentive awards for their performance and contributions to the Company and Bank in fiscal year 2015 in the amounts of \$332,500 for Ms. Lunak, \$600,000 for Mr. Cornish and \$350,000 for Mr. Roberto.

Long-Term Equity-Based Compensation

In general, we provide a significant portion of the compensation to our NEOs in the form of long-term equity-based compensation. We believe that equity awards reward the achievement of long-term goals, align the interest of executives with those of stockholders, foster employee stock ownership and strengthen retention among our executives.

In 2015, Messrs. Kanas and Singh were awarded long-term equity-based compensation based on the same four performance metrics being met as described above under the heading "—Short-Term Cash Incentive Awards" and pursuant to their respective employment agreements. The grant date value of performance shares awarded in respect of any performance period is determined by the Compensation Committee and such performance shares are awarded only if specified performance measurements are met for the applicable performance period.

The potential value of the performance share awards for Messrs. Kanas and Singh during the 2015 Performance Period was as follows:

Number of Performance Metrics at Top Quartile or Higher	Total Value of Long-Term Equity-Based Compensation	
	Mr. Kanas	Mr. Singh
0-1	\$—	\$—
2	\$340,000	\$250,000
3 (Target)	\$680,000	\$375,000
4 (Maximum)	\$1,020,000	\$500,000

Performance-based share awards are granted pursuant to our 2010 and 2014 Omnibus Equity Plans. Pursuant to the terms of the BankUnited, Inc. 2010 and 2014 Omnibus Equity Incentive Plans Award Agreements, participants shall be the record owners of earned performance-based shares and are generally entitled to all rights of common stockholders of the Company, including the right to receive dividends.

The Compensation Committee evaluated the Company's performance against applicable performance metrics for the 2015 Performance Period and determined that the Company achieved top quartile performance for all four performance metrics. Accordingly, in August 2015, the Compensation Committee approved performance shares with a grant date value of \$1,020,029 to Mr. Kanas and \$500,014 to Mr. Singh. One-third of the performance shares vest on the date of grant, with the remaining shares vesting one-third on June 30 of each of 2016 and 2017.

For our other NEOs, the Compensation Committee awarded restricted stock grants pursuant to the terms of the 2010 and 2014 Omnibus Equity Incentive Plans. These awards generally vest in three equal annual installments, starting on the first anniversary of the grant date. Pursuant to the terms of the BankUnited, Inc. 2010 and 2014 Omnibus Equity Incentive Plans award agreements, participants shall be the record owners of restricted shares and are generally entitled to all rights of common stockholders of the Company, including the right to receive dividends.

We typically grant stock awards early in the year as part of total year-end compensation awarded for prior year performance. The Compensation Committee reviewed restricted stock awards for Ms. Lunak and Messrs. Cornish and Roberto in February 2016 for performance in 2015, and approved awards of 12,500 shares to Ms. Lunak, 20,000 shares to Mr. Cornish, and 10,000 shares to Mr. Roberto.

For additional information regarding certain provisions related to our NEOs' equity awards, see "—Potential Payments Upon Termination or Change-in-Control."

OTHER BENEFITS

Change in Control Agreements

Ms. Lunak has a change in control agreement pursuant to which, if her employment is terminated by the Company without Cause (as defined in the change in control agreement), or by her due to a reduction in base salary, each within six months following a change in control of the Company, she would be entitled to a payment in the amount equal to one year of her base salary, payable on the date that is six months following the change in control. The agreement further provides for payment, on the date that is six months following completion of the change in control, of a lump sum retention bonus equal to one year of base salary (as in effect immediately prior to the change in control), subject to her continued employment with BankUnited and any successor to BankUnited through such date.

Mr. Roberto has a change in control agreement similar in structure to Ms. Lunak's agreement. However, the lump sum payment is an amount equal to \$700,000 less the value of any and all equity awards granted during his employment with the Company. As of December 31, 2015, the value of Mr. Roberto's equity awards exceeded \$700,000 and the Company would have met its obligation pursuant to his change in control.

Mr. Cornish does not have a change in control agreement with us. However, his offer letter dated February 6, 2014, contains a provision whereby if his employment is terminated by the Company without Cause within the first year of employment, he would be entitled to an accelerated vesting of 33,333 restricted shares (one-third of his initial grant) and a severance payment of \$500,000. This provision expired on February 6, 2015 and is no longer applicable.

For additional information regarding the terms of these agreements, see "—Potential Payments Upon Termination or Change-in-Control."

Limited Perquisites

The Company provides very limited perquisites. Our NEOs as well as all of our full-time and part-time employees are eligible to participate in our 401(k) retirement plan under which we provide a matching feature. Our NEOs as well as certain of our employees are eligible to participate in our Nonqualified Deferred Compensation Plan.

In 2015, Messrs. Kanas and Singh each received a car allowance and Mr. Kanas was provided with a company-paid driver.

OTHER CONSIDERATIONS

Equity Ownership Requirement

We believe that requiring members of our senior management to invest and maintain ownership in our Company serves to align their interests with the interests of our stockholders. In connection with our initial public offering in 2011, we adopted a policy relating to the minimum amount of equity securities that certain executive officers must retain so long as they are employed by us. This policy, provides that, so long as Mr. Kanas is employed by the Company or its affiliates, he will not transfer equity if, after giving effect to such transfer, his retained equity (including vested and unvested equity, including options) has a value that is less than twelve times his base salary. As of March 31, 2016, Mr. Kanas held equity securities (including vested and unvested equity, including options) having a value well in excess of twelve-times his base salary.

Additionally, for Mr. Singh, the policy provides that so long as he is employed by the Company or its affiliates, he will not transfer equity if, after giving effect to such transfer, his respective retained equity (including vested and unvested equity, including options) has a value that is less than five times his base salary. As of March

31, 2016, Mr. Singh held equity securities (including vested and unvested equity, including options) having a value well in excess of five-times his base salary.

As of March 31, 2016, we amended our policy to include ownership requirements for all other NEOs. As such, the policy provides that so long as the Ms. Lunak and Messrs. Cornish and Roberto are employed by the Company or its affiliates, he or she will not transfer equity if, after giving effect to such transfer, his or her respective retained equity (including vested and unvested equity, including options) has a value that is less than two and a half times his or her respective base salary. At the time the policy was adopted, all NEOs held equity securities (including vested and unvested equity) having a value in excess of two and a half times his or her respective base salary.

Recoupment Policy

On March 31, 2016, we adopted a recoupment policy, which provides that, if we are required to prepare an accounting restatement of our financial statements due to material noncompliance with any reporting requirement, our Board (or a committee thereof) may require reimbursement or forfeiture of incentive-based compensation received by any of our current or former executive officers during the three-year period preceding the date on which we are required to prepare the accounting restatement, based on the erroneous data, in excess of what would have been paid to the executive officer under the accounting restatement. This policy is in addition to our ability to seek reimbursement or forfeiture of compensation pursuant to the terms of any plan, policy or agreement or applicable law.

Anti-Hedging and Anti-Pledging of Company Securities

The Company has an anti-hedging policy which prohibits directors and executive officers of the Company from engaging in hedging transactions such as (but not limited to) zero-cost collars, equity swaps, and forward sale contracts in the Company's securities. Other employees are restricted from engaging in these transactions while in possession of material non-public information regarding the Company. In addition to our existing anti-hedging policy, in February 2016, we adopted an anti-pledging policy that restricts all directors, executive officers and other employees from pledging the Company's securities as collateral for a loan or from holding securities in a margin account, to be effective as of June 1, 2016.

Tax Implications

Section 162(m) of the Internal Revenue Code ("Section 162(m)") generally disallows a federal tax deduction to public companies for compensation greater than \$1 million paid in any tax year to specified executive officers unless the compensation is "qualified performance-based compensation" under that section. Certain of our compensation arrangements are designed to permit us to grant awards that may qualify as "qualified performance-based compensation;" however, it is possible that awards intended to qualify for the tax deduction may not so qualify if all requirements of the "qualified performance-based compensation" exemption are not met. Furthermore, our Compensation Committee believes that the tax deduction is only one of several relevant considerations in setting executive compensation and takes into account a multitude of factors in making executive compensation decisions. Accordingly, our Compensation Committee may, in certain circumstances, approve compensation arrangements that provide for compensation that is not deductible for federal income tax purposes.

Compensation Risk Assessment

At least annually, our Compensation Committee conducts an assessment of the compensation policies and practices for our employees, including our executive officers, and whether such policies and practices created risks that were reasonably likely to have a material adverse effect on the Company.

We believe our compensation programs strike the appropriate balance between short-term and long-term components. We consider the potential risks in our business when designing and administering our compensation

programs, and we believe our balanced approach to performance measurement and compensation decisions works to mitigate the risk that employees, including our executive officers, will be encouraged to undertake excessive or inappropriate risk. The Company's compensation program also is subject to internal controls, and we rely on principles of sound governance and good business judgment in administering our compensation programs. Based on its assessment in 2015, our Compensation Committee has determined, in its reasonable business judgment, that the Company's compensation policies and practices as generally applicable to its executive officers and employees do not create risks that are reasonably likely to have a material adverse effect on the Company and instead promote behaviors that support long-term sustainability and stockholder value creation.

2016 COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Overview

As will be described in further detail in the proxy statement for our 2017 annual meeting of stockholders, the Compensation Committee, working with Deloitte Consulting, made significant modifications to the 2016 compensation program for our NEOs and the employment agreements for Messrs. Kanas and Singh were revised accordingly. We believe our new compensation program properly addresses the concerns of our stockholders, strengthens pay for performance and further aligns the interests of our executives to the long-term success of the Company.

New Peer Group

The Compensation Committee, working with Deloitte Consulting, created a new industry peer group ("New Peer Group") for the Company that takes into consideration publicly traded U.S. banks and thrifts, asset size and market capitalization, as well as geographic footprint and business models. We believe the New Peer Group represents the companies with which we currently compete for executive talent, and also includes our principal business competitors. When the New Peer Group was developed in July 2015, BankUnited was positioned at the 55th percentile for total assets and 48th percentile for market capitalization. The New Peer Group, which was used to benchmark compensation for 2016 and will be used to measure relative performance under our annual and long-term incentive plans (which are described further below) is as follows:

Astoria Financial Corp.	PacWest Bancorp
BancorpSouth	People's United Financial
Cullen/Frost Bankers	PrivateBancorp
Everbank Financial Corp.	Prosperity Bancshares
First Republic Bank	Signature Bank
Iberiabank Corp.	Texas Capital Bancshares
Investors Bancorp	Valley National Bancorp
New York Community Bancorp	Western Alliance Bancorporation

The original peer group included City National Bank, but was subsequently removed as it was acquired by Royal Bank of Canada at the end of 2015.

Employment Agreements with Messrs. Kanas and Singh

On February 2, 2016, the Compensation Committee approved employment agreements by and between the Company and each of Messrs. Kanas and Singh. Each employment agreement has a three-year term, commencing as of January 1, 2016, which may be extended by mutual agreement of the parties (the "Employment Term"). If the Employment Term would expire on or following the date of the first public announcement of a transaction or other event that would constitute a change in control (such announcement, a "Public Announcement") and prior to consummation of such change in control, the Employment Term would automatically extend for a period of one

year from the date the Employment Term would otherwise have expired, except that the Employment Term would end if such potential change in control were terminated or abandoned. During the Employment Term, Mr. Kanas will continue to serve as Chief Executive Officer of the Company, reporting to our Board, and Mr. Singh will continue to serve as the Chief Operating Officer of the Company, reporting to the Chief Executive Officer.

Key Components of Compensation under the Employment Agreements with Messrs. Kanas and Singh

The key components of compensation, as provided under the terms of the employment agreements, are as follows:

2016 Employment Agreements

Element of Pay	Description	Purpose
Base Salary	Fixed cash compensation	To attract and retain key executive talent and to compensate for services rendered during the fiscal year
Short-Term Incentive Award	Performance-based cash payment based on financial, operational and strategic metrics	To motivate executive officers to achieve the Company's annual strategic and financial goals
Long-Term Incentive Plan ("LTIP") Time-Based	Restricted Stock Units with 3-year vesting based on continued service (at Target payout, would comprise 50% of total LTIP award)	To align interests of executives and stockholders, use as retention tool and provide appropriate balance of at-risk compensation
LTIP- Performance-Based	Performance Stock Units with 3-year performance-based vesting (at Target payout, would comprise 50% of total LTIP award)	To motivate executive officers to create long-term value creation for our stockholders

The performance criteria for Messrs. Kanas and Singh during the 2016 fiscal year for both the short-term cash incentive and LTIP awards were set by the Compensation Committee, which has the right to change the criteria each year. For the 2016 fiscal year, the criteria for the short-term cash incentive and the LTIP performance award are as follows:

Short-term incentive criteria:

Five performance metrics measured against peer group as defined by the Compensation Committee.

Relative year-over-year growth measured for the following: new loans and leases portfolio, deposit portfolio and operating net income.

Maintenance of strong asset quality ratios measured by relative non-performing assets ratio (excluding covered assets) and reserve coverage ratio (excluding covered loans).

Awards payable in cash and maximum awards will reflect performance at or above the 85th percentile of the defined peer group.

Payouts are capped at 150% of the executive's target award value.

LTIP performance criteria:

Relative performance metrics to be measured on the achievement of three equally-weighted performance metrics and include: operating net income growth, total stockholder return and net charge-off ratio.

Performance will be measured over a three-year period.

The performance share award will be denominated in a target number of shares at the beginning of the performance period with fair market value of the grant based on the target value of the performance award. The actual number of shares earned will be determined at the end of the three-year measurement period based on actual performance and the fair market value on the date of grant.

Maximum awards will reflect performance at or above the top third of the defined peer group.

Payouts are capped at 150% of the executive's target award value.

Consistent with the terms of the prior awards granted to Messrs. Kanas and Singh pursuant to their prior employment agreements, if BankUnited fails to be well-capitalized in any year, as defined by the applicable federal banking regulator for purposes of the prompt corrective action provisions of the Federal Deposit Insurance Act, no awards will be payable or granted to Messrs. Kanas and Singh, regardless of the Company having met the established performance criteria. In addition, the Compensation Committee reserves the right to use its discretion to adjust the financial results of the Company for unplanned or unforeseen events that impact financial statements, such as acquisitions and changes in legislation. Such adjustments would also be applied to the peers to allow for relative performance comparisons.

An illustrative breakdown of total compensation based on the achievement of certain performance criteria is as follows for each of Messrs. Kanas and Singh:

Other Terms of the Employment Agreement with Messrs. Kanas and Singh

Benefit Plans

Each of Messrs. Kanas and Singh will also be entitled to participate in the Company's employee benefit plans and perquisites on the same basis as generally made available to other senior executives of the Company, as well as other benefits specified under the employment agreements. For Mr. Singh, such specified benefits include a commitment by the Company to purchase, pay all premiums on and otherwise maintain in good standing a second-to-die life insurance policy with a death benefit of not less than \$15 million (the "Split-Dollar Life Insurance Policy").

Severance and Change-in-Control Terms

The employment agreements provide that, in the event of an executive's termination of employment by the Company without Cause or by the executive for Good Reason (each, as defined in the employment agreements)

during the Employment Term, such executive would be entitled to receive, subject to the executive's execution of a release of claims against the Company, (i) payment of an amount equal to two times the sum of the applicable executive's base salary and Target Annual Incentive (or three times such sum if termination occurs on or following a change in control); (ii) payment of the executive's prorated annual incentive award based on actual performance for the year of termination (or a prorated annual incentive award based on target performance if termination occurs on or following a change in control); (iii) full vesting of the restricted share unit awards (and any other time-based equity awards); (iv) vesting of the performance unit awards (and any other performance-based equity awards) based on actual achievement for the performance criteria (or, if the termination occurs following a Public Announcement, the performance unit awards will convert into a time-based restricted stock unit award (with the number of units determined based on the award agreement) that vest on the later of the change in control and the date of termination); (v) continued coverage under the Company's group health plans at the Company's expense for up to 24 months following termination; and (vi) for Mr. Singh, continuation of the Split-Dollar Life Insurance Policy.

In addition, the employment agreements provide that, in the event of Messrs. Kanas' or Singh's termination of employment during the Employment Term due to the applicable executive's death or Disability (as defined in the employment agreements), such executive would be entitled to receive the benefits described in (iii)-(vi) above, as applicable, and in the event such executive continues his employment with the Company following expiration of the Employment Term and his employment is subsequently terminated for any reason, such executive will be entitled to receive the benefits described in (iii), (iv) and (vi) above, as applicable.

Upon a change in control, the performance unit awards granted to Messrs. Kanas and Singh under their employment agreements automatically convert to time-based restricted share units ("Converted RSUs") that vest at the completion of the three-year performance period, subject to the applicable executive's continued employment with the Company through the vesting date. In the event an executive's termination of employment due to the executive's death or Disability, without Cause by the Company, for Good Reason by the executive or for any reason following the expiration of such executive's employment agreement, in each case, prior a Public Announcement, any unvested portions of the performance unit awards will vest based on actual achievement of the performance criteria. If any such termination occurs on or following a Public Announcement and contingent on the consummation of the change in control, the Converted RSUs will fully vest on the later to occur of (i) the date of such change in control and (ii) the termination date.

The employment agreements do not require the Company to reimburse the executives for the amount of any golden parachute excise tax imposed under Section 4999 of the Internal Revenue Code. Instead, if the payments to be received by either executive under the employment agreements would result in the imposition of the golden parachute excise tax, the amounts payable will be paid in full or reduced to such lesser amounts that would result in no portion of the payments being subject to the golden parachute excise tax, whichever would result in such executive's receipt of the greatest amount under his employment agreement on an after-tax basis.

Restrictive Covenants

Each of the executives is subject to confidentiality and non-disparagement obligations under the employment agreements, as well as non-competition and non-solicitation covenants for a period of 18 months following a termination of employment during the Employment Term by the Company for Cause or following Executive's voluntary resignation without Good Reason.

The employment agreements are subject to regulatory laws to the extent applicable.

Compensation for our Other Named Executive Officers

Ms. Lunak and Messrs. Cornish and Roberto have not entered into employment agreements, but they are participants under a new compensation plan that ties a substantial portion of their total compensation to performance.

For Ms. Lunak, beginning with the 2016 fiscal year, both her short-term cash incentive award and long-term incentive award will be tied to the same performance metrics as Messrs. Kanas and Singh's short-term incentive program. For Mr. Cornish, both of short-term cash incentive award and long-term incentive award will be tied to prudent loan and deposit growth in the Florida market. For Mr. Roberto, both his short-term cash incentive award and long-term incentive award will be tied to deposit growth in the New York market.

An illustrative summary of total compensation for Ms. Lunak and Messrs. Cornish and Roberto at target performance is as follows:

Nonqualified Deferred Compensation

Messrs. Kanas and Singh were eligible to participate in our Nonqualified Deferred Compensation Plan for fiscal year 2013. In 2014, we approved a new Nonqualified Deferred Compensation Plan in which all our named executive officers (as well as certain other employees) may participate. For 2015, our Nonqualified Deferred Compensation Plan allows each named executive officer the ability to defer up to 100% of eligible compensation. Each of Messrs. Kanas and Singh is eligible to receive company matching contributions under the plan. For the 2015 plan year, we contributed an amount equal to one hundred percent of the first one percent plus seventy percent of the next five percent of eligible compensation that Messrs. Kanas and Singh elected to defer under the plan. Amounts deferred by a named executive officer are vested at all times and amounts that we contribute on the executive's behalf will become vested upon the earlier to occur of a change in control (as defined in the plan), the executive's death, disability, attainment of "Normal Retirement Age" under our 401(k) plan or completion of two years of service. Amounts deferred under our Nonqualified Deferred Compensation Plan are distributed upon a date specified by the executive, which may be no earlier than January 1 of the third plan year following the plan year in which the compensation would have otherwise been paid to the executive, or upon the earliest to occur of the executive's separation from service, disability or a change in control.

Thomas M. Cornish	—	—	—	—	—

The full amount of the contribution for Messrs. Kanas and Singh and Ms. Lunak to the Nonqualified Deferred (1) Compensation Plan is reflected as compensation earned as part of each executive's "Salary", and/or "Bonus" or "Non-Equity Incentive Plan Compensation" in 2015 in the "—Summary Compensation Table for 2015."

Amounts reflect our contributions, if any, to the Nonqualified Deferred Compensation Plan for the applicable (2) named executive officer. These amounts are also reported in the "All Other Compensation" column of "—Summary Compensation Table for 2015."

These amounts include amounts previously reported in the Summary Compensation Table as "Salary," "Bonus," (3) "Non-Equity Incentive Plan Compensation" or "All Other Compensation" for years prior to 2015, in the following aggregate amounts: \$1,394,705 for Mr. Kanas, \$1,348,668 for Mr. Singh and \$200,000 for Ms. Lunak.

Potential Payments Upon Termination or Change-in-Control

The employment arrangements with our named executive officers provide for certain severance payments and benefits, to the extent applicable, in the event of a termination of employment as described below:

Employment Agreements with Messrs. Kanas and Singh. As of December 31, 2015, the Company's prior employment agreements with Messrs. Kanas and Singh had expired, and, as reflected in the table below, they would not have been entitled to severance upon a termination of employment.

However, on February 2, 2016, we entered into new employment agreements with each of Messrs. Kanas and Singh, which are described in further detail above under "—2016 Compensation of Our Named Executive Officers—Employment Agreements with Messrs. Kanas and Singh—Other Terms of the Employment Agreements with Messrs. Kanas and Singh."

Change in Control Agreement with our other NEOs

Ms. Lunak has a change in control agreement pursuant to which, if her employment is terminated by the Company without Cause (as defined in the change in control agreement), or by her due to a reduction in base salary, each within six months following a change in control of the Company, she would be entitled to a payment in the amount equal to one year of her base salary, payable on the date that is six months following the change in control. The agreement further provides for payment, on the date that is six months following completion of the change in control, of a lump sum retention bonus equal to one year of base salary (as in effect immediately prior to the change in control), subject to her continued employment with BankUnited and any successor to BankUnited through such date.

Mr. Roberto has a change in control agreement similar in structure to Ms. Lunak's agreement. However, the lump sum payment is an amount equal to \$700,000 less the value of any and all equity awards granted during his employment with the Company. As of December 31, 2015, the value of Mr. Roberto's equity awards exceeded \$700,000 and the Company would have met its obligation pursuant to his change in control.

Mr. Cornish does not have a change in control agreement with us. However, his offer letter dated February 6, 2014, contains a provision whereby if his employment is terminated by the Company without Cause within the first year of employment, he would be entitled to an accelerated vesting of 33,333 restricted shares (one-third of his initial grant) and a severance payment of \$500,000. This provision expired on February 6, 2015 and is no longer applicable.

Equity Awards

Generally, in the event of a change in control (as defined in the Company's 2010 and 2014 Omnibus Equity Incentive Plans), all outstanding awards held by the named executive officers that are then unvested would be subject to accelerated vesting, and any performance-based shares to be prospectively awarded with respect to a pending performance period would be granted and vested at target levels.

Equity Awards Granted to Messrs. Kanas and Singh in 2016. In connection with the entry into the employment agreements with Messrs. Kanas and Singh on February 2, 2016, each was granted performance units and restricted share units pursuant to the terms of the employment agreements. The agreements governing these awards contain termination and change-in-control provisions, which are described in further detail under “—2016 Compensation of Our Named Executive Officers—Employment Agreements with Messrs. Kanas and Singh—Other Terms of the Employment Agreements with Messrs. Kanas and Singh.” Because these awards had not been granted as of December 31, 2015, they are not reflected in the table below.

The following table provides information concerning the estimated payments and benefits that would be provided in the circumstances described above for each of the named executive officers, which were estimated assuming that the triggering event took place on the last business day of the fiscal year (December 31, 2015) and calculated using the closing price per share of our common stock on such date (\$36.06), and also assumes a cash-out of equity awards in connection with a change in control.

The 2015 year-end account balance under the plan is shown in Nonqualified Deferred Compensation Table for 2015 set forth above.

In connection with the IPO, the Company adopted the 2010 Plan. The 2010 Plan is administered by the Board or a committee thereof and provides for the grant of non-qualified stock options, share appreciation rights, restricted shares, deferred shares, performance shares, unrestricted shares and other share-based awards to selected employees, directors or independent contractors of the Company and its affiliates. The number of shares of common stock authorized for award under the 2010 Plan is 7,500,000, of which 23,965 shares remained available for issuance as of December 31, 2015. In February 2016, the Compensation Committee approved awards of 572,205 restricted shares to employees in recognition of their contribution to the Company's performance in fiscal year 2015. Shares of common stock delivered under the 2010 and 2014 Plans may consist of authorized but unissued shares or previously issued shares reacquired by the Company. The term of a share option or stock appreciation right issued under the 2010 and 2014 Plans may not exceed ten years from the date of grant and the exercise price may not be less than the fair market value of the Company's common stock at the date of grant. Unvested awards generally become fully vested in the event of a change in control (as defined in the 2010 and 2014 Plans).

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO PROVIDE FOR THE REMOVAL OF DIRECTORS WITH OR WITHOUT CAUSE AND TO ELIMINATE ARTICLE THIRTEENTH AND OTHER REFERENCES TO THE COMPANY'S INITIAL EQUITY SPONSORS THAT ARE NO LONGER APPLICABLE

Proposal

The Company's stockholders are being asked to approve an amendment to the Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") that (i) would provide for the Directors to be removed from office with or without cause and (ii) would eliminate Article Thirteenth, whereby the Company renounced its interest or expectancy to engage in business transactions with Equity Sponsors (i.e. the Company's initial stockholders, who were subject to certain restrictions pursuant to commitments they made with the Federal Deposit Insurance Corporation, or the FDIC, in May 2009), and other references in the Certificate of Incorporation to the Equity Sponsors that are no longer applicable.

Our Board of Directors has adopted a resolution approving the proposed amendment, declaring that it is advisable and directing that it be submitted to our stockholders for approval.

The description in this Proxy Statement of the proposed amendment is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate of Incorporation, as amended and restated as proposed herein, and which is attached to this Proxy Statement as Appendix A. For convenience of reference, a copy of the Company's Certificate of Incorporation showing the proposed amendment, with deleted text shown in strikethrough and added text shown as underlined and highlighted, is attached to this Proxy Statement as Appendix B. The approval of the amendment to the Certificate of Incorporation of the Company, as amended, to provide for the removal of directors with or without cause and to eliminate Article Thirteenth and other references to the Company's initial equity sponsors that are no longer applicable requires the affirmative vote of a majority of the outstanding shares of common stock of the Company.

Elimination of "only for cause" removal of Directors

The Company's existing Article 5(d) permits removal of Directors only for cause by the affirmative vote of the stockholders of the Company representing the majority of the capital stock entitled to vote, and subject to applicable law and the rights, if any, of the holders of shares of Preferred Stock then outstanding. In light of a recent ruling of the Delaware Chancery Court, the Company proposes to amend the Company's Certificate of Incorporation to provide for the removal of Directors with or without cause. If the proposed amendment is approved by the Company's stockholders, Directors of the Board may be removed for or without cause by the affirmative vote of the majority of stockholders entitled to vote and subject to applicable law and the rights, if any, of the holders of shares of Preferred Stock then outstanding.

Elimination of Article Thirteenth

Pursuant to the existing Article Thirteenth, the Company renounces its interest or expectancy to engage in business transactions with Equity Sponsors, which are defined as WLR Recovery Fund IV, L.P., WLR IV Parallel ESC, L.P., WLR/GS Master Co-Investment, L.P., Carlyle Partners V, L.P., Carlyle Partners V-A, L.P., CP V Coinvestment A, L.P., CP V Coinvestment B, L.P., Carlyle Strategic Partners II, L.P., CSP II Co-Investment, L.P., Carlyle Financial Services BU, L.P., Centerbridge Capital Partners, L.P., Centerbridge Capital Partners SBS, L.P., Centerbridge Capital Partners Strategic, L.P., CB BU Investors, L.L.C., CB BU Investors II, L.L.C., CB BU Investors III, L.L.C., Blackstone Capital Partners V L.P., Blackstone Capital Partners V-AC L.P., Blackstone Family Investment Partnership V L.P. and Blackstone Participation Partnership V L.P. and their respective affiliates and subsidiaries. The Equity Sponsors held ownership interests in the corporate entity which acquired

the failed BankUnited, FSB from the FDIC in May 2009. The Equity Sponsors were prevented by commitments to FDIC from engaging in certain transactions with the Company as long as certain factors, including share ownership, would apply. The Equity Sponsors divested their interests in the Company's shares in a series of secondary offerings conducted in November 2013 and March 2014 such that their ownership decreased to less than 5% of the Company's shares. The commitments with the FDIC were subsequently removed by the FDIC in April 2014, essentially lifting the restrictions between the Company and the Equity Sponsors. Therefore, at the current time, Article Thirteenth is no longer relevant or applicable.

Other Conforming Revisions

As part of the proposed amendment of the Certificate of Incorporation, certain other provisions of the Certificate of Incorporation that refer to terms included in the modified provisions would also be eliminated because they are no longer relevant and have been revised accordingly.

If approved, the amended Certificate of Incorporation will be effective at the close of business on the date of filing an amendment of the Certificate of Incorporation with the Secretary of State of the State of Delaware.

As noted above, the description in this Proxy Statement of the proposed amendment is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate of Incorporation, as amended and restated as proposed herein, and which is attached to this Proxy Statement as Appendix A. For convenience of reference, a copy of the Company's Certificate of Incorporation showing the proposed amendments, with deleted text shown in strikethrough and added text shown as underlined and highlighted, is attached to this Proxy Statement as Appendix B.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF AN AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO PROVIDE FOR THE REMOVAL OF DIRECTORS WITH OR WITHOUT CAUSE AND TO ELIMINATE ARTICLE THIRTEENTH AND OTHER REFERENCES TO THE COMPANY'S INITIAL EQUITY SPONSORS THAT ARE NO LONGER APPLICABLE.

PROPOSAL NO. 4

STOCKHOLDER PROPOSAL REGARDING MAJORITY VOTING IN UNCONTESTED ELECTIONS OF DIRECTORS

The California State Teachers' Retirement System ("CalSTRS") has notified us of its intention to present the following proposal at the Annual Meeting. We have been notified that CalSTRS owns 314,528 shares of common stock as of December 7, 2015 and is located at 100 Waterfront Place, MS-04, West Sacramento, CA 95605-2807. In accordance with SEC rules, the text of the stockholder proposal and supporting statement are printed below exactly as they were submitted to us. We are not responsible for the contents of the proposal or the supporting statement.

BE IT RESOLVED:

That the shareholders of BankUnited, Inc. hereby request that the Board of Directors initiate the appropriate process to amend the Company's articles of incorporation and/or bylaws to provide that director nominees shall be elected by the affirmative vote of the majority of votes cast at an annual meeting of shareholders, with a plurality vote standard retained for contested director elections, that is, when the number of director nominees exceeds the number of board seats.

SUPPORTING STATEMENT:

In order to provide shareholders a meaningful role in director elections, the Company's current director election standard should be changed from a plurality vote standard to a majority vote standard. The majority vote standard is the most appropriate voting standard for director elections where only board nominated candidates are on the ballot, and it will establish a challenging vote standard for board nominees to improve the performance of individual directors and entire boards. Under the Company's current voting system, a nominee for the board can be elected with as little as a single affirmative vote, because "withheld" votes have no legal effect. A majority vote standard would require that a nominee receive a majority of the votes cast in order to be re-elected and continue to serve as a representative for the shareholders.

In response to strong shareholder support a substantial number of the nation's leading companies have adopted a majority vote standard in company bylaws or articles of incorporation. In fact, more than 94% of the companies in the S&P 500 have adopted majority voting for uncontested elections. We believe the Company needs to join the growing list of companies that have already adopted this standard.

CalSTRS is a long-term shareholder of the Company and we believe that accountability is of utmost importance. We believe the plurality vote standard currently in place at the Company completely disenfranchises shareholders and makes the shareholder's role in director elections meaningless. Majority voting in director elections will empower shareholders with the ability to remove poorly performing directors and increase the directors' accountability to the owners of the Company, its shareholders. In addition, those directors who receive the majority support from shareholders will know they have the backing of the very shareholders they represent. We therefore ask you to join us in requesting that the Board of directors promptly adopt the majority vote standard for director elections.

Please vote FOR this proposal.

Board of Directors Recommendation:

Our Board of Directors has considered the proposal set forth above relating to majority voting for uncontested director elections, and has determined to make no voting recommendation to stockholders. The proposal, which is advisory in nature, would constitute a recommendation to the Board if approved by stockholders. Our Board recognizes that there are valid arguments in favor of, and in opposition to, majority voting. The Board wants to use this proposal as an opportunity for our stockholders to express their views on this subject without being influenced by any recommendation the Board might make.

Supporters of plurality voting contend, among other things, that plurality voting is the default standard for director elections under Delaware law, that adopting a majority voting standard would unnecessarily complicate director elections, and that adoption of majority voting could lead to unintended consequences such as no directors being elected, the Company not being in compliance with applicable NYSE or SEC rules regarding independent directors or the potential loss of a person whose service the Board believes would make a valuable contribution to the Board's oversight of the Company's business and affairs. Supporters of a majority voting standard often make arguments such as those set forth above in the proponent's supporting statement.

Approval of this proposal requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal at the Annual Meeting once a quorum is present. Such approval would not, by itself, implement majority voting. In order to implement majority voting, the Company's bylaws would need to be amended. If stockholders approve the proposal at this year's Annual Meeting, the Board will adopt an amendment to the bylaws that would implement majority voting in director elections no later than the 2017 Annual Stockholders Meeting. If stockholders return a validly executed proxy solicited by the Board of Directors, the shares represented by the proxy will be voted on this proposal in the manner specified by the stockholder. If stockholders do not specify the manner in which their shares represented by a validly executed proxy solicited by the Board are to be voted on this proposal, such shares will be counted as abstentions. However, since approval of the proposal requires a majority of the shares present in person or by proxy and entitled to vote on the matter, abstentions will have the same effect as a vote against the proposal.

BENEFICIAL OWNERSHIP OF THE COMPANY'S COMMON STOCK

The following table sets forth certain information with respect to the beneficial ownership of the Company's equity securities as of March 18, 2016: (1) each person or entity, based on information contained in Schedules 13G filed with the SEC, who owns of record or beneficially more than 5% of any class of the Company's voting securities; (2) each of the Company's executive officers and directors; and (3) all of the Company's directors and executive officers as a group. Beneficial ownership is determined in accordance with the rules of SEC. To our knowledge, each stockholder will have sole voting and investment power with respect to the shares indicated as beneficially owned, unless otherwise indicated in a footnote to the following table. Unless otherwise indicated in a footnote, the business address of each person is our corporate address, c/o BankUnited, Inc., 14817 Oak Lane, Miami Lakes, Florida 33016. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of common stock subject to options or warrants held by that person that are currently exercisable or exercisable within 60 days of March 18, 2016. We did not, however, deem these shares outstanding for the purpose of computing the percentage ownership of any other person. Beneficial ownership representing less than 1% is denoted with an asterisk (*).

CERTAIN RELATED PARTY RELATIONSHIPS

Review and Approval of Transactions with Related Persons

Transactions by us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal stockholders). We have adopted policies to comply with these regulatory requirements and restrictions.

Our Board of Directors has also adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the NYSE concerning related party transactions. Related party transactions are transactions in which our Company is a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of our Company include directors (including nominees for election as directors), executive officers, greater than 5% stockholders of our Company and the immediate family members of these persons. Our general counsel, in consultation with management and outside counsel, as appropriate, will review potential related party transactions to determine if they are subject to our Related Party Transactions Policy. If so, the transaction will be referred for approval or ratification to the Nominating and Corporate Governance Committee. In determining whether to approve a related party transaction, the Nominating and Corporate Governance Committee will consider, among other factors, the fairness of the proposed transaction; the direct or indirect nature of the director's, executive officer's or related party's interest in the transaction; the appearance of an improper conflict of interests for any director or executive officer of the Company, taking into account the size of the transaction and the financial position of the director, executive officer or related party; whether the transaction would impair an outside director's independence; the acceptability of the transaction to the Company's regulators; and the potential violations of other Company policies. Additionally, all related party transactions are reviewed by the Audit and Risk Committee. Our Related Party Transactions Policy is available on our website at <http://ir.bankunited.com>, as Annex B to our Corporate Governance Guidelines.

Family Relationships

John Kanas, Jr., the son of Mr. Kanas, is employed by BankUnited, N.A. He participates in compensation and incentive plans on the same basis as similarly situated Bank employees. Mr. Kanas, Jr. is not an executive officer of the Company and does not report directly to an executive officer of the Company. His compensation of approximately \$438,000, which included a salary of \$70,000 and incentive payments of \$368,000, exceeded the \$120,000 related person transaction threshold during 2015 and as a result was reviewed by the Nominating and Corporate Governance Committee and the Audit and Risk Committee.

BankUnited employs the services of Marsh & McLennan Agency as our insurance broker. Patricia Castellanos-Cornish, the wife of Thomas M. Cornish (President, Florida Region of BankUnited, N.A.), was employed by Marsh & McLennan Agency in 2015. The relationship between the Company and Marsh & McLennan existed for several years before Mr. Cornish joined us in 2014. In fiscal year 2015, we paid Marsh & McLennan approximately \$300,000 for their services, and as a result this transaction was reviewed by the Nominating and Corporate Governance Committee and the Audit and Risk Committee.

BankUnited employs the services of GrayRobinson as outside counsel for certain legal matters. Tyler Starr, the son of Jeffrey Starr (General Counsel of BankUnited, N.A.) is employed by GrayRobinson. In fiscal year 2015, we paid GrayRobinson approximately \$300,000 for their services, and as a result this transaction was reviewed by the Nominating and Corporate Governance Committee and the Audit and Risk Committee.

Registration Rights Agreement

In connection with our IPO, BankUnited, Inc., certain investment funds affiliated with the Sponsors, LF Moby LLC, Mr. DeMark, Ambassador Cobb, Mr. Kanas, John Bohlsen, Mr. Pauls, Mr. Singh and certain former members of BU Financial Holdings LLC (our parent company prior to the initial public offering) entered into a registration rights agreement, dated February 2, 2011 (as amended February 29, 2012, the "Registration Rights Agreement").

Pursuant to the registration rights provisions, in the event that we are registering additional shares of common stock for sale to the public (except in connection with a registration on Form S-4 or Form S-8 or any successor or similar form or in a registration of securities solely relating to an offering and sale to employees pursuant to any employee stock plan or other employee benefit plan arrangement), we are required to give notice of such registration to all parties to the Registration Rights Agreement that hold registrable securities (which includes members of our management that hold shares of our common stock) of the intention to effect such a registration. Such notified persons have piggyback registration rights providing them the right to have us include the shares of common stock owned by them in any such registration if we have received written requests for inclusion therein within prescribed time limits, subject to other provisions under the Registration Rights Agreement.

Between March 2013 and March 2014, the Sponsors sold 51,931,097 shares of our common stock in registered secondary offerings (the "Secondary Offerings"). As a result of the Secondary Offerings, as of March 7, 2014, the Sponsors no longer owned any shares of our common stock, and the Registration Rights Agreement terminated with respect to the Sponsors.

REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF PROXY PROPOSALS, NOMINATION OF DIRECTORS AND OTHER BUSINESS OF STOCKHOLDERS

In order to submit stockholder proposals for the 2017 annual meeting of stockholders for inclusion in the Company's Proxy Statement pursuant to Rule 14a-8 promulgated under Section 14(a) of the Exchange Act materials must be received by the Corporate Secretary at the Company's principal office in Miami Lakes, Florida, no later than December [], 2016.

The proposals must comply with all of the requirements of SEC Rule 14a-8. Proposals should be addressed to: Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion.

The Company's Amended and Restated By-Laws also establish an advance notice procedure with regard to director nominations and stockholder proposals that are not submitted for inclusion in the Proxy Statement, but that a stockholder instead wishes to present directly at an annual meeting. To be properly brought before the 2017 annual meeting of stockholders, a notice of the nomination or the matter the stockholder wishes to present at the meeting must be delivered to the Corporate Secretary at the Company's principal office in Miami Lakes, Florida (see above), not less than 90 or more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of the Company's Amended and Restated By-Laws (and not pursuant to Exchange Act Rule 14a-8) must be received no earlier than January 18, 2017, and no later than February 17, 2017. All director nominations and stockholder proposals must comply with the requirements of the Company's By-Laws, a copy of which may be obtained at no cost from the Corporate Secretary of the Company.

Other than the proposals described in this Proxy Statement, the Company does not expect any matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders on the proxy card will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason, any one or more of the Company's nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

The chairman of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made in compliance with the foregoing procedures.

Subject to the requirements of applicable law, the Corporation shall have the power to purchase any shares of any class of stock herein or hereafter authorized from such persons, and for such consideration, as the Board of Directors shall from time to time, in its discretion, determine, whether or not less consideration could be paid upon the purchase of the same number of shares of another class or of shares of another series of such class, and as otherwise permitted by law.

FIFTH. The following provisions are inserted for the management of the business and the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

In addition to the powers and authority expressly conferred upon the Board of Directors by applicable law, this Amended and Restated Certificate of Incorporation or the Amended and Restated By-Laws of the Corporation (as amended from time to time, the "By-Laws"), the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject to the provisions of the DGCL and this Amended and Restated Certificate of Incorporation.
- (a) The number of directors of the Corporation shall be fixed from time to time exclusively by resolution of the Board of Directors.

The right of stockholders to fill vacancies on the Board of Directors is hereby specifically denied. Any director elected to fill a vacancy not resulting from an increase in the number of directors shall have the same remaining term as that of his or her predecessor.

Subject to applicable law and the rights, if any, of the holders of shares of Preferred Stock then outstanding, any director or the entire Board of Directors may be removed from office at any time by the affirmative vote of the (d) holders of at least a majority in voting power of the issued and outstanding capital stock of the Corporation entitled to vote in the election of directors (the "Voting Stock").

Notwithstanding the foregoing, the election, term, removal and filling of vacancies with respect to directors, if any, elected separately by the holders of one or more classes or series of Preferred Stock shall (e) not be governed by this Article FIFTH, but rather shall be as provided for in the resolutions adopted by the Board of Directors creating and establishing such class or series of Preferred Stock.

In addition to the powers and authority hereinbefore or by statute expressly conferred upon them, the Board of Directors is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject to the provisions of the DGCL and this Amended and Restated Certificate of (f) Incorporation and any By-Laws adopted by the stock-holders; provided, however, that no By-Laws hereafter adopted by the stock-holders shall invalidate any prior act of the directors which would have been valid if such By-Laws had not been adopted.

SIXTH. No director shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of any fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL.
