In addition, Mr. Zizza also serves as Chairman of the Audit Committee and is the "audit committee financial expert" as required under the rules of the United States Securities and Exchange Commission (the "SEC").

Meetings of the Board of Directors and Certain Committees:

The Board of Directors held five meetings during 2011. All directors attended 75% or more of such meetings and of the committee meetings for which they were members. The Corporation does not have a formal policy regarding directors' attendance at annual stockholders meetings, but strongly encourages and prefers that directors attend regular and special Board meetings as well as the Annual Meeting of Stockholders in person, although attendance by teleconference is considered adequate. The Corporation recognizes that attendance of the Board members at all meetings may not be possible and excuses absences for good cause.

Non-employee directors are due to receive an annual fee of \$10,000, as well as \$1,000 for each meeting of the Board attended and \$500 for telephonic meetings, while employee directors are not entitled to receive any fees. Mr. George Schiele and Mr. Salvatore Zizza, the Chairman and Vice Chairman, respectively, receive an annual fee of \$15,000 each as well as \$1,500 for each meeting of the Board attended and \$750 for telephonic meetings. Fees for members of the Board and Committees are determined annually by the entire Board of Directors based on review of compensation paid by other similar size companies, the amounts currently paid by the Company, the overall policy for determining compensation paid to officers and employees of the Company and the general financial condition of the Company. During 2010 and 2011, certain Board members deferred payment of their fees. In lieu of a cash payment, certain board members and former board members have agreed to receive restricted shares of Common Stock which shall contain a legend under the Securities Act of 1933 and which shall not be transferable unless and until registered.

Corporate Governance Policies and Procedures

The Board of Directors has adopted a Code of Business Conduct and Ethics Guidelines (the “Ethics Code”) that applies specifically to Board Members and Executive Officers. The Ethics Code is designed to promote compliance with applicable laws and regulations, to promote honest and ethical conduct, including full, fair, accurate and timely disclosure in reports and communications with the public. The Ethics Code is available for viewing on the Corporation’s website at www.trans-lux.com. Any amendments to, or waivers from, the Ethics Code will be posted on the website. In addition, the Board of Directors adopted a Whistle Blowing policy, which provides procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls and auditing matters, as well as the confidential, anonymous submission of concerns regarding questionable accounting or auditing practices.

Corporate Leadership Structure

Two separate individuals serve as the Corporation's Chairman of the Board and Chief Executive Officer. The Chairman is not an executive officer. The Chairman provides leadership to the Board in the fulfillment of its responsibilities in presiding over Board meetings; he also presides over all meetings of the stockholders. The Chief Executive Officer is responsible for directing the operational activities of the Corporation.

Risk Management

Our Board and Audit Committee are actively involved in risk management. Both the Board and Audit Committee regularly review the financial position of the Corporation and operations of the Corporation and other relevant information, especially cash management and risks associated with the Corporation's financial position and operations.

Communication with the Board of Directors

Security holders are permitted to communicate with the members of the Board by forwarding written communications to the Corporation's Corporate Secretary at the Corporation's headquarters in Norwalk, Connecticut. The Corporate Secretary will present all communications, as received and without screening, to the Board at its next regularly scheduled meeting.

Committees of the Board of Directors

The Board of Directors has appointed a Compensation Committee, an Audit Committee and a Nominating Committee.

Compensation Committee

The members of the Compensation Committee of the Board of Directors are Ms. Firstenberg and Messrs. Sloyer and Zizza. The Compensation Committee operates under a formal written charter approved by the Compensation Committee and adopted by the Board of Directors. The Compensation Committee reviews compensation and other benefits. The Compensation Committee held one meeting in 2011. None of the members of the Compensation Committee is or has been an officer or employee of the Corporation. There are no Compensation Committee interlock relationships with respect to the Corporation. Members of said Committee receive a fee of \$320 for each meeting of the Committee they attend and the Chairperson, Ms. Firstenberg, will receive an annual fee of \$1,600.

Audit Committee

The members of the Audit Committee of the Board of Directors are Messrs. Zizza, Nummi and Sloyer. The Audit Committee operates under a formal written charter approved by the Committee and adopted by the Board of Directors. The Board of Directors had determined that Mr. Zizza meets the definition of "audit committee financial expert" set forth in Item 407 of Regulation S-K, as promulgated by the SEC. The Audit Committee held three meetings in 2011. The responsibilities of the Audit Committee include the appointment of the independent registered public accounting firm, review of the audit function and material aspects thereof with the Corporation's independent registered public accounting firm, and compliance with the Corporation's policies and applicable laws and regulations. Members of said Committee receive a fee of \$400 for each meeting of the Committee they attend and the Chairman, Mr. Zizza, receives an annual fee of \$2,400 and \$100 for each quarterly telephonic meeting with the independent auditors.

Nominating Committee

The members of the Nominating Committee of the Board of Directors are Ms. Firstenberg and Mr. Zizza, each of who is independent in accordance with the Section 952 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The Nominating Committee operates under a formal written charter approved by the Committee and adopted by the Board of Directors. The Nominating Committee recommends for consideration by the Board of Directors, nominees for election of directors at the Corporation's Annual Meeting of Stockholders. Director nominees are considered on the basis of, among other things, experience, expertise, skills, knowledge, integrity, understanding the Corporation's business and willingness to devote time and effort to Board responsibilities. The Nominating Committee had one meeting in 2011 to discuss, among other things, nominating the directors for election by our stockholders at the Annual Meeting of Stockholders held March 6, 2012.

The Nominating Committee does not have a separate policy regarding diversity of the Board. George W. Schiele and Salvatore J. Zizza (the "Gamco Nominees") were elected in accordance with a Settlement Agreement approved by the United States District Court for the Southern District of New York described in the Corporation's proxy statement for the December 11, 2009 Annual Meeting of Stockholders. If either of them or their replacements is unwilling or unable to serve as a director prior to the 2012 Annual Meeting of Stockholders, the Corporation, consistent with duties and obligations under Delaware law, shall use its best efforts to replace said director with a nominee suggested by the Gabelli parties: the Settlement Group, consisting of Gabelli Funds, LLC, Gamco Asset Management, Inc., Gabelli Cap Growth Fund, Gabelli Global Multimedia Trust, Inc., Gabelli Dividend and Income Trust and Gabelli Convertible Fund.

Corporate Governance Committee

The Board of Directors has not established a corporate governance committee. The Board of Directors acts as the corporate governance committee.

Non-Employee Director Stock Option Plan

The Board of Directors has previously established a Non-Employee Director Stock Option Plan which, as amended, covers a maximum of 30,000 shares for grant. Such options are granted for a term of six years and are priced at fair market value on the grant date. The determination as to the amount of options to be granted to directors is based on years of service, and are calculated on a yearly basis as follows: a minimum of 500 stock options are granted for each director; an additional 500 stock options are granted if a director has served for five years or more; an additional 500 stock options are granted if a director has served for ten years or more; and an additional 1,000 stock options are granted if a director has served for twenty years or more. Such options are exercisable at any time upon the first anniversary of the grant date. The Corporation grants additional stock options upon the expiration or exercise of any such option if such exercise or expiration occurs no earlier than four years after date of grant, in an amount equal to the number of options that have been exercised or that have expired.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

The Corporation's executive officers and directors are required under Section 16(a) of the Securities Exchange Act of 1934 to file reports of ownership and changes in ownership with the SEC. Copies of those reports must also be furnished to the Corporation. Based solely on a review of the copies of reports furnished to the Corporation for the year ended December 31, 2011, the Corporation's executive officers and directors have complied with the Section 16(a) filing requirements, with the exception of two Form 3s filed late due to a delay in obtaining a Securities and Exchange Commission CIK code in order to electronically file the report, although timely requested.

ITEM 11. EXECUTIVE COMPENSATION

Compensation of Executive Officers

Compensation Discussion and Analysis: All matters concerning executive compensation for the Chief Executive Officer and other executive officers whose salaries are over \$200,000 per year are considered by the Corporation's Compensation Committee. Our compensation structure for our executives is designed to attract individuals with the skills necessary for us to achieve our business plan, to reward those individuals for successful performance over time, and to retain those executives who continue to perform at or above our expectations, without incurring risk-taking incentives that may adversely affect the Corporation. Our executives' compensation has three primary components: a base salary and stock option/restricted stock awards.

Base Salary. We fix the base salary of each of our executives at a level we believe enables us to hire and retain individuals in a competitive environment and rewards satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the base salaries paid by similarly sized companies and the base salaries of other companies with which we believe we compete for talent. To this end, we subscribe to certain executive compensation surveys and other databases and review them at least annually; but also when making crucial executive hiring decisions, or at the end of the term of any employment agreements into which we enter.

Cash Incentive Bonus: We design the cash incentive bonuses for our executives to focus the executive on achieving key financial and/or operational objectives within a yearly time horizon, as described in more detail below. Our President and Chief Executive Officer, J.M. Allain, receives a cash incentive bonus as a primary component of his compensation package.

Stock Option/Restricted Stock Awards. We occasionally grant stock options or restricted stock relating to employment agreements and/or to reward long-term performance. We believe that such compensation incentivizes each executive to create value for the Corporation, and ties executive performance directly to the financial performance of the Corporation as a whole. We take into consideration the executives tenure with the Corporation, as well as the availability of options, in addition to the executive's performance in determining grants of options and restricted stock awards.

We view the three primary components of our executive compensation as related but distinct. Although we review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. We determine the appropriate level for each compensation component based in part, but not exclusively, on our view of internal equity and consistency, individual performance and other information we deem relevant, such as the survey data referred to above. We believe that salary and cash incentive bonuses are primary considerations and that stock options/restricted stock awards are secondary considerations. Except as described below, we have not adopted any formal policies or guidelines for allocating compensation between long-term and currently paid out compensation, between cash and non-cash compensation, or among different forms of compensation. This is due to the small size of our executive team, and our need to remain flexible and to tailor each executive's award to attract and retain that executive. For example, the Corporation, as an inducement to Mr. Allain to enter into his initial employment contract, granted him 50,000 restricted shares of Common Stock which vested 50% on the one year anniversary and the remaining 50% after two

years; this sort of inducement granting of restricted stock was unprecedented at the time, but our flexible compensation structure allowed us to reach this mutually beneficial arrangement.

In addition to the three primary components of compensation described above, we provide our executives with benefits that are generally available to our salaried employees. These benefits include health and medical benefits, flexible spending plans, life insurance and short and long-term disability. We also may provide our executives with severance, as described in more detail below.

No stock options were awarded during 2011 to any employees, and therefore, the Corporation did not record any related compensation expense. There are no stock option plans currently in effect providing for the grant of new options to employees.

5

Cash Incentive Bonus. Cash incentive bonuses for our executives are established as part of their respective individual employment agreements, as applicable. Currently, J.M. Allain, our President and Chief Executive Officer, is the only executive officer of the Corporation entitled to a cash incentive bonus; his cash incentive bonus is determined in accordance with the terms of his employment agreement with the Company. As a general matter, the Compensation Committee is responsible for determining all criteria for the provision of any cash incentive bonuses awarded by the Corporation, and any such decisions by the Compensation Committee must be approved by the Board of Directors at the time any employment agreement contemplating a cash incentive bonus is entered into. Based on the financial standing of the Corporation, no cash incentive bonuses were paid for the year ended December 31, 2011.

Supplemental Executive Retirement Agreement. In accordance with the former President and Chief Executive Officer's agreement, he was due a supplemental executive retirement payment on July 1, 2010 in the amount of \$353,000 plus tax effect of approximately \$170,000, but has not yet been paid.

Other Benefits. Our executives are eligible to participate in all of our employee benefit plans, such as medical, group life and disability insurance, and our 401(k) plan, in each case on the same basis as our other employees. There were no special benefits or perquisites provided to any executive officer in 2011.

Compensation Consultants. The Corporation has not engaged the services of any outside compensation consultant for 2011.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management and, based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K/A..

This report is submitted by the Compensation Committee. Its members are:

Retirement Plan

The Company made a cash contribution of \$605,000 during 2011, which was less than the minimum required contribution, to the Company’s retirement plan for all eligible employees and the eligible individuals listed in the Summary Compensation Table. The Company has filed requests for waivers of the 2009 and 2010 minimum funding standard as permitted under 412(d) of the Internal Revenue Code and section 303 of the Employee Retirement Income Security Act of 1974.

The Company's retirement plan, prior to being frozen, covered all salaried employees over age 21 with at least one year of service who are not covered by a collective bargaining agreement to which the Company is a party. Retirement benefits are based on the final average salary for the highest five of the ten years preceding retirement. For example, estimated annual retirement benefits payable at normal retirement date, which normally is age 65, is approximately \$15,000 for an individual with ten years of credited service and with a final average salary of \$100,000; and approximately \$120,000 for an individual with 40 years of credited service and with a final average salary of \$200,000. Currently, \$250,000 is the legislated annual cap on determining the final average salary and \$195,000 is the maximum legislated annual benefit payable from a qualified pension plan.

As of January 1, 2012, Ms. Toppi had 17 years of credited service. As of December 31, 2003, the benefit service under the pension plan had been frozen, and, accordingly, no further years of credited service have been allowed, and as of April 30, 2009, the benefit under the pension plan has been frozen, and, accordingly, there is no further increase in benefit being accrued. The normal annual retirement benefit for Ms. Toppi is approximately \$36,000.

Supplemental Executive Retirement Agreement

In accordance with the former President and Chief Executive Officer's agreement, he was due a supplemental executive retirement payment on July 1, 2010 in the amount of \$353,000 plus tax effect of approximately \$170,000, but has not yet been paid.

After the First Allain Agreement expired, the Corporation entered into a new employment agreement with Mr. Allain (the "Second Allain Agreement") with a term of three years and under which Mr. Allain was to remain the President and Chief Executive Officer of the Corporation. The Second Allain Agreement entitles Mr. Allain to twenty days' paid vacation per year, a vehicle allowance, "key person" insurance, business expense reimbursement (including membership at the Core Club in New York City), and certain employee benefits generally available to employees of the Corporation. The Second Allain Agreement provides for certain severance benefits depending on whether Mr. Allain leaves the employ of the Corporation for "Cause," "Good Reason" or "Without Cause and for Good Reason" prior to the termination of the Second Allain Agreement. The Second Allain

Agreement contains standard non-disparagement, confidentiality and non-solicitation provisions.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Transactions

During the year 2011, there were no transactions requiring disclosure.

Independence of Non-Employee Directors

A director is considered independent if the Board of Directors determines that the director does not have any direct or indirect material relationship with the Corporation. Mr. Allain is an employee of the Corporation and, therefore, has

been determined by the Board to fall outside the definition of “independent director.” Messrs. Nummi, Schiele, Sloyer and Zizza and Ms. Firstenberg are non-employee directors of the Corporation. The Board of Directors has determined that Messrs. Nummi, Schiele, Sloyer and Zizza and Ms. Firstenberg are “independent directors” since they had no relationship with the Corporation other than their status and payment as non-employee directors, and as stockholders. The Board of Directors has determined that Messrs. Nummi and Sloyer are independent under the SEC’s audit committee independence standards.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

BDO USA, LLP, (“BDO”) has served as our independent registered public accounting firm since May 17, 2010, when the Audit Committee of the Corporation’s Board of Directors approved their engagement to audit the Corporation’s financial statements for the fiscal year ended December 31, 2010. The Audit Committee of the Board of Directors has appointed BDO as our independent registered public accounting firm for the year ending December 31, 2012.

The ratification of the appointment by our Audit Committee of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2012 requires the affirmative vote of a majority of the shares of Common Stock and Preferred Stock of the Corporation voting in person or by proxy. Although stockholder approval of the appointment is not required by law and is not binding on the Audit Committee, the Committee will take the appointment under advisement if such appointment is not approved by the affirmative vote of a majority of the votes cast at the Meeting.

Representatives of BDO may not be present at the Annual Meeting; thus, to the extent they are not present, the Corporation does not anticipate that representatives of BDO will make a statement to our stockholders at the Annual Meeting, or respond to questions from our stockholders at the Annual Meeting.

The Audit Committee is not aware of any disagreements between management and BDO regarding accounting principles and their application or otherwise.

Change in Auditors: UHY LLP (“UHY”) had served as our independent registered public accounting firm when the Audit Committee of the Corporation’s Board of Directors approved their engagement to audit the Corporation’s financial statements for the fiscal year ended December 31, 2008. On April 16, 2010, UHY merged its New England practice into Marcum, LLP. As a result of the merger, UHY declined reappointment as our independent registered public accountant firm for the fiscal year ended December 31, 2010. There were no disagreements with UHY on any matter of accounting principles and their application or otherwise. As a result of the aforementioned merger, UHY issued a letter dated April 20, 2010, addressed to the Securities and Exchange Commission, stating that UHY agrees that there were no disagreements on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

UHY reported on the Corporation’s financial statements for the year ended December 31, 2009. There were no disagreements with UHY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to UHY’s satisfaction, would have caused them to make a reference to the subject matter in conjunction with their report on the Corporation’s consolidated financial statements or such year; and there were no reportable events, as listed in Item 304 (a) (1) (v) of Regulation S-K.

During the year ended December 31, 2009 and through the date of the Audit Committee’s decision to engage BDO, the Corporation did not consult BDO with respect to the application of accounting principles to a specified transaction, either completed or proposed, or type of audit opinion that might be rendered on the Corporation’s consolidated financial statements, or any other matter or reportable events listed in Item 304 (a) (2) (i) and (ii) of Regulation S-K.

Audit Committee Pre-Approval of Independent Auditor Services: All audit services provided by BDO for 2010 and 2011 were approved by the Audit Committee in advance of the work being performed.

Audit Fees: BDO audit fees were \$160,000 in 2011 and \$166,000 in 2010. BDO audit fees for both 2011 and 2010 included, but were not limited to, fees associated with the annual audit of the Corporation’s financial statements, reviews of the Corporation’s quarterly reports on Form 10 Q and reviews of the Corporation’s proxy statements.
